

GREETINGS FROM MR. GONZALES

Greetings, Tiger Family!

Fall vibes are here! As the days get shorter and the leaves turn vibrant shades of red and gold, let's embrace the energy of this season. Fall is all about new beginnings—whether you're tackling challenging projects, diving into exciting sports, or preparing for winter. Here's to a dynamic and inspiring fall semester!

As high school demands grow, the importance of cooperation and communication among our administrators, teachers, parents, guardians, and the community becomes even more evident. At Hahnville High School, students will reflect on their experiences to identify their strengths and interests, guiding them in future career and educational decisions. Regardless of their post-secondary plans, HHS is committed to equipping our Tigers with the knowledge and skills needed to be future-ready.

In addition to our dedicated counselors, we utilize our School-to-Career support staff to provide exposure to college and workplace opportunities. As in the past, we will continue to focus on our Student Support Communities, offering lessons in personal finance, social-emotional learning, college and career exploration, as well as spirit activities that define what it means to be an HHS Tiger.

Hahnville High School remains dedicated to our core values of growth, integrity, and pride. As we implement various programs aimed at future readiness, we believe that embodying these values in words, actions, and thoughts will make future success attainable. With the first quarter behind us, the demands of 21st-century high school are increasing. I encourage you to stay connected with your child's teachers. You can access up-to-date grade information through the Parent Portal, and our teachers use School Status for ongoing communication about your child's progress.

If your child has faced challenges this year, hope is not lost! We offer the Hahnville Educational Learning Program after school at no cost, with bus transportation provided. Stay informed through our social media accounts on Twitter (@HahnvilleHigh), Instagram (@hahnvillehighschool), and Facebook (@hahnvillehighschool). Our school website is regularly updated with important information and celebrations (<https://hahnville.wearescpps.org/>) and includes several useful resources.

As we close out the first half of the fall semester, I look forward to our continued success and collaboration. Remember, as valuable members of the Tiger family, let's **"Prepare Today. Thrive Tomorrow."**

Counselors' Corner

Seniors, be sure to check the "Counselor" section under "Academics" on the HHS website for important college and scholarship information.

Senior parents, since the FAFSA is no longer a graduation requirement, we have met with your student to get them started by creating an FSA ID. The first step is to create an FSA ID for the student and one for the parent that will be completing the FAFSA with the student. The FAFSA application will open on December 1st. Be sure to complete the 2025-2026 application since that is when your student will attend college. Completing the FAFSA is how your student will qualify for TOPS money, student loans, work study programs or grant money for college.

Attention Seniors! The 2024-2025 HHS Community Scholarship Application will be collected as a Google Form. Students can access the link on their Counselor's 12th Grade Google Classroom. Please take the time to complete the Google Form application thoroughly in order to best qualify for scholarships that will be presented during Junior/Senior awards night. You must submit the Google Form before Sunday, January 5th at 11:59pm to be considered for HHS Community Scholarships.

IMPORTANT: If you would like to be considered for any of the financial need based scholarships then you **MUST** select an income (\$0-200,000+). Failure to select any dollar amount of income will eliminate you from consideration for any need based community scholarships. Also, certain scholarships **REQUIRE** proof of community service. Please make sure you have documentation of **ALL** proof of your listed community service. **YOU MUST BE READY TO PROVIDE THIS PROOF IMMEDIATELY IF SELECTED.** Please see Mrs. Dempster in AG7 or email Ms. Paige Walther at pwalther@wearescpps.org if you have questions.

Seniors, please submit a copy of any scholarship award letters or emails you received regardless if you accept them or not. This information is posted in the graduation program. You can submit also to Mrs. Angela Dempster at adempster@wearescpps.org

Parents, please know that planning for the scheduling of the next school year is in full swing. The counselors are working with students on completing their Individual Graduation Plans (IGPs) and determining the course requests for the next school year. It is always helpful when you take time to review the "Course Catalog" with your child and evaluate which electives he/ she would like to take. This document can be found online under "Academics". These courses are also posted in the Counselors' Google Classrooms.

Please make sure your students have joined the correct Counselor's Google Classroom. The counselors will use their Google Classrooms again this year to post important information and reminders to the students. If your student needs a Google Classroom code, please have them stop by the counseling office or email their counselor.

Our counseling department splits the students by last name. Don't hesitate to call or email if you would like to set up a meeting to discuss your student.

Safe Schools with Coach Boyne

Safety is our top priority here at Hahnville High School. We value the safety of our students and employees, and we will do everything possible to ensure that we protect our students, employees, and visitors. As such, we wanted to remind you of some of our safety initiatives:

- 1: Students, employees, and school visitors must wear ID badges at all times.
- 2: Students are not allowed to have or use their phones during instructional time. It is now a state law. If students are seen with their phones, they will be confiscated.
- 3: Students are not allowed to wear any garments with a hood attached to them; if seen, these garments will be confiscated from students and returned to the students at the end of the school day.

SSC Recap

During SSC this month, the students participated in an SEL (Social Emotional Learning) Screener. This screener allowed the students to answer questions based on their social emotional well-being. Their answers are confidential and can only be seen by our mental health professionals and their school counselor. Some students were issued passes to attend the healthcare career fair, while the others participated in an academic check-in. The students also participated in a future ready treasure hunt, and did activities based on their SSC interests.

Attendance Matters with Ms. Martin

Keep Your Child On Track in Middle and High School: Pay Attention to Attendance

Showing up for school dramatically impacts a student's academic success. Even as children grow older and more independent, families play a crucial role in ensuring students get to school every day and understand why attendance is so vital for success in school and on the job.

WHAT YOU CAN DO

- Talk about the importance of showing up to school every day.
- Help your children maintain daily routines, such as finishing homework and getting a good night's sleep.
- Remember, missing 5 or more days in full-credit classes will result in an automatic loss of credit.
- Frequent absences can indicate that a student is losing interest in school, struggling with school work, dealing with a bully, or facing other difficulties.
- By 9th grade, attendance predicts graduation rates better than 8th-grade test scores.
- Avoid scheduling dental and non-urgent related medical appointments during the school day.
- Keep your students healthy. Call your school or health care provider if you are concerned about a contagious illness.
- If your children must stay home because they are sick, ensure they have asked teachers for resources and materials to make up for the missed learning time in the classroom.

Notice: In 1986 all asbestos materials were identified in all school buildings. A management plan was developed for each school as per the Asbestos Hazard Emergency Response Act (AHERA). The management plan is located in a binder in the main office of each school. The binders are available for review upon request.

Since the plan was developed, most of the asbestos has been removed. In a few buildings, some floor tile still remains that contains asbestos. All of the schools meet the health requirements that pertain to the regulation. If you have any questions concerning this topic, please contact Kevin Barney, Director of Physical Plant Maintenance at 985-331-3600 between the hours of 7:00 a.m. and 4:00 p.m.

Message from SCPPS:

Due to federal regulations, HHS is responsible for notifying you annually of the Asbestos Hazard Emergency Response Act (AHERA) management plan at your school.

In compliance with Title VI, Title IX and Section 504 of the Rehabilitation Act of 1973, this Educational Agency holds the following policy:

This is an equal opportunity school and is dedicated to a policy of non-discrimination in employment or training. Qualified students, applicants or employees will not be excluded from any course or activity because of age, race, creed, color, sex, religion, national origin or qualified handicap. All students have equal rights to counseling and training.
