The priority of its functions shall be the release of District news and information to the public in a timely, clear and appropriate manner commensurate with the District standards.

## Community Relations

**SUBJECT: FLAG DISPLAY**

In keeping with State Education Law and Executive Law, the Board accepts its duty to display the United States flag upon or near each public school building during school hours, weather permitting, and such other times as the statutes may require or the Board may direct.

When ordered by the President, Governor, or local official, to commemorate a tragic event or the death of an outstanding individual, the flag shall be flown at half-staff. The Superintendent's approval shall be required for the flag to be flown at half-staff upon any other occasion, such as the death of a present member of the Board, employee, or student. Regulations for seeking such approval shall be established in the Administrative Manual of the District.

**SUBJECT: SCHOOL VOLUNTEERS**

Volunteers are persons who are willing to donate their time and energies to assist building principals, teachers, and other school personnel in implementing various phases of school programs. Volunteers will serve in that capacity without compensation or employee benefits except for liability protection under the District's insurance program. This policy does not pertain to individuals who are performing activities for PTSA, coaches or those who are engaging in short-term classroom activities supported by the teacher or building principal.

An application must be filled out by each prospective volunteer and forwarded to the District Office for evaluation. The building principal will forward their decisions concerning selection, placement and replacement of volunteers to the Superintendent for final evaluation. Following approval from the Superintendent or their designee, volunteers selected for work in the District will be placed on the list of approved volunteers. However, the Superintendent retains the right to approve or reject any volunteer applications submitted for consideration.

NOTE: Refer also to Policy #6540 -- Defense and Indemnification of Board Members and Employees

**SUBJECT: CHARTER SCHOOLS**

A charter school is a public school financed through public local, state and federal funds that is independent of the local school boards. The local school district within which the charter school is located has the right to visit, examine, and inspect the charter school for compliance with all applicable laws, regulations, and charter provisions.

Charter schools may be located in part of an existing public school building, a private work site, a public building, or any other suitable location. At the request of the charter school or prospective applicant, the District will make available a list of vacant and unused school buildings and vacant and unused portions of school buildings, including private school buildings, within the District which may be suitable for the operation of a charter school.

**Academic Credit**

The District's high school(s) may accept academic credit from students who transfer from the charter school as authorized and/or permitted in accordance with law, Commissioner's regulations, and local District standards. Either the charter school or the local School Board may issue a high school diploma upon students' graduation from a charter school depending on the charter school's relationship with the Board.

**Educational Materials**

Students attending a charter school have the same access to textbooks, software, and library materials loaned by the District as if enrolled in a nonpublic school. Within available District inventory and budgetary appropriations for purchase of these materials, the District is required to provide these materials on an equitable basis to all public school students and to all nonpublic school and charter school students who are residents of the District or who attend a nonpublic or charter school in the District. The base year enrollment of students in the charter school may be claimed by the District for the purposes of textbook, software, and library materials aids, in the same manner as nonpublic school enrollments are claimed.

**Transportation**

For the purpose of transportation, charter schools are considered nonpublic schools. Students attending charter schools who reside within a 15 mile radius of the charter school (or a greater radius if the voters of the district of residence have approved nonpublic transportation for more than 15 miles) will receive transportation from their district of residence on the same basis as nonpublic school students; that is, subject to the applicable minimum mileage limits for transportation in the district of residence, and the requirement of the timely filing of the request for transportation in accordance with Education Law.

(Continued)

**SUBJECT: CHARTER SCHOOLS (Cont'd.)**

A student cannot be dually enrolled in the charter school and District schools. However, the district of residence of students attending a charter school may, but is not required to, allow those students to participate in athletic and extracurricular activities.

**Special Education**

Special Education programs and services will be provided to students with disabilities attending a charter school in accordance with the individualized education program recommended by the Committee or Subcommittee of Special Education of the student's district of residence. The charter school may arrange to have these services provided by the district of residence or by the charter school directly or by contract with another provider. Where the district of residence provides the special education programs or services, they will be provided in the same manner as provided to students in other public schools in the District. This includes the provision of supplementary and related services on site to the same extent the District's policy and practices provide such services on the site of other public schools.

**Employees**

All employees of a public school converted to a charter school are included within the negotiating unit for the local school district, but the collective bargaining agreement of that negotiating unit may be modified by a majority vote of the members who work at the charter school, with the approval of the Board of Trustees of the charter school.

Instructional employees of a charter school which has not been converted from an existing public school and which has more than 250 students during the first year of instruction will be represented in a separate negotiating unit at the charter school by the same employee organization representing similar employees in the local school district. Employees may be included in the Teachers' Retirement System and other retirement systems open to employees of the District. Financial contributions for these benefits are the responsibility of the charter school and the charter school's employees.

**Leaves of Absence**

A teacher employed by the District may make a written request to the Board for an extended leave of absence to teach at a charter school. Approval for such a leave of absence for a period of three years or less will not be unreasonably withheld. If this approval is granted to a teacher by the District, the teacher may return to teach in the District during the period of leave without the loss of any right of certification, retirement, seniority, salary status, or any other benefit provided by law or by collective bargaining agreement. If an appropriate position is unavailable, the teacher's name will be placed on a preferred eligible list of candidates for appointment to a vacancy that may occur after in an office or position similar to the one the teacher filled in the District immediately prior to the leave of service.

(Continued)

**SUBJECT: CHARTER SCHOOLS (Cont'd.)****Charter School Finances**

The enrollment of students attending charter schools will be included in the enrollment, attendance and, if applicable, count of students with disabilities of the school district in which the charter school student resides. The charter school will report all of this data to the districts of residence in a timely manner for reporting to the State Education Department (SED). The school district of residence will pay directly to the charter school for each student enrolled in the charter school the basic tuition as determined by the Commissioner of Education as set forth in Education Law. The district of residence must forward these payments to the charter school in six substantially equal installments each year beginning on the first business day of the months of July, September, November, January, March, and May.

Approved operating expenses include the essential operating cost of the District. Excluded are costs for transportation, debt services, construction, tuition payments to other school districts, some BOCES payments, cafeteria or school lunch expenditures, balances and transfers, rental income from leased property, and certain other limited categories unless otherwise authorized by the State Charter School Facilities Incentive Program.

Charter school financing in the first year of operation will be based on the number of students projected to be served by the charter school and the approved operating expenses of the district of residence of those students. Adjustments will be made in each subsequent year based upon the final report by the charter school of actual enrollment.

Federal and State aid attributable to students with disabilities are required to be paid to a charter school by the school district of residence for those students attending the charter school in proportion to the services the charter school provides such students directly or indirectly. Payment of federal aid attributable to a student with a disability attending a charter school must be made according to the requirements set forth in federal law and regulations. Failure by the District to make required payments will result in the State Comptroller deducting the required amounts from State funds due to the District and paying them to the charter school.

The District, the charter entity, and the State are not liable for the debts of the charter school.

**Notice and Hearing Requirements**

The New York State Board of Regents is required to provide the District information on the charter school process. If a charter school is proposed, the charter entity and the Board of Regents will notify the school district in which the charter school is located and public and nonpublic schools in the same geographic area as the proposed charter school at each significant stage of the chartering process.

(Continued)

**SUBJECT: CHARTER SCHOOLS (Cont'd.)**

This notification will be provided by the charter entity within 30 days of its receipt of an application for formation of a new charter school or for renewal of an existing charter school and at least 45 days prior to initial approval of the charter application by the charter entity.

Before a charter is issued, revised, or renewed, the school district in which the charter school is located will hold a public hearing to solicit comments from the community potentially impacted by the proposed charter school. When a revision involves the relocation of a charter school to a different school district, the proposed new school district will also hold a hearing. The school district will, at the time of its dissemination, provide the SED with a copy of the public hearing notice.

No later than the business day next following the hearing, the school district will provide written confirmation to both the charter entity and the SED of the date and time the hearing was held. Copies of all written records or comments generated from the hearing will be submitted to the charter entity and the SED within 15 days of the hearing.

The school district will also be given the opportunity to comment on the proposed charter to the charter entity. The charter entity will consider any comments raised and submit them to the Board of Regents with the application for issuance, revision, or renewal of a charter.

In the event the school district fails to conduct a public hearing, the Board of Regents will conduct a public hearing to solicit comments from the community in connection with the issuance, revision, or renewal of a charter.

