CHS Expansion Update

Crosby High School Expansion 12/01/24 Update

December 1, 2024 Update - This time next year, students will be learning in the 32 new classrooms and 8 labs inside what we call “Building A” of the expansion. We’ll also see welding and woodworking being taught in the new welding and carpentry labs that are part of “Building B.” Buildings A and B comprise the two components of the expansion on the southside of CHS. Building A is the new academic wing that will increase classroom space inside CHS by 50%. Building B is an expansion of the current CTE (Career and Technical Education) Center. We are happy to report the project remains on track for a Fall 2025 opening, and the expansion is meeting all budget targets.

The expansion does not only include the new additions, but we were able to find additional classroom space inside the current structure of Crosby High School. During a tour of the facilities last school year, the administration team found an unfinished LGI (Large Group Instruction) room on the second floor of CHS that was being used for storage. Now, as part of the overall project for the new high school addition, we are converting that storage space into additional classrooms. We are finding every possible space available to enhance the learning experience of the 2000+ students at CHS.

Track Resurfacing at Cougar Stadium

Construction crews are finalizing the work on the turf and track replacement at Cougar Stadium. The final phase of the project includes resurfacing the areas of the track that needed to be replaced due to wear and tear. We're happy to report the track resurfacing will be complete soon, and all re-striping will be completed in time for the soccer season.

Crosby ISD reserves the right, in its sole discretion, to refuse and/or restrict an individual's access as a Crosby ISD volunteer based on an individual's criminal history, in accordance with applicable law and Crosby ISD policies, specifically **Crosby ISD policy GKG**.

P3 Anonymous Alerts

campus

Crosby ISD utilizes the P3 Campus Alerts App for anonymous tip reporting. P3 stands for Protect, Prevent, Participate. The program is student-focused, as opposed to crime-focused, meaning it is a tool for alerting caring adults about students who need help—not snitching. This is part of our continuous effort to increase campus and student safety, and provide students with a safe, completely anonymous outlet to share concerns. You can make a report now in less than 5 minutes.

WHAT IS THE P3 CAMPUS ALERT APP?
The P3 Campus Alerts App is a reporting system to help combat bullying and other safety concerns by empowering students or parents to make anonymous reports. The system allows for one-way or two-way anonymous encrypted communications between submitters (students or parents) and campus/district administration and school staff. Users have the option to remain anonymous or include their identity when submitting a report.

HOW TO ACCESS THE APP
Send reports over web or internet
You can also download the P3 Campus app for your mobile phone
Apple Store
Google Play

HOW TO SEND A REPORT
To send reports over the internet, go to **www.p3campus.com**
To send a report from your phone:

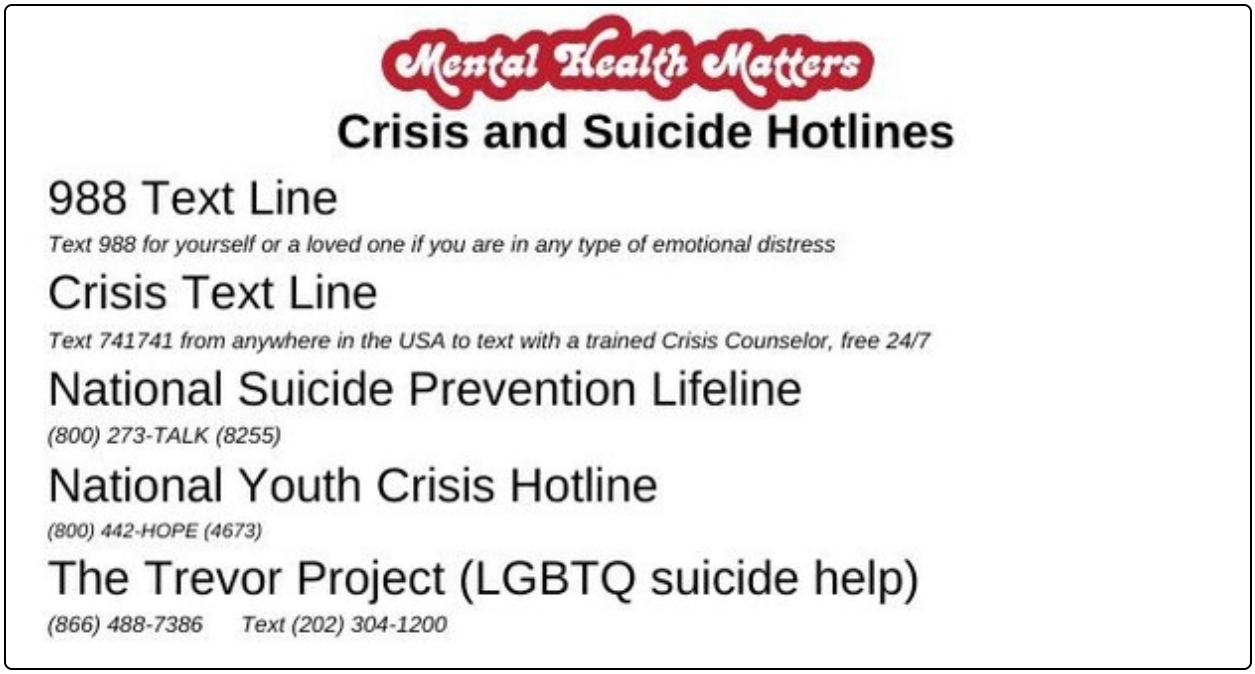

- Download the P3 Campus Alerts app for free from the Apple Store or Google Play.
- Start the app.
- Select Crosby ISD Submit report
- Add screenshot, photo, or video about the incident

HOW ALERTS ARE HANDLED
Reports will be addressed by a trained team of school officials and law enforcement, when necessary. Reports are monitored 24/7 to ensure that time-sensitive matters are dealt with promptly. Reports made through the P3 Campus mobile app, unlike SMS text reports, have no length limitations or the need to remember a short code. Additionally, when reporters use the mobile app, they are noti ed when action has been taken on their report, which demonstrates the value of their time and concern. In both the web browser and app form, reporters can attach photos, screenshots, videos, documents or audio r

Free or reduced meal benefits from the 2023-24 School Year will expire on September 23, 2024. Families should apply now to ensure their student or students continue to receive free or reduced meal prices. If you have not applied this year, please scan the QR Code above or use this link: **www.schoolcafe.com/crosbyisd**. You will be directed to the SchoolCafé application for the 2024-25 School Year. Each household needs to submit only **one** application. Submitting additional applications slows down the application process and can cause benefit denials. Parents can easily access the application link on their SchoolCafé account or by visiting **www.schoolcafe.com/crosbyisd**.
