November 4, 2024

Dear Bexley High School & Middle School Families:

[College Credit Plus](#) (CCP) is Ohio's dual enrollment program, providing students in grades 7-12 the opportunity to earn both college and high school credits at the same time by taking courses from Ohio colleges or universities. The purpose of this program is to enhance students' career readiness and postsecondary success, while providing a wide variety of options to college-ready students, at no or limited costs to students and families.

Students may earn up to a maximum of 30 credit hours during each CCP calendar year (summer, fall, and/or spring) and up to 120 credit hours prior to graduation. For more information, please visit the [Ohio Department of Educations \(ODE\) College Credit Plus](#) website.

**CCP is entirely voluntary and students are not required to participate under any circumstances. Students who choose to participate in CCP coursework are responsible to meet all program requirements, responsibilities, and ultimately the course(s) outcome.**

Per the *Ohio Administrative Code* regarding student eligibility requirements ([rule 3333-1-65.14](#)), students must be in grade 7-12 and meet one of the following criteria:

- (a) Obtain a [qualifying score](#) (remediation-free) on one of the standard assessment exams ([ACT](#) / [SAT](#)) or approved placement tests such as the [Accuplacer](#); or
- (b) Has a cumulative unweighted high school grade point average of at least 3.00; or
- (c) Has a cumulative unweighted high school grade point average of at least 2.75 but less than 3.00 and received an "A" or "B" in a relevant high school course.

Each year, families have the opportunity to complete a [Letter of Intent to Participate in College Credit Plus Form](#), which is required to remain eligible to participate under Option B (school-funded) for the upcoming summer, fall, and/or spring semesters. No further action is required for students who are not interested in the program.

(continued on the following page)

## Next Steps

Students interested in the program for the upcoming CCP calendar year (summer / fall 2025, spring 2026) should complete the following steps:

1. **Review** the [College Credit Plus Information & Planning Guide](#) and [College Credit Plus Website](#)
2. **Attend** the [College Credit Plus Informational Webinar](#) on **Wednesday, December 11th from 6:30 - 7:30 pm**, hosted by the *Educational Service Center of Central Ohio* (ESC). The webinar will include a panel of CCP coordinators from area colleges and universities providing general and school-specific information regarding the CCP program.
3. **Submit** the [Letter of Intent to Participate Form](#) by the annual **April 1 deadline**.
4. **Apply** directly to the CCP program with the institution of higher education (IHE), and complete all application requirements. Please note some CCP programs have summer application deadlines as early as January leading up to the summer academic term.

For additional information or assistance, please contact the student's current school counselor in the [middle school](#) (current 6th - 8th grade students) or in the [high school](#) (current 9th - 12th grade students).

Sincerely,

Jason Caudill  
Principal, Secondary Schools