District facilities may be used for outside educational events upon approval of the District.

NOTE: Refer also to Policy #3280 -- Use of School Facilities, Materials, and Equipment

**SUBJECT: MEDIA RELATIONS: STUDENT AND STAFF INTERVIEWS,  
PHOTOGRAPHS AND VIDEOTAPES**

This policy applies to representatives of news media agencies and govern media access to students and staff during instructional hours and/or school activities whether occurring on or off school grounds. This policy does not apply to general media coverage of any events of public interest (such as an athletic event, lecture, school play, Board meetings, and the like) regardless of the time and location of such public interest events.

**Authorization**

The Director of Communications and the principal or his/her designee will work together prior to granting media access to individual students, including determining the purpose and length of access time. Where permission is granted, media representatives will be permitted access to the school building and/or students provided the presence of such representatives will not unduly disrupt the educational operations or instructional activities of the school.

Media representatives must receive prior authorization from the Communications Office to gain access to District property. If the Director of Communications or his/her designee has concerns as to the nature of the requested media access, the Director of Communications/designee should contact the Superintendent for further direction. If approved, media representatives must report to the main office of the building to which access is requested in order to obtain a visitor's badge.

Parental/guardian permission for their child's appearance in public relations releases is assumed unless a parent sends a letter to their child's building principal to opt out. Parents are notified annually of this provision in the District newsletter. However, if the child is to be identified by name, parental/guardian consent may be obtained prior to the granting of media permission, as well as for subsequent publications. In such instances, parents/guardians may be advised of the use and ultimate disposition of the interview, photograph and or videotape to assist them in making their decision. If the student from whom the information is sought by the media does not want to be interviewed, photographed and/or videotaped, or if the parent/guardian of the student denies permission for media access to his/her child, such access will be denied by the Director of Communication.

Employees of the District should not contact the media directly about school district matters. If an employee is contacted by the media, he/she should direct them to the Communications/Public Information Office. Only the Director of Communications, Superintendent or others approved by the Superintendent or designee may speak on behalf of the District on any matter.

In addition, employees of the Pittsford Central School District are not District spokespeople, nor do they have the right to speak on behalf of the District on any matter.

**Time and Location of Access**

Media access to public events shall be limited to the specific location and immediate surrounding areas where such public event is taking place.

(Continued)

**SUBJECT: MEDIA RELATIONS: STUDENT AND STAFF INTERVIEWS,  
PHOTOGRAPHS AND VIDEOTAPES (Cont'd.)**

The Director of Communications may place reasonable limitations on the length of any media access to students. Media access of public events shall be restricted to the time periods for such events, along with a reasonable time period prior to and after the activity.

**Violations of District Regulations**

Any person who violates District rules and regulations governing the maintenance of public order on school property and/or media access to students shall be subject to appropriate sanctions including, but not limited to, suspension of access privileged by the Superintendent/Board of Education.

**SUBJECT: WEBSITE ACCESSIBILITY**

The District is committed to making information on its website accessible to all online visitors, including those individuals with hearing, vision, or cognitive disabilities, so that they have equal opportunity to obtain the same results, gain the same benefits, and reach the same levels of achievement.

The District has undertaken good-faith efforts to ensure that its website complies with the current New York State standards on website accessibility, which include conducting a regular and thorough audit of online content and functionality. The District will make all reasonable efforts to ensure that all new, newly added, or modified online content and functionality will be accessible to people with disabilities.

The District will consider the educational opportunities and benefits it provides through technology, how its technology provides these opportunities and benefits, whether the technology exists in a format that is accessible to individuals with disabilities, whether the technology can be modified, and the availability of a different technological device in making decisions that may affect access to its website. The District may address specific pages, information formats, or features; it may expressly identify the pages or information that may be deciphered by screen readers; and it may specify any readers that may need downloading on its website. Moreover, the District may provide links to information or features on its website to further assist users.

**Access Notice**

The District will post a notice on its website about how users may request access to information that they believe is not currently accessible. The District may request that users provide their name, email address, phone number, a description of the problem they experienced, and the location of the information they tried to access. The District will make all reasonable efforts to provide inaccessible information in an alternative format.

**Accessibility Contact Person**

The District will designate a webmaster that website users may contact if they experience accessibility issues. The District will post contact information and specify how to contact this person on its website home page.

**Exemptions**

The District may conclude that features, programs, applications, or activities on its website are not accessible if making them accessible would cause them to be fundamentally altered, or when ensuring accessibility would result in an undue financial and administrative burden. The District will maintain all documents supporting its exemption determinations as required by law.

(Continued)

**SUBJECT: WEBSITE ACCESSIBILITY (Cont'd.)****Training**

The District will provide website accessibility training as necessary to appropriate personnel, including any website content developers, webmasters, and procurement officials, and all others who develop, load, maintain, or audit its web content or functionality.

**SUBJECT: VISITORS TO THE SCHOOL**

Visits or inspections of District classes or facilities will be conducted with the permission and knowledge of the supervisory personnel responsible for said operation.

During school hours, all visitors to the school(s) must report to the main office or security desk and present acceptable photo identification. An expiring visitor badge will be issued and must be worn at all times when in the school(s). Upon entry to a school, Board members and staff members from other buildings will report to the main office and obtain a visitors pass or present or wear their District identification badge.

Visitations to classrooms for any purpose require permission in advance from the building principal in order to allow teachers the opportunity to arrange their schedules to accommodate such requests. All visitors must comply with the District's *Code of Conduct*.

**Electronic Visitor Management System**

The District utilizes an electronic visitor management system (EVMS) in order to ensure the safety and welfare of its students, staff, and guests. When any visitor, including parents and volunteers, wishes to enter any school building during school hours, he or she must present a valid state or government issued photo ID, such as a valid driver's license. Prior to entry being permitted, the EVMS will check visitors against known sexual offender databases. Once the visitor's ID is scanned, the EVMS will print a visitor's badge which must be worn throughout the duration of the visit. Visitors should return this badge at the end of their visit so that they may be checked out of the building in a timely fashion. Visitors who refuse to produce IDs or fail the check of sexual offender databases, may be asked to either wait in the school building lobby or to leave school premises.

**Service Animals**

For the purpose of this policy, a service animal is defined as any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. Other species of animals, whether wild or domestic, trained or untrained, will not be considered service animals.

The work or tasks performed by a service animal must be directly related to the individual's disability. The crime deterrent effects of an animal's presence and the provision of emotional support, well-being, comfort, or companionship do not constitute work or tasks for the purposes of this definition.

The Superintendent of Schools/designee will create regulations regarding the use of service animals on school grounds by individuals with disabilities. Procedures for permissible inquiries, responsibilities of handlers, inquiries of service procedures and the District's right to exclusion will be outlined in such regulations.

28 CFR Sections 35.104, 35.136, 35.139

**Therapy Dogs**

For purposes of this policy, a therapy dog is defined as a dog that has been trained, evaluated, and certified to work with a handler to provide affection and comfort to individuals in a variety of settings including schools. A handler is defined as an individual that has been trained, evaluated, and certified to work with a particular therapy dog. Therapy dogs are not covered by the same laws that protect service animals.

Although there is no formal identification or certification for therapy dogs, the District requires that any therapy dog and accompanying handler permitted on school grounds to be certified by an American Kennel Club (AKC) recognized therapy dog organization such as Therapy Dogs International. Further, the therapy dog must not pose a health and safety risk to any individual on school grounds. In order to use a therapy dog in the District, a written request must be submitted to the Superintendent or designee. The request must include the following:

(Continued)

**SUBJECT: USE OF ASSISTANCE ANIMALS (Cont'd.)**

- a) General information about the proposed use of the therapy dog including when and where;
- b) Personal information about the therapy dog and handler including name, address, and phone;
- c) Copies of the therapy dog's:
  - 1. Current licensure from the local licensing authority;
  - 2. Vaccination and immunization records from a licensed veterinarian;
- d) Copy of a certification from an AKC recognized therapy dog organization;
- e) Copy of an insurance policy that provides liability coverage for the work of the therapy dog and handler while on school grounds and names the District as an additional insured.
- f) Certification from the handler that, while on school grounds, the therapy dog, will:
  - 1. Be clean, well-groomed, and free of parasites, illness, or injury;
  - 2. Remain under the handler's control through the use of a leash or other tether unless the use of a leash or other tether would interfere with the therapy dog's service;
  - 3. Be supervised and accompanied by the handler;
  - 4. Wear a therapy dog ID and/or a bandana;
  - 5. Not disrupt the educational process by excessive barking or any other behavior;
  - 6. Only go to locations that have been authorized by District administrators;
  - 7. Be fed, exercised, and cleaned-up after by the handler.

