

# Welcome Back to School

Welcome back to school! Nutri-Serve is excited to start another year at Eastampton School. We are looking forward to seeing your smiling faces this school year.

School meals are important to fuel healthy minds and bodies, and we strive to offer student favorites that are both delicious and nutritious. We can't wait to welcome you back into the cafeteria!

## Why choose school meals?

School meals include nutritious foods including fruits, vegetables, lean proteins, milk, and whole grains. Consistent exposure to a wide variety of foods not only encourages students to try something new, but also helps build lifelong healthy habits and a positive relationship with food. School meals are also a great value. Each lunch meal comes with a **PROTEIN, GRAIN, FRUIT, VEGETABLE, & MILK**. Breakfast comes with a **GRAIN, PROTEIN/GRAIN, FRUIT, & MILK**. Students must take at least 1 serving of fruit or vegetable but can select up to 2 servings. Where else can you find that kind of deal?

At Eastampton School we have breakfast in the cafeteria everyday including on early dismissal days. Breakfast is from 8 am until 8:30 am

## Where can I find the menus?

Starting this school year, monthly menus will be posted online through SchoolCafe. Click on the link to view menus. <https://www.schoolcafe.com/EastamptonTownshipNutriServe/menus>

While we try our best to follow the posted menu, ongoing supply chain issues necessitate substitutions at times. Please contact us if you have questions or concerns about menu changes or product substitutions. We appreciate your patience, understanding, and flexibility as we work to provide nutritious school meals in this challenging and changing environment.

## Free and Reduced Meal Applications

The application can be found on the school website. Click on Cafeteria tab, and scroll down to the application. Once completed just return it to the school with your student or the main office.

## What if my student has a food allergy or other special dietary need?

We take food allergies and other special dietary needs very seriously and work with you and the school nurse to provide a safe meal to your student. If your student has a food allergy or other dietary need, please let your school nurse know prior to the start of the school year so that an appropriate plan can be put in place. If your student is diagnosed with a new food allergy or dietary need

### 2024-2025 Meal Pricing

#### Breakfast

Regular: \$1.75
