Good morning,

My engineer and auditor had a couple of questions we are hoping you can clarify before we submit our final packet to you. Thank you in advance for your direction.

1. Sec 1:1 May we submit electronically? Sec 1:1 states No Electronic submissions will be accepted but below 1:1 (b) it states electronic submissions will be accepted. If so, what is the correct email address to send? Thank you.
2. Sec 1:15 Bond To clarify, bond is due only if awarded project? Thank you.
3. Sec 2:13 Maintenance Does BISD want a labor price per hour? All workmanship warranty will be listed in proposal and all product has a minimum of 5 year warranty. Thank you.

We will only be accepting hard copy bid responses for this package.

Bond is only necessary for awarded vendor.

There is no need to detail labor price per hour, but you will have to agree to adopt Davis-Bacon.
