The review and evaluation of Vendor responses will determine the Provider(s) most capable of delivering the **"best overall value"** to the District, consistent with the requirements herein and as evidenced by the respondent's experience in providing the type and scope of services required within this Solicitation.

Depending on the number and quality of vendor responses received, the District anticipates a 2-Phased evaluation process to identify either a sole vendor or multiple vendors to be considered for contract award, as described herein:

6. STANDARD TERMS AND CONDITIONS

Proposers or authorized representatives are expected to inform themselves as to all terms and conditions, requirements, and specifications contained within this solicitation and associated documents prior to submitting a proposal. Failure to do so will be at the proposer's own risk.

In the event that the District selects a Vendor to provide the products and/or services required within this solicitation, a written Independent Contractor Agreement shall be executed between both parties prior to commencement of any services. Any Vendor submitting a proposal in response to this solicitation shall thoroughly review the District's ***General Terms & Conditions*** (**"General Terms & Conditions"**). These Standard Terms & Conditions shall be binding of the parties involved and shall be incorporated by reference into the contract resulting from this solicitation process.

7. SPECIAL TERMS AND CONDITIONS

In addition to the Standard Terms & Conditions referenced above, the following special terms and conditions (**"Special Terms & Conditions"**) shall apply to this solicitation and/or the resulting Agreement, where applicable. The District reserves the right to negotiate any price increase requests, but shall not be obligated to accept any price increases. Unless certain market conditions exist or industry standards change which may have a significant impact on the Vendor's costs associated with providing the products and/or services under the Agreement, any price increases shall be no greater than 3% over the previous year.

7.4. ASSIGNMENT. Subject to Section 7.5 (Pre-Existing Works and Third Party Materials), all works of authorship, designs, inventions, improvements, technology, developments, discoveries, and trade secrets conceived, made, or discovered by Vendor in the course of or as a result of or as proceeds of the Vendor's services provided to Beaumont ISD hereunder, whether solely or in collaboration with others (collectively, "Work Product") will be the sole property of Beaumont ISD. To the extent that ownership of the Work Product does not by operation of law vest in Beaumont ISD, Vendor will assign (or cause to be assigned) and does hereby assign to Beaumont ISD all right, title, and interest in and to the Work Product, including all related intellectual property rights, and waives all moral rights thereto.

7.5. FURTHER ASSURANCES. Vendor's obligation to provide assistance will continue after the termination or expiration of this Agreement.

7.6. PRE-EXISTING WORKS AND THIRD PARTY MATERIALS. If in the course of performing the Services, Vendor incorporates into any deliverable any intellectual property, including works of authorship, inventions, improvements, or proprietary information, or other materials owned by Vendor or in which Vendor has an interest (together, "Pre-Existing Works"), Vendor will grant and does now grant to Beaumont ISD a nonexclusive, royalty-free, perpetual, irrevocable, transferable, sublicensable, worldwide license to reproduce, manufacture, modify, distribute, use, import, and otherwise exploit the Pre-Existing Works as part of or in connection with the deliverable; provided that if the Pre-Existing

Works are subject to an existing open source software license and if the Vendor obtains the District's prior written consent to their inclusion in a deliverable, such Pre-Existing Works shall be licensed to the District on the terms of such license.

Vendor will not, without District's prior written consent, incorporate any Pre-Existing Works or third-party owned materials or open source materials into the Work Product. Additionally, Vendor has the right to grant to District the rights to Pre-Existing Works and third-party owned materials specified in this Agreement.

j. A Letter of Intent (LOI) will be sent to vendors upon board award and a formal contract will be executed between Beaumont ISD and contractor upon receipt of the NOGA.

7.18.2. In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

a. Contracts for more than the simplified acquisition threshold currently set at $250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

b. All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

c. Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

d. Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be

required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

e. Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

f. Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

VENDOR COMPLIANCE TO STATE LAW

The 1985 Session of the Texas Legislature passed House Bill 620 relative to the award of contracts to nonresident bidders. This law provides that, in order to be awarded a contract as low bidder, nonresident bidders (out-of-State contractors whose corporate offices or principal place of business are outside of the State of Texas) bid projects for construction, improvements, supplies or services in Texas at an amount lower than the lowest Texas resident bidder by the same amount that a Texas resident bidder would be required to underbid a nonresident bidder in order to obtain a comparable contract in the State in which the nonresident's principal place of business is located. The appropriate blanks in Section A must be filled out by all out-of-State or nonresident bidders in order for your bid to meet specifications. The failure of out-of-State or nonresident contractors to do so will automatically disqualify that bidder. Resident bidders must check the box in Section B.

☐ A. Nonresident vendors in _____ (give State), our principal place of business, are required to be _____ percent lower than resident bidders by State law. A copy of the Statute is attached.

Nonresident vendors in _____ (give State), our principal place of business, are not required to underbid resident bidders.

CERTIFICATE OF INTERESTED PARTIES (FORM 1295)

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least $1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

Filing Process:

By January 1, 2016, the commission will make available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

Information regarding how to use the filing application will be available on this site by January 1, 2016.
https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

The Form 1295 will be completed by the awarded vendor upon notification by the District.

Please sign below agreeing that the authorized representative of your business will perform the requirements above.
