Discussion/ Presentation Item: Grant Overview A. Garrison, C. Hopkins
Strategic goal of increasing grant percentage by 100%. Grant Champions is a program that we have access to support our grant team at RHS. Roles include doing research for prospective funders to match projects, budgeting, writing, pitching. Has to be aligned to strategic plan. Outlined by project overview and the outcome that will be solved by the ask. Take 3 greatest asks and align a grant application with each one. District has access to Grant Alert to update on what's available. Donor's Choose is another forum for teachers to be able to fund physical wish lists based on a project. Another example, Dick's Sporting Goods sponsors grants for sports teams/ equipment, etc.
Fulton County Schools serves as fiscal agent for the grant, so anything for the school needs to be approved. Any other grants like Donor's Choice, teacher grants that get approved separately get submitted to the county.
