

THE NEWSLETTER OF THE BORO BEAT

THE FREEHOLD BOROUGH SCHOOL DISTRICT

Scholastic Book Fair @ FLC

Dear Parents and Staff,

As we approach Thanksgiving, I want to take a moment to express my heartfelt gratitude for the incredible community we have here. This season of gratitude reminds us of the importance of coming together and appreciating the contributions each of us makes toward creating a nurturing and enriching environment for our students.

May this Thanksgiving bring you joy, warmth, and the company of loved ones. Have a wonderful holiday filled with appreciation and togetherness. Happy Thanksgiving!

~Asia Michael, Superintendent

Arrival and Dismissal Notice

Please be advised that parking on the shoulder of Park Avenue to drop off or pick up students from Park Avenue or Freehold Intermediate schools is not permitted. The Freehold Borough Police Department will be monitoring this area more closely to ensure safety and compliance. Please make arrangements to drop off and pick up your children in designated areas to avoid any potential issues. Thank you for your cooperation in keeping our students safe.

Ribbon-Cutting Ceremony

The ribbon-cutting ceremony at the Park Avenue Complex took place on November 20th. Guests, Board of Education members, staff, and PAE students gathered to celebrate the opening of the long-awaited expansion project, which added 16 instructional spaces to PAE. Ceremony speakers included Superintendent Asia Michael, Board President Joe Santonacita, PAE Principal Patrick Mulhern, Councilwoman Sharon Shutzer, and Monmouth County Superintendent Les Richens, who emphasized the significance of the new addition and the collaborative efforts that made it possible. A special presentation was made to Mrs. Tomazic in honor of her late husband, Dr. Rocco Tomazic. The newly elected PAE Student Council assisted in cutting the ribbon, and the FIS Choir and PAE Chorus provided musical performances.

Family & Community Engagement

Teachers and parents defeated FIS students in the 3rd annual Turkey Shoot fundraiser on November 25th. The fundraiser was well attended and a huge success raising \$500 for student activities and bringing the school community together for a fun and memorable evening.

Parent Involvement Night

Exploring World Cultures

Title I Parent Involvement

Come join us for a night exploring the importance of understanding the diverse needs of your children. Families will be able to learn various strategies and practices to help their child succeed this school year. Enter to win some free raffles! Registration is below. Refreshments and raffles will be provided by the Freehold Borough Education Association.

TUESDAY, DECEMBER 3 PAE COMPLEX 6:00-8:00PM

Student Activities

Another memorable year for students at the Scholastic Book Fair!

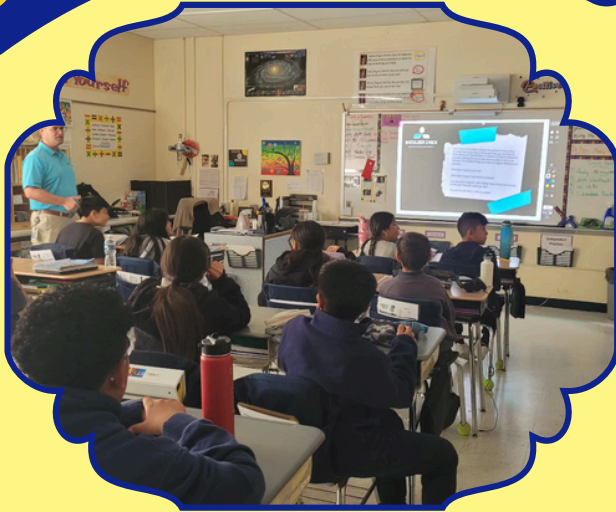

5th grade students enjoy their STARBASE experience.

The STARBASE program at Joint Base McGuire-Dix-Lakehurst is an innovative educational initiative designed to inspire and engage students in STEM through hands-on experiences.

Student Activities

It's Cool
To be Kind

To celebrate World Kindness Day on November 13th, we kicked off our Shoulder Check initiative with our 5th to 8th grade students! The excitement was palpable as students participated in a dynamic 30-minute assembly, where they discovered the power of the Shoulder Check program and how crucial it is to look out for one another. As the assembly concluded, students took the pledge to "Reach out. Check in. Make Contact," showing their commitment to fostering a supportive community.

Student Activities

FLC Lego Club

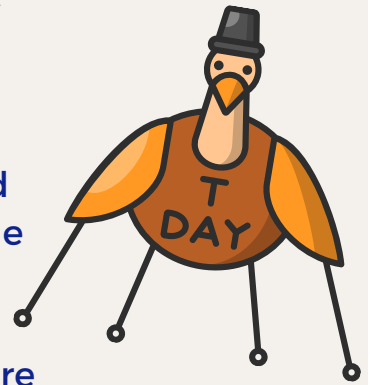

The PTO-sponsored Lego Club offers FLC students a fun and educational opportunity to unleash their creativity by building various structures with Legos. Open to all students, the club fosters creativity, teamwork, and problem-solving skills in a supportive environment.

Balloons Over FLC Parade

The Balloons Over FLC Parade held on November 27th was a vibrant celebration of creativity and community spirit. Our students dazzled everyone with their imaginative balloon displays, and the new tradition of the “Incredible Inflatable Race” was a huge hit, thanks to the enthusiastic participation of our teachers. We are grateful to all the parents, staff, and students who joined us for this memorable event!