Additionally, handlers who are not employed by the District must comply with all requirements for volunteers in the District. Volunteers will work under the supervision of appropriate staff and are expected to comply with all District rules and regulations.

A new request must be submitted for each proposed use of a therapy dog. There must be one request for each dog. In no case will a request for the use of a therapy dog be valid for more than one school year. The number of therapy dogs shall not exceed two at an elementary school building or three at a secondary school building at any one time, during regular school hours.

(Continued)

**SUBJECT: USE OF ASSISTANCE ANIMALS (Cont'd.)**

The District reserves the right to deny a request for the use of a therapy dog for any reason. Once a request has been granted, the District reserves the right to exclude a therapy dog from school grounds for any reason including, but not limited to, the therapy dog:

- a) Presenting a direct and immediate threat to others;
- b) Not being under the handler's control;
- c) Interfering with the educational process;
- d) Going into a location in the District that has not been authorized by District administrators.

If any individual suffers an allergic reaction while in the presence of a therapy dog, the District will require the handler to move the therapy dog to a different location designated by a District administrator.

The handler of a therapy dog is solely responsible and liable for any damage to school property or any injury caused by the therapy dog. Further, the District bears no financial responsibility for the required training, care, or feeding for the therapy dog.

The Superintendent or designee will ensure that parents are notified prior to any therapy dog being permitted on school grounds.

**SUBJECT: PUBLIC COMPLAINTS**

Complaints by citizens regarding any facet of the school operation often can be handled more satisfactorily by the administrator in charge of the unit closest to the source of the complaint. In most instances, therefore, complaints will be made to the building principal and/or his or her assistant if the matter cannot be resolved by the teacher, coach, or other school employee.

If the complaint and related concerns are not resolved at this level to the satisfaction of the complainant, the complaint may be carried to the Superintendent or their assistant. Unresolved complaints at the building level must be reported to the Superintendent by the building principal. The Superintendent may require the statement of the complainant in writing.

The Superintendent may, but is not required to, address anonymous complaints. All other complaints and related concerns that are not resolved at the Superintendent level to the satisfaction of the complainant may be carried to the Board. Unresolved complaints at the Superintendent level must be reported to the Board by the Superintendent. The Board reserves the right to require prior written reports from appropriate parties.

The District's administrators shall review all messages and materials prior to authorizing their dispersal through the student body.

**SUBJECT: PARENT-TEACHER ASSOCIATION**

The Board recognizes and supports the objectives and activities of the National Parent-Teacher-Student Association. **SUBJECT: BOOSTER CLUBS**

Booster clubs or other related organizations may be created to promote community support and to raise funds for specific school activities or programs. These groups must receive official Board approval and may not discriminate on the basis of sex, sexual orientation, color, national origin, ethnic background, disability, religion or any other arbitrary criteria.

Rules and regulations will be established to govern the activities of booster clubs and other related organizations. The Board further requires that:

- a) Financial records be maintained and made available, upon request, for Board and/or public inspection;
- b) Fund raising activities be approved in advance by the Superintendent; and
- c) Groups wishing to make a contribution adhere to the District's policy and regulations regarding the acceptance of gifts.

Violations to District policy or regulations may result in the dissolution of the club or organization.

New York State Civil Rights Law Section 40-c

**SUBJECT: SOLICITATION OF CHARITABLE DONATIONS FROM SCHOOL CHILDREN**

Direct solicitation of charitable donations from children in the District schools on school property during regular school hours shall not be permitted. It will be a violation of District policy to ask District school children directly to contribute money or goods for the benefit of a charity during the hours in which District students are compelled to be on school premises.

However, this policy does not prevent the following types of fund raising activities:

- a) Fund raising activities which take place off school premises, or outside of regular school hours during before-school or after-school extracurricular periods;
- b) Arms-length transactions, where the purchaser receives a consideration for his/her donation. For example, the sale of goods or tickets for concerts or social events, where the proceeds go to charity, shall not be prohibited as the purchaser will receive consideration - the concert or social event - for the funds expended;
- c) Indirect forms of charitable solicitation on school premises that do not involve coercion, such as placing a bin or collection box in a hallway or other common area for the donation of food, clothing, other goods or money. However, collection of charitable contributions of food, clothing, other goods or funds from students in the classroom or homeroom is prohibited.

The Superintendent or designee shall ultimately decide which organizations, groups, etc. can solicit charitable donations and for what purposes, as long as the activities comply with the terms of this policy and the Rules of the Board of Regents.

Regulations shall be developed by the administration to implement this policy.

- b) The schools may use films or other educational materials bearing only simple mention of the producing firm;
- c) The Superintendent may, at his/her discretion, announce or authorize to be announced, any lecture or other community activity of particular educational merit;

- e) An agreement with a commercial vendor for the exclusive right to sell its beverages on campus, known as a "pouring rights" contract, may be permissible if the contract complies with all applicable New York State laws, including but not limited to the state constitution, the competitive bidding requirements of the General Municipal Law, and other applicable laws.
- f) The Superintendent may, in conjunction with a capital project or District strategic planning initiative, and with approval of the Board of Education, approve the display of an individual's or organization's name, mark or logo, as an acknowledgment for a benefit received by the District which the Board deems promotes the education or other best interests of the students, and where any benefit derived by the display acknowledging an individual's or organization's name, mark or logo is merely incidental to the benefit conferred on the District. Prior to such approval by the Board, a rendering, created by either an architect/engineer or District staff, must be submitted showing the actual colors, image(s) and scope of the display. The District reserves the right to alter, replace, eliminate or otherwise place reasonable conditions and restrictions and on the display of an individual's or organization's name, mark or logo, including, but not limited to, the size colors, image(s), scope, location and duration of the display.

The Superintendent shall have the authority to make exceptions to this policy in cases where such solicitation is considered to be in the District's best interest. **SUBJECT: USE OF SCHOOL FACILITIES, MATERIALS, AND EQUIPMENT****School Facilities**

It is the policy of the Board to encourage the greatest possible use of school facilities for community-wide activities, including those uses permitted by New York law. Individuals and groups wishing to use the school facilities must secure written permission from the Board or its designee and abide by the rules and regulations established for use including restrictions on alcohol, tobacco and drug use. All visitors must comply with the District's *Code of Conduct*.

**Materials and Equipment**

Except when used in connection with, or rented under provisions of Education Law Section 414, school-owned materials or equipment may be used for school-related purposes only. Private or personal use of school-owned materials and equipment is strictly prohibited. The loan of equipment and materials for public purposes that serve the welfare of the community is allowed, as long as the equipment is not needed at that time for school purposes and that the proposed use will not disrupt normal school operations.

Renting organization must provide their own AED to be available at all times during rentals for outside use per location. The renting organization must have at least one AED certified person on-site per location during facility rental.

The Board will permit school materials and equipment to be loaned to staff members when such use is directly or peripherally related to their employment, and to students when the material and equipment is to be used in connection with their studies or extracurricular activities. Community members will be allowed to use school-owned materials and equipment only for educational purposes that relate to school operations. The Board will also allow the loan of equipment to local governments and other entities that benefit the welfare of the surrounding community. The Board supports this inter-municipal cooperation as it saves taxpayer monies and is a more efficient use of scarce or costly equipment and resources.

Pittsford Central School District Adopted: 11/22/04  
Revised: 5/18/12

**SUBJECT: NON-DISCRIMINATION AND ANTI-HARASSMENT IN THE DISTRICT****Overview**

The District is committed to creating and maintaining an environment which is free from discrimination and harassment. This policy addresses complaints of discrimination and/or harassment made under applicable federal and state laws and regulations, as well as any applicable District policy, regulation, procedure, or other document such as the District's *Code of Conduct*. It is just one component of the District's overall commitment to maintaining a discrimination and harassment-free educational and work environment.

