ATTENDANCE

School attendance is critical for the quality of your child's education. A child who misses a day of school misses a day of learning opportunities. Should it be necessary for your child to miss a day of school, you must submit your child's absence online or send a written and signed note stating the reason for the child's absence within 3 days of the students return from the absence with the information listed below.

- Student's first and last legal name
- Grade Level
- Student ID #
- Specific dates of the absence
- Specific reason for the absence
- Parent signature

If a doctor's note is submitted, please make sure that it covers ALL days of the absence. If not, please send an accompanying parent note with the above-listed information. Emails will no longer be accepted. Please use this link to complete online form. [Absence link](#)

Students are required to attend class 90% of the time it is offered to be able to receive credit and be promoted to the next grade level. All absences, regardless of excused or unexcused, including leaving early and coming in late, count towards the 90% rule.

Please help make your child's education a top priority by building a habit of daily attendance.
