Tiger Family,

We are looking forward to an awesome week. Please see updates below!

Affirmations

An affirmation plays an important role in our thought process. Affirmations are great for motivation, inspiration, and self-talk to help us reach our full potential. Each week a new affirmation will be shared with students. This week's affirmation is below.

"I learn from my mistakes and become better each time."

Attendance

It is imperative that you read our Attendance Guidelines so that you are informed of our expectations, procedures, and protocol. Please view the guidelines [here](#). This document provides information about truancy, promotion/retention, principal approved absences and more! I am sharing a few reminders that are outlined in the guidelines as well.

- Principal approved absences are not granted at the high school level.
- Students must bring in a parent note by 8:20 a.m. to receive a dismissal slip for early dismissal. If students do not bring an early release note to the attendance office by 8:20 a.m., parents must come in to sign students out. CHS will not allow parents to call or email the attendance office to release their student except in emergencies. If it is an emergency, the parent will be required to speak with the grade-level administrator for approval.

Safety Guidelines

All visitors must report to the main office. Please discuss the importance of school safety with your students. The guidelines below should be adhered to at all times:

- Students are not to open exterior doors for visitors.

- Students should never prop open an exterior door with objects or intentionally leave an exterior door ajar. Exterior doors should be pulled closed and locked at all times, except during transition.
- All safety drills are to be taken seriously. Students should conduct themselves in an orderly fashion and take direction from staff members.
- Along with the district, we have adopted the “I Love U Guys” Foundation’s Standard Response Protocol. The standard response protocol utilizes clear common language for emergency situations. It is important that students and staff familiarize themselves with this protocol. Our standard response protocol can be found [here](#) in English and [here](#) in Spanish. This information was previously emailed by Mr. Hamilton, our safety coordinator.

Scholarship Site

It is very important that seniors take advantage of scholarships. Please find our scholarship website [here](#). Our scholarships can be accessed by the deadlines. Please bookmark this page.

Student Opportunity Site

We often receive information about competitions, leadership opportunities, employment, etc. We have organized these opportunities on a page so that parents and students can access this information. Please visit our Student Opportunity Page [here](#) to see available opportunities. Please bookmark this page.

Tutoring

If your student needs tutoring, they are encouraged to attend Tiger Tutoring in the media center each Monday, Wednesday, and Thursday. Students who attend Tiger Tutoring can also use tutoring hours for attendance makeup.