In accordance with applicable federal and state laws and regulations, the District does not discriminate on the basis of any legally protected class or category in its education programs and activities or when making employment decisions. Further, the District prohibits discrimination and harassment on school property and at school functions on the basis of any legally protected class including, but not limited to:

- a) Race;
- b) Color;
- c) Religion;
- d) Disability;
- e) National origin;
- f) Sexual orientation;
- g) Gender identity or expression;
- h) Military status;
- i) Sex;
- j) Age; and
- k) Marital status.

The District adopts this policy as part of its effort to provide for the prompt and equitable resolution of complaints of discrimination and/or harassment. The District will promptly respond to reports of discrimination and/or harassment, ensure that all investigations are conducted within a reasonably prompt time frame and under a predictable fair grievance process that provides due process protections, and impose disciplinary measures and implement remedies when warranted.

(Continued)

**SUBJECT: NON-DISCRIMINATION AND ANTI-HARASSMENT IN THE DISTRICT  
(Cont'd.)**

Inquiries about this policy may be directed to the District's Civil Rights Compliance Officer(s) (CRCO(s)).

Scope and Application

This policy outlines the District's general approach to addressing complaints of discrimination and/or harassment. This policy applies to the dealings between or among the following parties on school property and at school functions:

- a) Students;
- b) Employees;
- c) Applicants for employment;
- d) Paid or unpaid interns;
- e) Anyone who is (or is employed by) a contractor, subcontractor, vendor, consultant, or other person providing services pursuant to a contract in the workplace;
- f) Volunteers; and
- g) Visitors or other third parties.

Further, discrimination and/or harassment that occurs off school property and somewhere other than a school function can disrupt the District's educational and work environment. This conduct can occur in-person or through phone calls, texts, emails, or social media. Accordingly, conduct or incidents of discrimination and/or harassment that create or foreseeably create a disruption within the District may be subject to this policy in certain circumstances.

Other District policies and documents such as regulations, procedures, collective bargaining agreements, and the District's *Code of Conduct* may address misconduct related to discrimination and/or harassment and may provide for additional, different, or more specific grievance procedures depending on a number of factors including, but not limited to, who is involved, where the alleged discrimination and/or harassment occurred, and the basis of the alleged discrimination and/or harassment. These documents must be read in conjunction with this policy.

The dismissal of a complaint under one policy or document does not preclude action under another related District policy or document.

(Continued)

**SUBJECT: NON-DISCRIMINATION AND ANTI-HARASSMENT IN THE DISTRICT  
(Cont'd.)**

**Definitions**

For purposes of this policy, the following definitions apply:

- a) "School property" means in or within any building, structure, athletic playing field, playground, parking lot, or land contained within the real property boundary line of any District elementary or secondary school, or in or on a school bus or District vehicle.
- b) "School function" means a school-sponsored or school-authorized extracurricular event or activity regardless of where the event or activity takes place, including any event or activity that may take place virtually or in another state.

**What Constitutes Discrimination and Harassment**

Determinations as to whether conduct or an incident constitutes discrimination and/or harassment will be made consistent with applicable federal and state laws and regulations, as well as any applicable District policy, regulation, procedure, or other document such as the District's *Code of Conduct*. These determinations may depend upon a number of factors, including, but not limited to: the particular conduct or incident at issue; the ages of the parties involved; the context in which the conduct or incident took place; the relationship of the parties to one another; the relationship of the parties to the District; and the protected class or characteristic that is alleged to have been the basis for the conduct or incident. The examples below are intended to serve as a general guide for individuals in determining what may constitute discrimination and/or harassment. These examples should not be construed to add or limit the rights that individuals and entities possess as a matter of law.

Generally stated, discrimination consists of the differential treatment of a person or group of people on the basis of their membership in a legally protected class. Discriminatory actions may include, but are not limited to: refusing to promote or hire an individual on the basis of his or her membership in a protected class; denying an individual access to facilities or educational benefits on the basis of his or her membership in a protected class; or impermissibly instituting policies or practices that disproportionately and adversely impact members of a protected class.

Generally stated, harassment consists of subjecting an individual, on the basis of his or her membership in a legally protected class, to unwelcome verbal, written, or physical conduct which may include, but is not limited to: derogatory remarks, signs, jokes, or pranks; demeaning comments or behavior; slurs; mimicking; name calling; graffiti; innuendo; gestures; physical contact; stalking; threatening; bullying; extorting; or the display or circulation of written materials or pictures.

(Continued)

**SUBJECT: NON-DISCRIMINATION AND ANTI-HARASSMENT IN THE DISTRICT  
(Cont'd.)**

This conduct may, among other things, have the purpose or effect of: subjecting the individual to inferior terms, conditions, or privileges of employment; creating an intimidating, hostile, or offensive environment; substantially or unreasonably interfering with an individual's work or a student's educational performance, opportunities, benefits, or well-being; or otherwise adversely affecting an individual's employment or educational opportunities. Petty slights or trivial inconveniences generally do not constitute harassing conduct.

The CRCO(s) will coordinate the District's efforts to comply with its responsibilities under applicable non-discrimination and anti-harassment laws and regulations including, but not limited to: the Americans with Disabilities Act of 1990, Section 504 of the Rehabilitation Act of 1973, Title VI of the Civil Rights Act of 1964, and the Age Discrimination Act of 1975.

Where appropriate, the CRCO(s) may seek the assistance of other District employees, such as the District's Title IX Coordinator(s) or Dignity Act Coordinator(s) (DAC(s)), or third parties in investigating, responding to, and remedying complaints of discrimination and/or harassment.

**Reporting Allegations of Discrimination and/or Harassment**

Any person may report discrimination and/or harassment regardless of whether they are the alleged victim or not. Reports may be made in person, by using the contact information for the CRCO, or by any other means that results in the CRCO receiving the person's oral or written report. This report may be made at any time (including during non-business hours) by using the telephone number or email address, or by mail to the office address, listed for the CRCO.

Reports of discrimination and/or harassment may also be made to any other District employee including a supervisor or building principal. All reports of discrimination and/or harassment will be immediately forwarded to the CRCO. Reports may also be forwarded to other District employees depending on the allegations.

All District employees who witness or receive an oral or written report of discrimination and/or harassment must immediately inform the CRCO. Failure to immediately inform the CRCO may subject the employee to discipline up to and including termination.

(Continued)

**SUBJECT: NON-DISCRIMINATION AND ANTI-HARASSMENT IN THE DISTRICT  
(Cont'd.)**

In addition to complying with this policy, District employees must comply with any other applicable District policy, regulation, procedure, collective bargaining agreement, or other document such as the District's *Code of Conduct*. Applicable documents include, but are not limited to, the District's policies, regulations, and procedures related to Title IX, sexual harassment in the workplace, and the Dignity for All Students Act (DASA).

If the CRCO is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity. If the District has not designated another CRCO, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the CRCO.

**Grievance Process for Complaints of Discrimination and/or Harassment**

The District will act to promptly, thoroughly, and equitably investigate all complaints, whether oral or written, of discrimination and/or harassment based on any legally protected class and will promptly take appropriate action to protect individuals from further discrimination and/or harassment. The CRCO will oversee the District's investigation of all complaints of discrimination and/or harassment. In the event an anonymous complaint is filed, the District will respond to the extent possible.

If an investigation reveals that discrimination and/or harassment based on a legally protected class has occurred, the District will take immediate corrective action as warranted. This action will be taken in accordance with applicable federal and state laws and regulations, as well as any applicable District policy, regulation, procedure, collective bargaining agreement, third-party contract, or other document such as the District's *Code of Conduct*.

**Knowingly Makes False Accusations**

Any employee or student who knowingly makes false accusations against another individual as to allegations of discrimination and/or harassment will face appropriate disciplinary action.

**Prohibition of Retaliatory Behavior (Commonly Known as "Whistle-Blower" Protection)**

The District prohibits retaliation against any individual because the individual made a report or complaint, testified, assisted, or participated or refused to participate in an investigation, proceeding, or hearing related to a complaint of discrimination and/or harassment.

Complaints of retaliation may be directed to the CRCO. If the CRCO is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity. If the District has not designated another CRCO, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the CRCO.

(Continued)

**SUBJECT: NON-DISCRIMINATION AND ANTI-HARASSMENT IN THE DISTRICT  
(Cont'd.)**

Where appropriate, follow-up inquiries will be made to ensure that the discrimination and/or harassment has not resumed and that those involved in the investigation have not suffered retaliation.

