- Section 3: CSP Requirements

SECTION 1: CSP OVERVIEW

1.1 CSP General Conditions:

The Beaumont Independent School District is requesting proposals to provide Boiler Upgrades to 11 area campuses.

This CSP is not an offer to contract. Acceptance of a proposal neither commits our company to award a contract to any supplier, even if all requirements stated in this CSP are met, nor limits our right to negotiate in our best interest. We reserve the right to contract with a supplier for reasons other than lowest price. We will thoroughly examine each proposal for best price, product quality, performance measures, flexibility, and customer support.

Proposals are to be made in good faith, without fraud, collusion, or connection of any kind with any other contractor for the same work. All bidders must complete in their own interest and in their own behalf. If you are subcontracting any portion of this agreement, you must identify the subcontractor in your proposal and agree that all subcontractors are bound to all terms and conditions of this CSP.

The supplier will absorb all costs incurred in the preparation and presentation of the proposal.

All suppliers who submit proposals will be notified of the results of the selection process.

BISD reserves the right to reject any or all proposals, in whole or in part, with or without cause, even if all the stated requirements are met. In addition, BISD may enter negotiations with one or more entities simultaneously and award a contract without notification. At the sole discretion of BISD, bidder presentations may be requested before award of the contract. BISD may also request the opportunity to conduct an on-site review of the supplier's facility and/or other locations where these services are provided, or a demonstration of the proposed technology.

1.2 CSP Purpose and Scope:

The successful respondent for this contract will be the sole authority and responsible party for this implementation. VENDOR COMPLIANCE TO STATE LAW

The 1985 Session of the Texas Legislature passed House Bill 620 relative to the award of contracts to nonresident bidders. This law provides that, in order to be awarded a contract as low bidder, nonresident bidders (out-of-State contractors whose corporate offices or principal place of business are outside of the State of Texas) bid projects for construction, improvements, supplies or services in Texas at an amount lower than the lowest Texas resident bidder by the same amount that a Texas resident bidder would be required to underbid a nonresident bidder in order to obtain a comparable contract in the State in which the nonresident's principal place of business is located. The appropriate blanks in Section A must be filled out by all out-of-State or nonresident bidders in order for your bid to meet specifications. The failure of out-of-State or nonresident contractors to do so will automatically disqualify that bidder. Resident bidders must check the box in Section B.

☐ A. Nonresident vendors in _____ (give State), our principal place of business, are required to be _____ percent lower than resident bidders by State law. A copy of the Statute is attached.

Nonresident vendors in _____ (give State), our principal place of business, are not required to underbid resident bidders.

☐ B. Our principal place of business or corporate offices are in the State of Texas.

CERTIFICATE OF INTERESTED PARTIES (FORM 1295)

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity

submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least $1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

Filing Process:

By January 1, 2016, the commission will make available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

Information regarding how to use the filing application will be available on this site by January 1, 2016.
https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

The Form 1295 will be completed by the awarded vendor upon notification by the District.

Please sign below agreeing that the authorized representative of your business will perform the requirements above.
