

BSME Accreditation and Inspection Directory

BSME Partner Directory

BSME facilitates an invaluable relationship between our schools and over 90 Partners, who provide products and services to schools and staff.

Schools in need of accreditation and inspection providers or services can use this brochure to browse trusted BSME Partners. To have a look at our other Partner categories, please visit our [website](#).

Accreditation and Inspection

High Performance Learning

www.highperformancelearning.co.uk | partners@highperformancelearning.co.uk

We believe every single child can achieve academic success and live a life full of opportunity and fulfilment. We use the research based HPL approach to help forward looking schools achieve the highest academic standards and equip students with the values, attitudes and attributes that will serve them well in university, the workplace and their life.

International Curriculum Association

www.internationalcurriculum.com | [LinkedIn](#)

The International Curriculum Association (ICA) is an active, well-connected, global community of 15,000 passionate educators who operate at the forefront of education. At its core is a comprehensive Model for Improving Learning, which encompasses a suite of dynamic and rigorous curriculum materials, impactful Professional Development resources and a supportive Accreditation pathway.

Education Development Trust

www.educationdevelopmenttrust.com | [LinkedIn](#)

At Education Development Trust, we improve school systems at scale and provide empowering employability and careers services to young people and adults. We own and manage a portfolio of schools and, as a not-for-profit, we invest annually in our programme of education research that informs policymaking around the world as well as our own work. What we do affects how teachers teach, leaders lead and students learn and we help to improve the life chances for all.

Council of International Schools

www.cois.org | [LinkedIn](#)

The Council of International Schools (CIS) leads a collaborative global membership community of schools and higher education institutions, exploring and developing effective practices to foster healthy, interculturally competent global citizens. We connect ideas and cultures across the world developing socially responsible leadership through international education. The CIS membership community includes over 1,500 schools and universities in 121 countries committed to providing students with the knowledge, skills and abilities to pursue their lives as global citizens through high quality international education.

Independent Schools Inspectorate Consultancy

www.isi.net | info@isi.net

Founded in 1999, the International Schools Inspectorate is the only independent inspectorate approved by the Secretary of State for Education to conduct statutory inspections of independent schools in the UK.

This involves the inspection of 1300 independent schools which are members of the associations which form the Independent Schools Council (ISC).

ISI was also a founding inspectorate of the British Schools Overseas (BSO) accreditation scheme, and currently inspects a wide variety of international schools in many different countries, including the Middle East, Africa, Europe, Asia and South America.

Penta International

www.pentainternational.co.uk

Penta is the leading provider of inspections for British schools overseas (BSO), accounting for around 60% of all inspections. We also providing consultancy, training, monitoring and review services, overseas and in the UK. Known for a bespoke approach which ensures the best fit to your school's needs, we are proud to provide the highest quality service, with the personal touch. Our school inspector training is hugely popular and always highly valued. Governor training, special educational needs, middle manager training, assessment for learning and the management of pastoral care are other popular topics. We have a permanent office in the Middle East, and have been the BSME development partner since 2008.