**Confidentiality**

To the extent possible, all complaints will be treated as confidential. Disclosure may be necessary in certain circumstances such as to complete a thorough investigation and/or notify law enforcement officials. All disclosures will be in accordance with law and regulation.

**Training**

In order to promote familiarity with issues pertaining to discrimination and harassment in the District, and to help reduce incidents of prohibited conduct, the District will provide appropriate information and/or training to employees and students. As may be necessary, special training will be provided for individuals involved in the handling of discrimination and/or harassment complaints.

**Notification**

Prior to the beginning of each school year, the District will issue an appropriate public announcement or publication which advises students, parents or legal guardians, employees, and other relevant individuals of the District's established grievance process for resolving complaints of discrimination and/or harassment. This announcement or publication will include the name, office address, telephone number, and email address of the CRCO(s). The District's website will reflect current and complete contact information for the CRCO(s).

A copy of this policy and its corresponding regulations and/or procedures will be available upon request and will be posted and/or published in appropriate locations and/or District publications.

**Additional Provisions**

Regulations and/or procedures will be developed for reporting, investigating, and remedying allegations of discrimination and/or harassment.

District *Code of Conduct*

**SUBJECT: TITLE IX AND SEX DISCRIMINATION****Overview**

The District is committed to creating and maintaining education programs and activities which are free from discrimination and harassment. This policy addresses complaints of sex discrimination, including sexual harassment, made under Title IX of the Education Amendments Act of 1972 and its implementing regulations (Title IX). It is just one component of the District's overall commitment to maintaining a discrimination and harassment-free educational and work environment.

Title IX prohibits discrimination on the basis of sex in any education program or activity operated by a district that receives federal financial assistance. As required by Title IX, the District does not discriminate on the basis of sex in its education programs and activities or when making employment decisions.

The District adopts this policy as part of its effort to provide for the prompt and equitable resolution of complaints of sex discrimination, including sexual harassment. The District will promptly respond to reports of sex discrimination, ensure that all investigations are conducted within a reasonably prompt time frame and under a predictable fair grievance process that provides due process protections to complainants and respondents, and impose sanctions and implement remedies when warranted.

Inquiries about this policy or the application of Title IX may be directed to the District's Title IX Coordinator(s), the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

**Scope and Application of Policy**

This policy is limited to addressing complaints of sex discrimination, including sexual harassment, that fall within the scope of Title IX which, among other things, has a specific definition of sexual harassment and applies only to sex discrimination occurring against a person in the United States. This policy applies to any individual participating in or attempting to participate in the District's education programs or activities including students and employees.

Other District policies and documents address sex-based misconduct and may have different definitions, standards of review, and grievance procedures. These documents must be read in conjunction with this policy as they may cover incidents of sex-based misconduct not addressed by Title IX.

If the allegations forming the basis of a formal complaint of sexual harassment, if proven, would constitute prohibited conduct under Title IX, then the grievance process outlined in this policy would be applied to the investigation and adjudication of all the allegations. Depending on the allegations, additional grievance procedures may apply.

(Continued)

**SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)**

The dismissal of a formal complaint of sexual harassment under Title IX does not preclude action under another related District policy, procedure, collective bargaining agreement, or other document such as the District's *Code of Conduct*.

**What Constitutes Sex Discrimination Including Sexual Harassment**

Title IX prohibits various types of sex discrimination including, but not limited to: sexual harassment; the failure to provide equal athletic opportunity; sex-based discrimination in a District's science, technology, engineering, and math (STEM) courses and programs; and discrimination based on pregnancy.

Under Title IX, sexual harassment includes conduct on the basis of sex that satisfies one or more of the following:

- a) An employee of the District conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct;
- b) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity;
- c) Sexual assault, meaning an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation;
- d) Dating violence, meaning violence committed by a person:
  1. Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
  2. Where the existence of such a relationship will be determined based on a consideration of the following factors:
    - (a) The length of the relationship;
    - (b) The type of relationship;
    - (c) The frequency of interaction between the persons involved in the relationship;
- e) Domestic violence, meaning felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim

under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction; or

- f) Stalking, meaning engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
1. Fear for his or her safety or the safety of others; or
  2. Suffer substantial emotional distress.

**Title IX Coordinator**

The District has designated and authorized the following District employee(s) to serve as its Title IX Coordinator(s):

Assistant Superintendent for Human Resources  
75 Barker Rd.-- Administrative Offices  
Pittsford, NY 14534  
Phone: (585) 267-1008  
email: Shawn\_clark@pittsford.monroe.edu

The Title IX Coordinator(s), who must be referred to as such, will coordinate the District's efforts to comply with its responsibilities under Title IX. However, the responsibilities of the Title IX Coordinator(s) may be delegated to other personnel.

Where appropriate, the Title IX Coordinator(s) may seek the assistance of the District's Civil Rights Compliance Officer(s) (CRCO(s)) and/or Dignity Act Coordinator(s) (DAC(s)) in investigating, responding to, and remedying complaints of sex discrimination, including sexual harassment.

**Reporting Allegations of Sex Discrimination**

Any person may report sex discrimination, including sexual harassment, regardless of whether they are the alleged victim or not. Reports may be made in person, by using the contact information for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's oral or written report. This report may be made at any time (including during non-business hours) by using the telephone number or email address, or by mail to the office address, listed for the Title IX Coordinator.

Reports of sex discrimination may also be made to any other District employee including a supervisor, building principal, or the District's CRCO. All reports of sex discrimination, including sexual harassment, will be forwarded to the District's Title IX Coordinator. Reports may also be forwarded to other District employees depending on the allegations.

(Continued)

## Community Relations

**SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)**

All District employees who witness or receive an oral or written report of sex discrimination must immediately inform the Title IX Coordinator. Failure to immediately inform the Title IX Coordinator may subject the employee to discipline up to and including termination.

Making a report of sexual harassment is not the same as filing a formal complaint of sexual harassment. A formal complaint is a document either filed by a complainant or a parent or legal guardian who has a right to act on behalf of the complainant or signed by the Title IX Coordinator which alleges sexual harassment against a respondent and requests that the District investigate the allegations. While the District must respond to all reports it receives of sexual harassment, the Title IX grievance process is only initiated with the filing of a formal complaint.

In addition to complying with this policy, District employees must comply with any other applicable District policy, procedure, collective bargaining agreement, or other document such as the District's *Code of Conduct*. This includes, but is not limited to, Policy #7555 -- Dignity for All Students (DASA) which requires District employees to make an oral report promptly to the Superintendent or principal, their designee, or the DAC not later than one school day after witnessing or receiving an oral or written report of harassment, bullying, and/or discrimination of a student. Two days after making the oral report, DASA further requires that the District employee file a written report with the Superintendent or principal, their designee, or the DAC.

If the Title IX Coordinator is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another Title IX Coordinator, if the District has designated another individual to serve in that capacity. If the District has not designated another Title IX Coordinator, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the Title IX Coordinator.

**Grievance Process for Complaints of Sex Discrimination Other than Sexual Harassment**

The District will provide for the prompt and equitable resolution of reports of sex discrimination other than sexual harassment. In responding to these reports, the Title IX Coordinator will utilize, as applicable, the grievance process set forth in Policy #3420 -- Non-Discrimination and Anti-Harassment in the District and any other applicable District policy, procedure, collective bargaining agreement, or other document such as the District's *Code of Conduct*.

**Grievance Process for Formal Complaints of Sexual Harassment**

The District will respond to allegations of sexual harassment in a manner that is not deliberately indifferent whenever it has actual knowledge of sexual harassment in an education program or activity of the District. The District is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances. For purposes of reports and formal complaints of sexual harassment under Title IX, education program or activity includes locations, events, or circumstances over which the District exercised substantial control over both the respondent(s) and the context in which the sexual harassment occurred.

(Continued)

## Community Relations

**SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)**

The District will follow a grievance process that complies with law and regulation before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent.

The District will conduct the grievance process in a timely manner designed to provide all parties with a prompt and equitable resolution. It is anticipated that, in most cases, the grievance process will be conducted within a reasonably prompt manner and follow the time frames established in this policy.

