PROSPECTIVE PURCHASERS SHALL NOT COMMUNICATE WITH ANY OTHER PERSON AT THE DISTRICT, INCLUDING ANY TRUSTEE OR ADMINISTRATOR, REGARDING THIS REQUEST OR THE PROSPECTIVE PURCHASER'S SEALED BID.

Any direct or indirect actions taken to unduly influence the competitive process, to circumvent equal consideration for all prospective purchasers, or to disregard ethical and legal policies and other requirements may be grounds for disqualification from participation in this request for bids and/or any future District orders or contracts.

***Nothing contained herein shall prohibit any person or entity from publicly addressing the Board during any duly noticed public meeting, in accordance with applicable Board policies and the Texas Open Meetings Act.

Confidentiality and Texas Public Information Act

To the extent permitted by law, documents submitted as part of the sealed bid will be treated as confidential during the review and evaluation process, with the exception of the names of the prospective purchasers and the sealed bid amounts. Unless required by law, sealed bids will not be made available for review by anyone other than the District or its designated agents, and there shall be no disclosure of any prospective purchaser's sealed bid to a competing prospective purchaser prior to the acceptance of a sealed bid and award of an Agreement. Upon the award of an Agreement, if any, sealed bids and any other information submitted to the District may become public information (except for any information that remains confidential under applicable law) and may be subject to disclosure to any person who makes a proper request for the information. If a prospective purchaser believes that any information included in its sealed bid contains proprietary, trade secret, or other information that is privileged or confidential by law or that may cause substantial competitive harm to the prospective purchaser's business if disclosed by the District to a third-party, even after the award of the Agreement, the prospective purchaser should clearly and conspicuously mark that information in its sealed bid and the prospective purchaser may be entitled to protect such information at the time a request is made for disclosure; provided, however, that the District cannot guarantee that any such information is protected from disclosure, and the prospective purchaser should consult with its legal counsel to determine whether such information may be protected from disclosure. Wholesale marking of the entire sealed bid as "Confidential" or "Proprietary" will not be effective.

Instructions for Submission of Sealed Bids

Prospective purchasers should exercise particular care in reviewing the requirements for sealed bids and the selection criteria set forth in this request. Sealed bids that do not materially conform to requirements of this request may be disqualified from consideration. As used in this request, the term "sealed bid" means a prospective purchaser's offer package in a sealed envelope containing all of the documents required by the request, including, without limitation, all required originals and copies of the completed Letter of Intent and Attachments 1-4, a cashier's check for the Earnest Money, and a cashier's check for the Independent Consideration. All of the documents described herein shall be completed correctly, signed, and, where applicable, notarized. Original documents should be clearly marked "Original." The outside of

the sealed envelope containing the sealed bid must clearly state the prospective purchaser's name and "Sealed Bid #24.17, Sale of Beaumont ISD Surplus Real Property – 6.007 Acre Parcel of Land."

Sealed bids may be mailed, couriered, or hand delivered, and must be received by the Beaumont ISD Purchasing Department at 3395 Harrison Ave, Beaumont, Texas 77706 no later than 2:00 p.m. CST on Tuesday, June 11, 2024.

Prospective purchasers are responsible for ensuring that sealed bids are delivered according to the instructions in this request by the stated submission deadline. If a sealed bid is misplaced due to an insufficient address or improper delivery, the District will bear no responsibility for the loss and will not accept the sealed bid after the submission deadline if it is found. Sealed bids received after the submission deadline or received at a location other than the location specified in the request will not be considered for award and will be returned unopened to the prospective purchaser. The time/date stamp clock used by the District's Purchasing Department shall be the official time of receipt of the sealed bids.

Proposed Changes

No exceptions or changes to the terms and conditions of the request or the Letter of Intent will be accepted unless such exceptions or changes that may be requested by the prospective purchaser are specifically and expressly stated in the sealed bid, received by District on or before the submission deadline, accepted by District, and ultimately reduced to writing and signed by both the prospective purchaser and an authorized representative of the District. The District reserves the right to accept, reject, and/or negotiate any proposed exceptions or changes, provided that such exceptions or changes would not reflect any unfair advantage to one prospective purchaser over another. **Exceptions or changes to the request for sealed bids terms and conditions or Letter of Intent that the District considers to be too general, unreasonable, or affecting essential terms, or any language to the effect that the prospective purchaser does not consider this request or the Letter or Intent to be part of its contractual obligation, may reduce or eliminate the prospective purchaser's prospects for award.**

Withdrawal of Sealed Bids

Prospective purchasers may request to withdraw a sealed bid prior to the submission deadline. Any such request must be made in writing at the same location designated for submission of sealed bids. If a prospective purchaser's request to withdraw a sealed bid is granted, the District will return the sealed bid to the prospective purchaser unopened. Once the submission deadline has passed, all sealed bids shall be deemed final, conclusive, and irrevocable, and no sealed bids shall be subject to withdrawal, correction, or amendment for errors or miscalculations by the prospective purchaser. All sealed bids shall remain fixed and binding on the prospective purchaser and open and valid for not less than ninety (90) days after the submission deadline, and no sealed bids may be withdrawn for a period of ninety (90) days after the submission deadline without the prior written consent of the District's Board of Trustees.

