School Goals

R.A. Brown staff are committed to making sure all students are ready for high school with the academic and social skills needed to realize their dreams. We will focus on fostering a sense of belonging for all students, supporting the use of rigorous academic language, and promoting consistent attendance habits. Staff will utilize collaborative structures to ensure they know their students' needs in order to help them take the next step in their education, build authentic relationships that value each individual's lived experience, and continue refining best teaching strategies to empower students.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

We recognize the diversity and worth of all students, individuals and groups. We are committed to providing a safe and inclusive space for everyone, regardless of their race, color, religion, immigration status, or any other basis. We believe that students learn best when they feel safe and valued. Our staff is highly skilled, caring, and dedicated to fostering a safe and welcoming environment. We encourage students to demonstrate care for one another by respecting each other's rights, and to continue building strong relationships across differences through respectful communication.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

We believe that all students deserve to feel safe in order to make the most of their education. If students experience behavior from others that substantially interferes with their education or creates a hostile educational environment, they should immediately notify a staff member. This includes behavior at school, during school activities, while riding Hillsboro School District transportation, at official bus stops, or through the use of electronic communication devices.

EXTRACURRICULAR ACTIVITIES

We believe a strong school community is built in the classroom and through extracurricular activities. At R.A. Brown, students will have the ability to join extracurricular activities both during and after the school day. These opportunities may include, but are not limited to: Advisory clubs, Black Student Union, Zone sports teams, Aeronautics Club, STEAM Club, Runner 2 Runner, Latino Youth Program. We partner with community organizations as well as the Hillsboro School District's Extracurricular Services department to make sure students have a wide variety of extracurricular choices.

PARENT ENGAGEMENT

Families and caregivers are vital partners in the success of our students. We look forward to creating a strong home-to-school partnership that allows our staff to better understand and support our community. When surveys are sent by R.A. Brown, or the Hillsboro School District, please take time to provide your thoughtful feedback. If you have a question or concern about our school, please reach out to your student's teacher or grade level administrator. R.A. Brown sends out a weekly email newsletter with upcoming school and district events as well as important information regarding the school year. Please look for the R.A. Brown Community Newsletter in your email or on the Remind app every Friday.

COMMUNITY ENGAGEMENT

The staff at R.A. Brown Middle School is excited to partner with community members to enrich the educational experience of our students. Guest speakers regularly visit to share their college and career experiences with our AVID students. Our playing fields are used by multiple community sports leagues. Volunteers are always welcome. If you would like to volunteer at R.A. Brown, please call 503-844-1070.