Definitions

- a) "Actual knowledge" means notice of sexual harassment or allegations of sexual harassment to a District's Title IX Coordinator or any official of the District who has authority to institute corrective measures on behalf of the District, or to any District employee. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only official of the District with actual knowledge is the respondent. The mere ability or obligation to report sexual harassment or to inform a student about how to report sexual harassment, or having been trained to do so, does not qualify an individual as one who has authority to institute corrective measures on behalf of the District. "Notice" as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator as described in this policy.
- b) "Complainant" means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.
- c) "Days" means business days, but excludes any weekday during which the school is closed.
- d) "Formal complaint" means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the District investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the District with which the formal complaint is filed. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by email, by using the contact information required to be listed for the Title IX Coordinator, and by any additional method designated by the District. As used in this paragraph, the phrase "document filed by a complainant" means a document or electronic submission (such as by email or through an online portal provided for this purpose by the District) that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party, and must comply with the requirements of law and regulation.
- e) "Respondent" means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

(Continued)

## Community Relations

**SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)**

- f) "Supportive measures" means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. These measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The District must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the District to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

General Requirements for the Investigative and Grievance Process

During the investigation of a formal complaint and throughout the grievance process, the District will ensure that:

- a) Complainants and respondents are treated equitably. This includes applying any provisions, rules, or practices incorporated into the District's grievance process, other than those required by law or regulation, equally to both parties.
- b) All relevant evidence is objectively evaluated, including both inculpatory and exculpatory evidence. Inculpatory evidence implicates or tends to implicate an individual in a crime or wrongdoing. Exculpatory evidence frees or tends to free an individual from blame or accusation.
- c) The Title IX Coordinator, investigator, decision-maker involved in the grievance process, or any person designated by the District to facilitate any informal resolution process does not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.
- d) Respondents are presumed not to be responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
- e) The grievance process, including any appeals or informal resolutions, is concluded within a reasonably prompt time frame and that the process is only temporarily delayed or extended for good cause. Good cause includes, but is not limited to, considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need

(Continued)

**SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)**

for language assistance or accommodation of disabilities. Whenever the time frame is temporarily delayed or extended, written notice will be provided to all complainants and respondents of the delay or extension and the reasons for the action.

- f) The range of possible disciplinary sanctions and remedies that may be implemented by the District following any determination regarding responsibility are described to any known party.
- g) The same standard of evidence is used to determine responsibility in all formal complaints.
- h) The procedures and permissible bases for an appeal are known to all complainants and respondents.
- i) The range of supportive measures available are known to all complainants and respondents.
- j) There is no requirement, allowance of, reliance on, or otherwise use of questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding the privilege has waived the privilege.
- k) The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rests on the District and not on the parties.
- l) The Title IX Coordinator, the investigator, any decision-maker, or any other person participating on behalf of the District does not access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the District obtains that party's voluntary, written consent to do so for the grievance process. If the party is not an eligible student, as defined in FERPA as a student who has reached 18 years of age or is attending a post-secondary institution, the District will obtain the voluntary, written consent of a parent.
- m) The parties have an equal opportunity to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence.
- n) Credibility determinations are not based on a person's status as a complainant, respondent, or witness.
- o) The ability of either party to discuss the allegations under investigation or to gather and present relevant evidence is not restricted.

(Continued)

**SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)**

- p) The parties are provided with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for any complainant or respondent in any meeting or grievance proceeding. However, the District may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties.
- q) Written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, is provided to any party whose participation is invited or expected with sufficient time for the party to prepare to participate.
- r) The parties are provided with equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the District does not intend to rely on in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation.
- s) Any document sent to a minor or legally incompetent person is also sent to the party's parent or legal guardian.
- t) Any document sent to a party is also sent to the party's advisor, if known.

**After a Report of Sexual Harassment Has Been Made**

After receiving a report of sexual harassment, the Title IX Coordinator will:

- a) Promptly contact the complainant to discuss and offer supportive measures;
- b) Inform the complainant both of the range of supportive measures available and that these measures are available regardless of whether a formal complaint is filed;
- c) Consider the complainant's wishes with respect to supportive measures; and
- d) Explain to the complainant the process for filing a formal complaint.

The Title IX Coordinator may also contact the respondent to discuss and/or impose supportive measures.

Requests for confidentiality or use of anonymous reporting may limit how the District is able to respond to a report of sexual harassment.

(Continued)

**SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)**Emergency Removal and Administrative Leave

At any point after receiving a report or formal complaint of sexual harassment, the District may immediately remove a respondent from the District's education program or activity on an emergency basis, provided that the District:

- a) Undertakes an individualized safety and risk analysis;
- b) Determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal; and
- c) Provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

The District should coordinate their Title IX compliance efforts with special education staff when initiating an emergency removal of a student with a disability from an education program or activity as the removal could constitute a change of placement under the IDEA or Section 504.

The District may place a non-student employee respondent on administrative leave with or without pay during the pendency of the grievance process in accordance with law and regulation and any applicable District policy, procedure, collective bargaining agreement, or other document such as the District's *Code of Conduct*.

Filing a Formal Complaint

A complainant may file a formal complaint with the Title IX Coordinator in person or by mail, email, or other method made available by the District. The complainant must be participating in or attempting to participate in the education program or activity of the District at the time of filing the complaint. The filing of a formal complaint initiates the grievance process.

A formal complaint must be signed by the complainant, the complainant's parent or legal guardian as appropriate, or the Title IX Coordinator. Where a parent or legal guardian signs the complaint, the parent or legal guardian does not become the complainant; rather the parent or legal guardian acts on behalf of the complainant. The Title IX Coordinator may sign the formal complaint, but his or her signature does not make him or her a complainant or a party to the complaint. If the formal complaint is signed by the Title IX Coordinator, the Title IX Coordinator is still obligated to comply with the grievance process outlined in this policy.

The complainant, or the complainant's parent or legal guardian, must physically or digitally sign the formal complaint, or otherwise indicate that the complainant is the person filing the formal complaint. When a formal complaint is filed, the Title IX Coordinator must send a written notice of allegations to all parties which includes the identities of all known parties.

(Continued)

**SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)**

The District will not discriminate on the basis of sex in its treatment of a complainant or a respondent in responding to a formal complaint of sexual harassment.

The formal complaint form may be obtained from the District's Title IX Coordinator or found on the District's website.

Consolidation of Formal Complaints

The District may consolidate formal complaints of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances.

Written Notice of Allegations

Upon receipt of a formal complaint, the District will send all known parties written notice of:

- a) The District's grievance process, including any informal resolution process; and
- b) The allegations of sexual harassment which will:
  1. Provide sufficient details known at the time and sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known;
  2. State that the respondent is presumed not to be responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
  3. Inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney;
  4. Inform the parties that they may inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint; and
  5. Include notice of any provision in any applicable District policy, procedure, collective bargaining agreement, or other document such as the District's *Code of Conduct* that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

(Continued)

**SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)**

If, in the course of an investigation, the District decides to investigate allegations about any complainant or respondent that were not included in the initial notice, the District will provide another notice of the additional allegations to the parties whose identities are known.

**Investigation of a Formal Complaint**

The Title IX Coordinator will oversee the District's investigation of all formal complaints. During the investigation of a formal complaint, the Title IX Coordinator or another District employee may serve as the District's investigator. The District may also outsource all or part of an investigation to appropriate third parties. The outsourcing of all or part of an investigation does not relieve the District from its obligation to comply with law and regulation.

It is anticipated that most investigations will be completed within 30 days after receiving a formal complaint.

During the investigation of a formal complaint, the investigator will, as appropriate:

- a) Collect, review, and preserve all evidence including, but not limited to, any relevant documents, videos, electronic communications, and phone records.
- b) Interview all relevant persons including, but not limited to, any complainants, respondents, and witnesses. Interviews of complainants and respondents will be conducted separately. If a student is involved, the District will follow any applicable District policy, procedure, or other document such as the District's *Code of Conduct* regarding the questioning of students.
- c) Create written documentation of the investigation (such as a letter, memo, or email), which contains the following:
  1. A list of all documents reviewed, along with a detailed summary of relevant documents;
  2. A list of names of those interviewed, along with a detailed summary of their statements;
  3. A timeline of events; and
  4. A summary of prior relevant incidents, reported or unreported.
- d) Keep any written documentation and associated documents in a secure and confidential location.

