REMINDERS

We are ready for the holiday season! As it's getting closer to the colder weather, Kid'sZone is open on weather inclement days over at Liberty Oaks Elementary School from 7AM-5:30PM! If we have any inclement weather days this year and you are still needing child care you are more than welcome to bring your kiddo :)

If you have any questions or concerns regarding weather inclement days/full days please reach out to the KZ Office!
