

LANDEEN ANCHOR NEWSLETTER

December 2024

Message from Principal Carrillo-Kelly

Mariner Families,

December is here, we are just about done with the first half of the year!

This month brings an extra layer of magic and celebration. We will be diagnosing our students' progress this month, with much joy to see their growth. We will reflect and enjoy the growth our students have made, big or small.

Thank you families for all you do for your student as your magic makes a big difference in their education. Please make sure to send your student to school every day, the next few week in December are very important for our students' progress.

Marla Carrillo-Kelly
Proud Landeen Principal
Go Mariners!

CHECK
lost & found

All clothing/items in lost & found will be donated at the end of December.

Mid-Year Assessments

Our mariner students are taking their mid-year assessments and they will need their computers for these assessments. They assessments help us evaluate their growth.

Please make sure to charge computers daily if your students bring them home.

December: Attendance Awareness

We have seen a big increase in the number of students who are absent or late to school. Please prioritize school for your student.

Establish a plan with your family to get your student to school every day and on time.

We will be celebrating our classes and students who have good and improved attendance.