Prior to completion of the investigative report, the District will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy. The parties will have at least ten days to submit a written response, which the investigator will consider prior to completion of the investigative report.

(Continued)

**SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)**

At the end of the investigation, an investigative report will be created that fairly summarizes all relevant evidence.

At least ten days prior to a hearing or other determination regarding responsibility, the investigative report will be sent to each party and the party's advisor, if any, in an electronic format or a hard copy, for their review and written response.

**Dismissal of a Formal Complaint**

The District must investigate the allegations in a formal complaint. The District must dismiss a formal complaint under Title IX if the conduct alleged:

- a) Would not constitute sexual harassment even if proven;
- b) Did not occur in the District's education program or activity; or
- c) Did not occur against a person in the United States.

Further, the District may dismiss a formal complaint or any of its allegations under Title IX, if at any time during the investigation or hearing:

- a) A complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any of its allegations;
- b) The respondent is no longer enrolled or employed by the District; or
- c) Specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or any of its allegations.

Upon a dismissal of a formal complaint, the District must promptly send written notice of the dismissal and reason(s) for the dismissal simultaneously to the parties.

The dismissal of a formal complaint under Title IX does not preclude action under another related District policy, procedure, collective bargaining agreement, or other document such as the District's *Code of Conduct*.

**Informal Resolutions**

Before reaching a determination regarding responsibility, but only after a formal complaint is filed, the District may offer and facilitate the use of an informal resolution process, such as mediation, that does not involve a full investigation and adjudication of the formal complaint.

(Continued)

**SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)**

It is anticipated that most informal resolutions will be completed within 15 days.

The District will not require that parties participate in an informal resolution process. The District will not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student. Further, the District will not require the waiver of the right to an investigation and adjudication of formal complaints of sexual harassment as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right.

If the District offers and facilitates the use of an informal resolution process, it will:

- a) Provide written notice to all known parties which details:
  1. The allegations in the formal complaint;
  2. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint;
  3. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared; and
- b) Obtain the parties' voluntary, written consent to the informal resolution process.

**Hearings and Determination Regarding Responsibility**

The District will designate an individual decision-maker or a panel of decision-makers to issue a written determination regarding responsibility. A decision-maker can either be a District employee or, where appropriate, a third-party. They cannot be the same individual as either the Title IX Coordinator or the investigator(s).

The District's grievance process may, but is not required to, provide for a hearing. The determination as to whether a hearing will be provided will be made on a case-by-case basis. If a hearing is provided, the District will make all evidence subject to the parties' inspection and review available to give each party equal opportunity to refer to this evidence during the hearing, including for purposes of cross-examination.

With or without a hearing, before reaching a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to:

(Continued)

**SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)**

- a) Submit written, relevant questions that a party wants asked of any party or witness within ten days after the parties have received the investigative report;
- b) Provide each party with the answers given by any party or witness within ten days of receiving the questions; and
- c) Allow for additional, limited follow-up questions and responses from each party to occur within ten days after the parties have received responses to their initial questions.

Questions and evidence about a complainant's sexual predisposition or prior sexual behavior will not be considered, unless the questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decision to exclude a question as not relevant.

The decision-maker(s) will issue a written determination regarding responsibility to the Title IX Coordinator, the Superintendent, and all parties simultaneously within 30 days after all follow-up questions have been responded to or after the hearing, if one has been provided.

To reach this determination, the decision-maker(s) will use the clear and convincing evidence standard which is the standard of evidence that will be applied in all formal complaints of sexual harassment. This standard is understood to mean concluding that a fact is highly probable to be true.

The written notice of the determination regarding responsibility will include:

- a) Identification of the allegations potentially constituting sexual harassment;
- b) A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
- c) Findings of fact supporting the determination;
- d) Conclusions regarding the application of any applicable District policy, procedure, collective bargaining agreement, or other document such as the District's *Code of Conduct* to the facts;
- e) A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the District is imposing on the respondent, and whether remedies designed to restore or preserve equal access to the District's education program or activity will be provided by the District to the complainant; and

(Continued)

**SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)**

- f) The District's procedures and permissible bases for the complainant and respondent to appeal.

Finality of Determination Regarding Responsibility

The determination regarding responsibility becomes final either on the date that the District provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

Where a determination regarding responsibility for sexual harassment has been made against the respondent, remedies will be provided to a complainant and disciplinary sanctions may be imposed on a respondent. Remedies will be designed to restore or preserve equal access to the District's education program or activity. Remedies and disciplinary sanctions will be implemented in accordance with applicable laws and regulations, as well as any District policy, procedure, collective bargaining agreement, or other document such as the District's *Code of Conduct*.

The Title IX Coordinator is responsible for the effective implementation of any remedies and/or disciplinary sanctions. The Title IX Coordinator will work with other individuals as necessary to effectively implement remedies and/or disciplinary sanctions.

Appeals

Either party may file an appeal from a determination regarding responsibility or from the District's dismissal of a formal complaint or any of its allegations. Appeals must be submitted in writing to the Title IX Coordinator within ten days of the written notice of the determination regarding responsibility or dismissal of the formal complaint or any of its allegations.

An appeal may only be based upon one or more of the following bases:

- a) Procedural irregularity that affected the outcome of the matter;
- b) New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
- c) The Title IX Coordinator, investigator, or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

The bases on which a party is seeking an appeal should be specifically stated in the party's written appeal.

(Continued)

**SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)**

Upon receipt of an appeal, the District will:

- a) Notify the other party in writing that an appeal has been filed and implement appeal procedures equally for both parties;
- b) Ensure that any decision-maker for the appeal:
  1. Is not the same person as any decision-maker that reached the initial determination regarding responsibility or dismissal, investigator, or Title IX Coordinator;
  2. Does not have any conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent;
- c) Give all parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome. Parties will have to submit these written statements within ten days after the parties have been notified of the appeal;
- d) Issue a written decision describing the result of the appeal and the rationale for the result; and
- e) Provide the written decision simultaneously to the Title IX Coordinator, the Superintendent, and all parties within 20 days after receiving the parties written statements in support of, or challenging, the outcome.

**Prohibition of Retaliatory Behavior (Commonly Known as "Whistle-Blower" Protection)**

The District prohibits retaliation against any individual for the purpose of interfering with his or her Title IX rights or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in an investigation, proceeding, or hearing under Title IX.

Charging an individual with *Code of Conduct* or other applicable violations that do not involve sex discrimination, including sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation. Charging an individual with a *Code of Conduct* or other applicable violation for making a materially false statement in bad faith during a grievance proceeding does not constitute retaliation, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

All complaints alleging retaliation will be handled in a manner consistent with the District's policies and procedures regarding the investigation of discrimination and harassment complaints, including Policy #3420 -- Non-Discrimination and Anti-Harassment in the District.

(Continued)

**SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)**

If the Title IX Coordinator is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another Title IX Coordinator, if the District has designated another individual to serve in that capacity. If the District has not designated another Title IX Coordinator, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the Title IX Coordinator.

**Confidentiality**

Except where disclosure may be permitted or required by law or regulation, the District will keep confidential the identity of any:

- a) Individual who has made a report or complaint of sex discrimination;
- b) Individual who has made a report or filed a formal complaint of sexual harassment;
- c) Complainant;
- d) Individual who has been reported to be the perpetrator of sex discrimination;
- e) Respondent; and
- f) Witness.

**Training**

The District will ensure that:

- a) All Title IX Coordinators, investigators, decision-makers, or persons who facilitate an informal resolution process receive training on:
  1. The definition of sexual harassment as defined in Title IX;
  2. The scope of the District's education program or activity;
  3. How to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable; and
  4. How to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.
- b) All decision-makers receive training on any technology to be used at a live hearing and on issues of relevance of questions and evidence, including when questions and evidence about a complainant's sexual predisposition or prior sexual behavior are not relevant.

(Continued)

**SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)**

- c) All investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
- d) All District employees receive training on mandatory reporting obligations and any other responsibilities that they may have relative to Title IX.

Materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process will not rely on sex stereotypes and will promote impartial investigations and adjudications of formal complaints of sexual harassment. Training materials will be made publicly available on the District's website.

**Notification**

The District will notify students, parents or legal guardians of students, employees, applicants for employment, and all unions or professional organizations holding collective bargaining or professional agreements with the District of this policy.

