School Goals

At Lincoln Street, we engage students to be their best in a rich multicultural environment where they are nurtured and challenged to reach their full potential. As an AVID Elementary and Dual Language Program School, we are focusing on explicit academic language and vocabulary across all content areas using writing strategies, discourse and language routines, and targeted intervention and extension activities. In addition, we will consistently incorporate feedback from students and families in our instructional practices to provide for students' socio-emotional needs as part of our culture of self-care.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

Our school recognizes the diversity and worth of all students, individuals and groups, and is committed to both educating and providing a safe and inclusive space for everyone, regardless of their race, gender, color, religion, immigration status, or any other basis. We believe that students learn best when they feel safe and valued. Our focus this year is on developing socio-emotional skills and a growth mindset. Our staff is skilled, caring, and dedicated to fostering each student's academic and personal growth in a supportive and welcoming environment.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Our number one priority and goal is to ensure students are safe. To that end, we have a network of adults, systems, structures, protocols, and other supports we leverage to keep our school as safe as possible. To learn more, please visit www.hsd.k12.or.us/keepingstudentsafe. Ensuring safety also means that positive, respectful, and responsible behavior is expected at all times. We do not tolerate bullying or harassment. To learn more about the District's definition and response to bullying and/or harassment, please see Board Policies JFCF and JFCF-AR: Hazing, Harassment and Bullying, as well as the Standards of Student Conduct.

EXTRACURRICULAR ACTIVITIES

Our goal is to provide as many opportunities as possible for students to access extracurricular activities. We offer Lynx Academy (language arts and math interventions, as well as enrichment activities), Chess, Sports, Garden Club, STEAM, Band, Violin, Champions, and Adelante Chicas.

PARENT ENGAGEMENT

We know that parents are the first and most important educators in our students' lives. Parent collaboration with their classroom teachers and the school is crucial to preparing our students for a successful year. We collaborate with families to develop grade-level and school-wide activities focused on strengthening our school community. We encourage families to reach out to their child's classroom teacher or to our main office for information about volunteering and engaging with our school community.

COMMUNITY ENGAGEMENT

Partnering with outside agencies has been key to our success in building a strong community of support for students and their families. Some of these partnerships include: Greater Than - Academic intervention, family engagement, community resources, afterschool programs; Head Start - Preschool program; First United Methodist Church, the Church of Latter Day Saints, Intel, and the Oregon Food Bank - Food, donations, and volunteers to support our Free Food Market; Western Psychological Services and Pacific University - socio-emotional support; Champions and Adelante Chicas - Afterschool program.