Form 1295

If a Form 1295 is required by statute, prior to taking the recommended sealed bid to the Board of Trustees for consideration, the District will require the prospective purchaser with the highest ranked sealed bid to submit evidence that the prospective purchaser has completed Form 1295 (Certificate of Interested Parties). The instructions for completing the 1295 form are set forth in Attachment 5. The prospective purchaser will be required to electronically complete and sign a 1295 form on the Texas Ethics Commission website, print out the form, and deliver a copy of the form to the District's Purchasing Department.

If the District requests a prospective purchaser to complete Form 1295, within forty-eight (48) hours from the date the District notified the prospective purchaser of the need for the Form 1295, the prospective purchaser must submit evidence to the District that the form has been completed. If the prospective purchaser fails to submit the required information to the District within such 48-hour period, the District may deem that sealed bid ineligible and request that the prospective purchaser with the next highest ranked sealed bid complete the Form 1295 with the process continuing until the prospective purchaser with the highest ranked sealed bid complies with this requirement.

Selection Process

Review of Sealed Bids. All sealed bids will be reviewed to determine if they conform with the request requirements. Conforming sealed bids will be evaluated, and the final sealed bid selection and award of an Agreement, if any, will be subject to approval and acceptance by the District's Board of Trustees. No final determination of a successful sealed bid will be made until a thorough review of all sealed bids is conducted and completed.

Waiver of Minor Technicalities. Notwithstanding anything contained in this request, the District reserves the right to waive minor technicalities or irregularities in a sealed bid so long as such technicality or irregularity does not put any other prospective purchaser at a disadvantage or otherwise adversely affect the sealed bid process.

Evaluation Criteria for Award. An Agreement, if awarded, will be made to the prospective purchaser with the highest ranked sealed bid representing the best value to the District based on the Evaluation Criteria below; provided that the sealed bid is in compliance with the requirements set forth in this request, including a sealed bid amount that is acceptable to the District, and not determined to be ineligible.

Evaluation Criteria

1. Sealed bid amount offered for the Property — 75 Points
   (Taking into consideration the proposed Purchase Price and any other financial terms contained in the sealed bid, including, but not limited to, any proposed exceptions or changes to the allocation of costs, expenses, and liabilities in the Request for Sealed Bids or Letter of Intent, and whether the sealed bid amount is equal to or greater than the fair market value of the Property or satisfies an exception to the fair market value requirement under Chapter 272, Texas Local Government Code)

2. Acceptance of the request terms and Letter of Intent 15 Points
   (Taking into consideration the extent to which the sealed bid includes any proposed exceptions or changes to the request terms or Letter of Intent, with preference given to sealed bids containing no proposed exceptions or changes)

3. The use to which the prospective purchaser will put the Property 10 Points
   (Taking into consideration the economic value of the proposed use of the Property to the District and the community, including, but not limited to, the long-term operational and ad valorem taxation impact of the sealed bid on the District, and whether the prospective purchaser's intended use of the Property will result in the Property benefitting the District and the community in ways other than economic)

THE DISTRICT RESERVES THE RIGHT TO REJECT ANY OR ALL SEALED BIDS

Best and Final Offer. The District reserves the right to request prospective purchasers to submit a best and final offer or to request prospective purchasers to respond to a request for clarification following the evaluation of the initial sealed bids. Either process may occur and will be at the sole discretion of the District. In the event that the District elects to request a best and final offer, it will notify the highest ranked prospective purchasers (up to a maximum of 5) in writing, request those prospective purchasers to submit their best and final offer, and provide a deadline for such offers. Best and final offers must be submitted on forms required by District in its notice and request for best and final offers.

Notification to Prospective Purchasers. The District will notify all prospective purchasers via electronic mail or U.S. Mail within fifteen (15) District business days after the sealed bid opening as to the status of their sealed bid and whether the District will request the prospective purchaser to submit a best and final offer. No oral statements or verbal acknowledgement of an award to a particular prospective purchaser shall create a contractual or other obligation on the part of the District.

Disposition of Earnest Money and Independent Consideration. If a prospective purchaser's sealed bid is accepted and an Agreement is awarded to that prospective purchaser by the District's Board of Trustees, the District will forward the cashier's check for the Earnest Money to the Title Company (Texas Regional Title) to be applied toward the Purchase Price at closing and will deposit and retain the Independent Consideration, which shall be non-refundable to the prospective purchaser. If a sealed bid is not accepted, the District will notify the prospective purchaser that its sealed bid was not accepted and inform the prospective purchaser regarding the process for return of the cashier's checks for the Earnest Money and Independent Consideration.