Further, the District will prominently publish this policy and the contact information for the Title IX Coordinator(s) on its website and in other publications, including in each handbook or catalog that it makes available to the individuals and entities referenced above.

**Recordkeeping**

For a period of seven years, the District will retain the following:

- a) Records of each sexual harassment investigation including any:
  - 1. Determination regarding responsibility;
  - 2. Audio or audiovisual recording or transcript required under law or regulation;
  - 3. Disciplinary sanctions imposed on the respondent; and
  - 4. Remedies provided to the complainant designed to restore or preserve equal access to the District's education program or activity.
- b) Any appeal and its result.
- c) Any informal resolution and its result.
- d) All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process.

(Continued)

**SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)**

- e) For each response to sexual harassment where the District had actual knowledge of sexual harassment in its education program or activity against a person in the United States, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the District must document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the District's education program or activity. If the District does not provide a complainant with supportive measures, then the District must document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the District in the future from providing additional explanations or detailing additional measures taken.

**SUBJECT: DIVERSITY, EQUITY, AND INCLUSION IN THE DISTRICT****Overview**

Research shows that all students benefit when schools implement strong diversity, equity, and inclusion (DEI) policies and practices. These benefits include academic, cognitive, civic, social-emotional, and economic. This is true regardless of a school's geographic location or the demographic composition of its students and staff.

This policy provides a framework as to how the District will foster DEI in its schools. This policy considers the entirety of the educational process by addressing the following essential elements: governance; teaching and learning; family and community engagement; workforce diversity; diverse schools and learning opportunities; and student supports, discipline, and wellness. It is just one component of the District's overall commitment to maintaining a diverse, equitable, and inclusive educational and work environment.

**Defining Diversity, Equity, and Inclusion**

For purposes of this policy:

- a) "Diversity" includes, but is not limited to: race; color; ethnicity; nationality; religion; socioeconomic status; veteran status; education; marital status; language; age; gender; gender expression; gender identity; sexual orientation; mental or physical ability; genetic information; and learning style.
- b) "Equity" includes, but is not limited to, seeking the fair treatment, access, opportunity, and advancement for all while striving to identify and eliminate barriers that have prevented the full participation of all groups.
- c) "Inclusion" includes, but is not limited to, authentically bringing traditionally excluded individuals and/or groups into processes, activities, and decision/policy making in a way that shares power and ensures equal access to opportunities and resources.

These descriptions are not intended to be exhaustive. Rather, they are meant to be foundational and provide clarity to the concepts of diversity, equity, and inclusion.

**Governance****Inclusivity Advisory Committee**

The District has established an Inclusivity Advisory Committee (IAC) that meets periodically throughout the year. The purpose of the IAC is to assist the District in creating and implementing plans that advance the District's commitment to maintaining a diverse, equitable, and inclusive environment where all individuals feel valued and respected. As needed, the IAC will also review District policies, practices, and programs and provide suggestions as to how they could potentially be modified to better promote equity and inclusion.

(Continued)

**SUBJECT: DIVERSITY, EQUITY, AND INCLUSION IN THE DISTRICT (Cont'd.)**

The District will actively seek members for the IAC through the use of email, newsletters, the District's website, the District's social media page(s), and/or advertisements.

The IAC will be representative of all stakeholders, and may include (to the extent possible), but not be limited to, representatives from the following groups:

- a) Students;
- b) Parents and persons in parental relation;
- c) District/building administrators;
- d) Member(s) of the Pittsford District Teachers Association (PDTA);
- e) Member(s) of the Pittsford Educational Office Professionals (PEOP);
- f) Other District staff;
- g) Community members.

**Coordinator of Equity and Inclusivity**

The Superintendent has designated the following District employee to serve as its DEI Coordinator:

Coordinator of Equity and Inclusivity

The Coordinator of Equity and Inclusivity will be a member of the IAC Committee and convene and coordinate the activities and plans of the Committee.

**Teaching and Learning**

The District will strive to advance inclusive and culturally responsive teaching and learning through, but not limited to, the following means: curricula in all content areas; books and instructional materials; pedagogical practices and professional development; classroom grouping policies and practices; student support systems for all developmental pathways; full and equitable opportunities to learn for all students; and multiple assessment measures. As part of this effort, the District will seek to:

- a) Implement a Culturally Responsive-Sustaining (CR-S) Education Framework that embeds the ideals of diversity, equity, and inclusion by creating student-centered learning environments that:

1. Affirm cultural identities;
  2. Foster positive academic outcomes;
  3. Develop students' abilities to connect across lines of difference;
  4. Elevate historically marginalized voices;
  5. Empower students as agents of social change; and
  6. Contribute to individual student engagement, learning, growth, and achievement through the cultivation of critical thinking.
- b) Develop curricula that incorporates diverse perspectives, materials, and texts so that students are taught topics not just from one single perspective, but from multiple perspectives.
  - c) Offer coherent opportunities for students to actively participate in experiences that prepare them for a lifetime of civic engagement and contributions to social justice, including, for example, completing projects that enable them to apply the learning they have acquired within and across subject areas.
  - d) Encourage academic discussions about racism and bigotry.

**Family and Community Engagement**

The District will strive to foster family and community engagement practices that are based on mutual trust, confidence, and respect. As part of this effort, the District will seek to:

- a) Encourage participation from all stakeholders in community building conversations.
- b) Reduce language barriers through various means, including, but not limited to, providing translated communications when appropriate.
- c) Leverage partners such as the county government and local community organizations in developing DEI programs and activities for the District.

**Workforce Diversity**

The District will strive to create a workforce that is not only diverse and inclusive, but one that recognizes and values the differences among people. As part of this effort, the District will seek to:

- a) Recruit and retain a diverse workforce in all areas and at all levels, thereby reducing stereotypes and preparing students for an increasingly global society.

(Continued)

**SUBJECT: DIVERSITY, EQUITY, AND INCLUSION IN THE DISTRICT (Cont'd.)**

- b) Provide staff with opportunities for professional development on cultural proficiency.

**Diverse Schools and Learning Opportunities**

The District will strive to promote diverse, equitable, and inclusive classrooms in which students have equal access and opportunities to learn and realize their full potential. As part of this effort, the District will seek to:

- a) Take creative steps to enhance the level of socioeconomic and racial diversity within District schools.
- b) Eliminate the use of terms and phrases within District schools that perpetuate negative stereotypes and minimize student opportunities.
- c) Create coursework, programs, and activities that are accessible to all students, regardless of their disability status, native language, income level, or any other basis.

**Student Supports, Discipline, and Wellness**

The District will strive to focus on the well-being of the "whole child." As part of this effort, the District will seek to:

- a) Employ programs and practices that enhance all students' self-identity, self-confidence, and self-esteem.
- b) Maintain non-discriminatory discipline policies and practices.
- c) Consider and address the full range of student developmental pathways.

**Training**

To foster DEI in its schools, the District will provide DEI training to staff and students, as appropriate. This training may be delivered in various forms including, but not limited to: workshops; instructor-led classes; webinars; videos; workbooks; pamphlets; and/or emailed information. Although specific objectives will vary from training to training, in general, trainings will be designed to:

- a) Increase awareness of the content of this policy and/or various DEI issues; and
- b) Promote a welcoming and inclusive environment for all District community members.

Special trainings may be provided to members of the IAC Committee.

When school is closed, all related activities, including athletic events and student activities, will be canceled for that day and evening.

The attendance of personnel will be governed by their respective contracts.

**SUBJECT: EXTRAORDINARY CIRCUMSTANCES**

The District considers the safety of its students and staff to be of the utmost importance and is acutely aware that extraordinary circumstances such as widespread illness, natural disaster, or other emergency situation may make District premises unsafe or otherwise interrupt the District's ability to effectively operate.

In these circumstances, the District will follow its previously developed policies, procedures, and plans including, but not limited to, the District-wide school safety plan and building-level emergency response plan(s). To the extent that any District policy, procedure, or plan is in any way inconsistent with or conflicts with federal, state, or county law, regulation, or executive order released for the purpose of addressing the extraordinary circumstance, the federal, state, or county law, regulation, or executive order will govern. Additionally, the Board may adopt resolutions or take other actions as needed to respond to changes in federal, state, or county law, regulation, or executive order to provide further direction during an extraordinary circumstance.
