Gardnerville Elementary School

Angel Tree

As the holiday season approaches, we have had families in need reach out about the Angel Tree program we do at Gardnerville Elementary School. Through the Angel Tree program, we have the opportunity to make a difference in the lives of children and families in need by inviting staff and the community to "adopt" a child by selecting their Angel Tree tag and fulfilling their holiday wish list.

If you are able to help a family in need, you can pick up a tag from the school office to adopt a student.

We are asking gifts to be returned to the school no later than December 13th.

Thank you and may your heart be filled with all the joys of the season.
