Title I Parent Presentation

What is Title I?

Title I is a federal program designed to provide financial assistance to schools with a high percentage of students from low-income families. The goal is to help ensure that all students have access to a quality education and the resources they need to succeed, regardless of their economic background.

Here's how it works: Schools that qualify for Title I funding receive additional resources and support to improve educational opportunities for their students. This can include hiring additional teachers or specialists, providing extra tutoring or academic support, purchasing instructional materials, and enhancing overall educational programs.

The idea is to bridge the gap between schools that have more resources and those that have fewer, helping to ensure that every child has an equal chance to succeed academically. Title I aims to level the playing field so that all students, regardless of their circumstances, have access to the tools and support they need to thrive in their education.

District & Campus Goals

District goals are focused on five areas:

- Increasing 3rd grade Reading scores
- Increasing 3rd grade Math scores
- Increasing number of graduates that meet CCMR criteria
- Improving the district's perception in the community
- Increasing the percentage of students attending an A or B rated campus

Goal – BISD

Increase the number of students reading on grade level

Goal – BECHS

Increase student engagement in the Reading Bingo reading incentive program

Goal

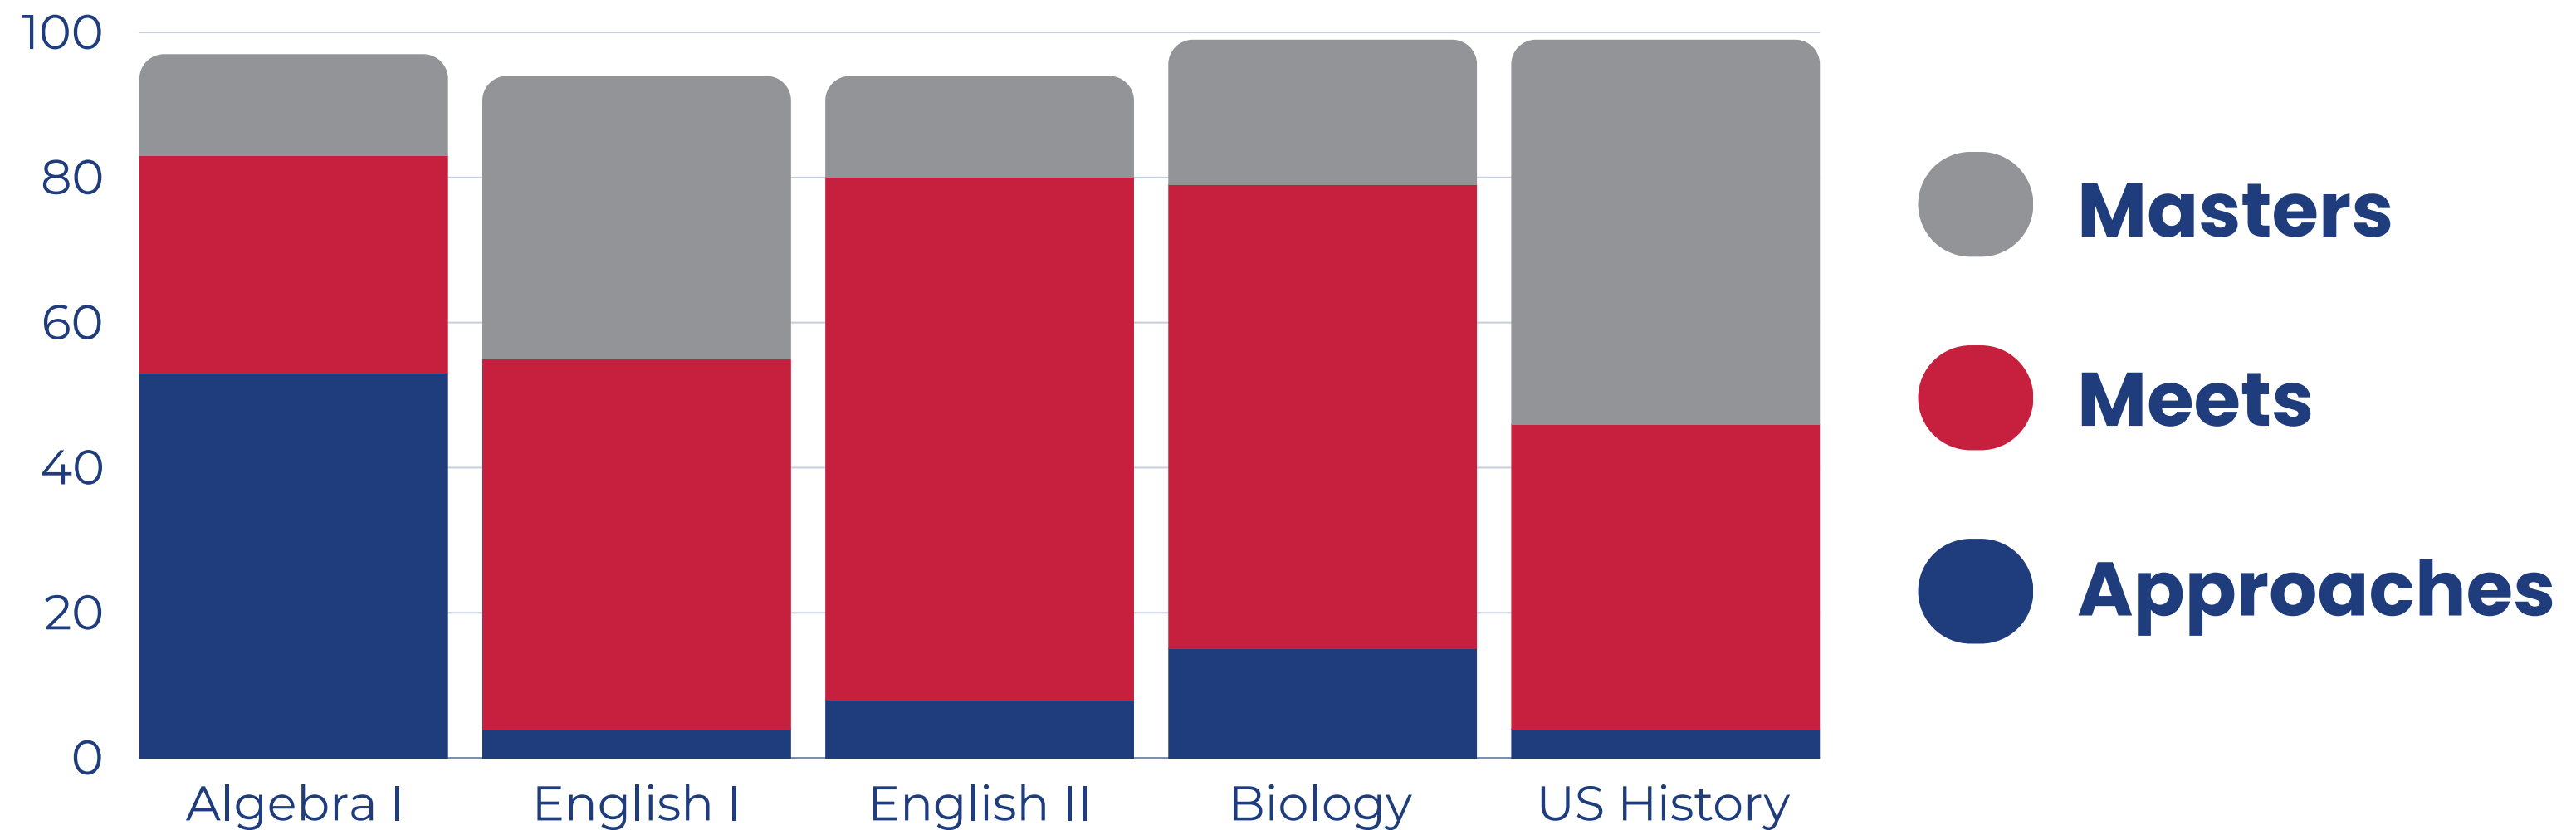

Promote a lifelong love of reading and critical thinking

Spring 2024 STAAR Results

One of the biggest predictors of student success is ATTENDANCE! So – the most important thing a parent can do for their student’s education is make sure they are in school all day every day. Our average attendance rate is 97% and we want even MORE!
