School Goals

At Atfalati Ridge Elementary School, we believe every student deserves to learn and grow in an inclusive environment. We are focused on high-quality core instruction with differentiation, transformative social emotional learning, and language proficiency, to ensure our students are known, valued, and empowered to find success in the next step of their education. We are committed to a model of inclusion and equity where all students, staff, and community feel valued, are authentically engaged, and experience success.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

Ensuring students are known, valued, and empowered is the foundation of our school environment. Staff focus on building authentic connections and relationships with students throughout the day, starting by greeting each student by name five or more times before entering the classroom. Every classroom holds a Morning Meeting to build and foster a positive classroom culture. We continuously work on our strong Tier 1 structure of positive behavior support and recognition. Staff work on building cohesion, predictability, and routine across all environments.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

The safety of our students and staff is important to us. We have a variety of routines, systems and supports to keep Atfalati Ridge as safe as possible, including but not limited to restorative practices and collaborative problem solving. Students are taught expected behaviors in all areas of the school and positive behaviors are reinforced often. To learn more, please visit www.hsd.k12.or.us/keepingstudentssafe. To learn more about the District's definition and response to bullying and/or harassment, please see Board Policies JFCF and JFCF-AR, as well as the Standards of Student Conduct.

EXTRACURRICULAR ACTIVITIES

We have 6th grade Band, Oregon Battle of the Books, Student Leadership, Change Leaders, Chess Club, Play.Fit.Fun. Club, Craft Club, Rainbow Club, Coding Club, Aerospace Club, and Extended Year Literacy Program. As we grow, we are looking to add more offerings for our students.

PARENT ENGAGEMENT

Atfalati Ridge has an active Booster Club (Blue Jay Boosters) that provides and supports a variety of activities and events for our students. These include events such as FundRun, Blue Jay Bazaar, McTeacher's Night, Trunk or Treat, and Field Day. Parents are invited into the building multiple times a year for academic-related events hosted by our staff with a student focus. Parents receive communication through the principal's weekly newsletter, and a weekly or monthly classroom newsletter from their teacher. We also have a MultiCultural Family Group focusing on highlighting and celebrating our diverse school community.

COMMUNITY ENGAGEMENT

The North Plains community is very supportive of our school. Our Chamber of Commerce and community partners join our Family Night events, visit our classrooms, and support our students through volunteering and donations. The North Plains Public Library is one of our biggest supporters and partners. In addition, Mayor Teri Lenahan is a visible presence in our school, especially in promoting and honoring youth who aspire to learn more about her role in the community. On campus, we value the opportunity for our families to enroll their child or children in after school care with Vermont Hills. We are also proud to partner with Preschool Promise and NWRES to offer a preschool program at our school.
