School Goals

Our goal is to engage and challenge students to become solid 21st century learners. We will do this by continuing to build upon our STEAM (Science, Technology, Engineering, Art and Math) program. With continued staff collaboration on academic, social-emotional, and extracurricular connections, we will create a culture of care where we know, value, and empower every student to achieve their dreams.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

We recognize the diversity and worth of all students, individuals and groups. We are committed to both educating and providing a safe and inclusive space for everyone, regardless of their race, color, religion, immigration status, gender or any other basis. We believe that students learn best when they feel safe and valued. Our staff is skilled, caring, and dedicated to fostering each student's academic and personal growth in a supportive and welcoming environment.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

It is our priority to ensure that students are safe at school. To that end, we have a network of adults, systems, structures, protocols, and other supports we leverage to keep students safe. To learn more, please visit www.hsd.k12.or.us/keepingstudentsafe. Ensuring safety also means that positive, respectful, and responsible behavior is expected at all times. We do not tolerate bullying or harassment. To learn more about the District's definition and response to bullying and/or harassment, please see Board Policies JFCF and JFCF-AR: Hazing, Harassment and Bullying, as well as the Standards of Student Conduct.

EXTRACURRICULAR ACTIVITIES

Quatama offers a variety of extracurricular activities: STEAM clubs, Green Team, Cooking, Gardening, Art, Technology, LEGO Robotics and Oregon Battle of the Books. We also host a Head Start preschool classroom and a YMCA after-school program.

PARENT ENGAGEMENT

Quatama has an active and supportive parent community. Our parent group, the Coyote Community Club (CCC), sponsors a variety of family-focused events such as restaurant nights, Family Fun Night, and Coyotes on the Run. Our parent community is collaborative and essential to supporting our staff and students. Our school also hosts an English Learner (EL) Night, Culture Night, and STEAM Night.

COMMUNITY ENGAGEMENT

Quatama is fortunate to have strong community supporters who are committed to nurturing our students and helping them grow and thrive as learners. Our vision is to provide real-world learning that engages the hearts and minds of our students through STEAM, effective teaching strategies, arts integration, family engagement, and English language development strategies. Quatama's theme is Sustainability through STEAM. Our partners in this work include Intel, the City of Hillsboro, Right Brain Initiative, Portland Metro STEM Partnership, Sonrise Church, and the Hillsboro Schools Foundation. We are grateful for their support.
