# Ensuring Safe and Effective Use

## Importance of Digital Literacy and Safety:

- the importance of protecting personal information and practicing ethical online behavior.
- teaching students to evaluate the reliability of online resources

## Setting Boundaries for Screen Time and App Usage:

- Encourage balanced use of digital tools to prevent over-reliance.
- Promote healthy habits, such as scheduled breaks and device-free zones at home.

## Encouraging Students to Ask for Help When Needed:

- Remind students to approach teachers or IT staff for support with platform issues.
