School Goals

A top priority at North Plains Elementary School is making sure all students feel welcomed and valued. Our stance is based on meeting each child where they are at in order to stretch and maintain growth. Knowing each student by name, strength, and need is our ultimate action step. With this in mind, we craft thoughtful experiences to mold the whole child- mind, body, and heart. Our staff commits to an inclusion model of service that fosters peer connections and high expectations for all students.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

At North Plains Elementary School, students are known by name, strength, and need. Staff members aim to start students' day in a positive manner by greeting them as they enter the building and the classroom, and teachers hold a morning meeting with their class in order to bolster social-emotional learning. Our 5th and 6th grade Student Council helps to represent and evolve our culture of care for all students. Our student-centered routines, activities, and voice propel our larger community to be incredibly involved and supportive.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Defining bullying as opposed to being mean and/or experiencing conflict is a priority. Bullying is not tolerated and we take swift action to extinguish it quickly. We believe in restorative practices and collaborative problem solving. School-wide positive reinforcement and reteach systems are in place. Our counselor and Student Success Coach provide an extra layer of support. We continue to implement a Social Emotional Learning curriculum called Harmony SEL. All classes begin with a morning meeting to support students' feeling of community and belonging. To learn more, visit www.hsd.k12.or.us/keepingstudentsafe, Board Policies JFCF & JFCF-AR, and our Standards of Student Conduct.

EXTRACURRICULAR ACTIVITIES

Students at North Plains have an opportunity to participate in a variety of after-school activities, including: band, artistic expression, identity, agency, engineering, and basic robotics. We have materials and a location set up for Maker Space as well. Many of our after-school student activities are the result of our students' interests and ideas; therefore, choices vary by school year.

PARENT ENGAGEMENT

The North Plains Parent Teacher Organization (PTO) is very involved and provides a variety of school activities throughout the year. Our goal is to involve as many students and families as possible. Our PTO holds a Fun'd Run every Fall, a Holiday Gift Shop and Movie Night every winter, and a Community Carnival every spring. In addition, we host three evening events per year to highlight culture, student growth, achievement, and goals. Likewise, Soar Time - in person and virtual - opportunities are designed to allow families to connect with the principal. Creating a sense of belonging and celebration of diversity drives our connection opportunities.

COMMUNITY ENGAGEMENT

Our community sponsored events include McTeacher Night at our local McDonalds, staff wellness with Peak Chiropractic, ice cream socials with Eleete Real Estate - Dirk Hmura Team, reading challenges with Hillsboro Hops, and gardening maintenance with JEWETT CAMERON CO. Our kindergartners take walking tours of our local police department, fire department, McDonald's, and the city library. Our Chamber of Commerce is active and involved. In addition, Mayor Teri Lenahan is a visible presence in our school. On campus, we value the opportunity for our families to enroll their child or children in after school care with Vermont Hills.
