GRADING SYSTEM: REQUIREMENTS FOR PASSING:

In order to receive credit for a two-semester class, the student must meet the following criteria:

- Complete all of the established requirements of the course. Incompletes remain on the student's record if the criteria are not met. There is no credit for an incomplete.
- Final grade will be the percentage average of the four nine weeks and pass all class requirements.
- Must earn a minimum of 60% total cumulative average and attain a passing grade in at least one 9 weeks grading period during the 2nd semester.
- CCP and AP Courses may use alternate grading scale aligned with university expectations.

GRADING SCALE:

The following scale is used to determine letter grades:

A	90 – 100	4 points
B	80 - 89	3 points
C	70 – 79	2 points
D	60 – 69	1 point
F	0 – 59	0 points

When grades are being averaged, and the point value comes out to .5 or higher, the teacher will always average to the higher whole number.

Ex.: $75.50 = 76\%$, $75.49 = 75\%$

SEMESTER GRADES:

Semester grades are determined by averaging the two 9 weeks grades.

YEARLY AVERAGE: Yearly average is determined by averaging the 4 nine weeks grades and passing all class requirements.

- For the purpose of semester and yearly averages, the following scale is used to determine grades:

4.0 – 3.50	A
3.49 – 2.50	B
2.49 – 1.50	C
1.49 - .50	D
0.49 – 0	F

CLASS ASSIGNMENT: Class assignment is determined by the number of credits passed:

A student must have passed 5 credits to be a Sophomore

A student must have passed 11 credits to be a Junior

A student must have passed 16 credits to be a Senior

POINT AVERAGES: Point averages and class ranks are computed three times: at the end of the junior year, after seven semesters, and a final average when all senior work is completed. The yearly grade for all subjects taken by a student during high school is used to determine the final point average and class rank. A=4, B=3, C=2, D=1, F=0

The total points earned divided by credits equals point average.

An example is as follows:

4 credits of A = 16 points	
8 credits of B = 24 points	53 points/20 credits
6 credits of C = 12 points	equals 2.65 GPA
1 credit of D = 1 point	
1 credit of F = 0 points	

No student can earn above a 4.0 average

COMMUNITY SERVICE INFORMATION: Community service is an important part of the education process at Crestview School District. Students who volunteer their time to help another person, organization or their community will benefit in many ways. The experience of giving back, making a difference and being a part of a positive change are valuable life lessons. It is an expectation that all students participate in community service activities during their high school career. These community service hours should be recorded and turned in to the high school office at the end of each school year. Community service can include completing work that others cannot do for themselves, service for non-profit organizations, volunteer work where the student is not paid a wage.

5530.03 - STUDENT DRUG TESTING – updated Dec 2021

PHILOSOPHY

Crestview Local Schools provides a variety of extracurricular activities that complement the educational and athletic development of each student. The privilege of participation carries the responsibility of adherence to the Extracurricular Code of Conduct and Drug Testing Policy. The Crestview Local Board of Education Drug Testing Policy was formed because of a concern that alcohol and illicit drugs may be used by Crestview students. The Crestview Board of Education desires to implement a policy which will attempt to provide this district with a safe and healthful student program. This policy reflects the Crestview mission statement and the Crestview Board of Education and our community's strong commitment to establish a truly drug and alcohol free school program. Because of the pervasive nature of drug use in our local schools, Crestview has selected student athletes, students who participate in extra-curricular activities, student drivers, and students who, along with consent from their parents, volunteer to be tested for inclusion in the testing pool. This policy applies to all athletes, volunteers, and extracurricular activities from grades 7-12.

PURPOSE OF THIS POLICY SHALL BE:

- To provide a healthy and safe environment to students participating in the athletic and extracurricular program.
- To discourage all students from using drugs and alcohol.

Students will assume all responsibility for regulating their personal lives in ways that will result in their becoming healthful members of a team and worthy representatives of the school and community.
- To provide students with the opportunity to become leaders in the student body for a drug free school.
- To provide solutions for the student who does use drugs and alcohol.
- To provide the school with positive guidelines and disciplinary policies for violations of the drug free policy.
- To encourage those students who participate in athletic and extra-curricular programs to remain drug free and alcohol free.

The program does not affect the current policies, practices, or rights of the District regarding student drug and/or alcohol possession or use, where reasonable suspicion is established by means other than drug testing through this policy. The drug testing policy is non-punitive.

Students involved in extra-curricular activities need to be exemplary in the eyes of the community and other students. The drug testing and education policy is designed to create a safe, drug free environment for students and assist them in getting help when needed.

Although students risk the loss of continued participation in extra-curricular activities, no student shall be suspended or expelled from school as a result of any certified "positive" test conducted by Crestview under this program.

No student will be penalized academically for testing positive for banned substances. The results of drug tests will not be documented in any student's academic record.

Any student in grades seven (7) through twelve (12) and his/her parent(s) or legal guardian(s) must first sign a drug testing registration consent form in order to be eligible to participate in any one (1) or combination of the following:

- A. Drive a motorized vehicle to school
- B. Athletics
- C. Extra-Curricular activities other than athletics

The Crestview Board of Education also provide an "**Opt-In**" program for students not currently involved with extracurricular activities. This program allows students and parents to participate in the random student drug testing program with no punitive action. Results are 100% confidential and reporting goes directly to the parents.

All coats, vests, jackets, sweaters, hats, scarves, or baggy clothing must be removed before entering the collection site. Only pants and t-shirts or dresses may be worn in the collection area. Any infringement of the rules will result in the student taking the test over.
- H. Students processed by the lab technician who cannot produce a sample will be kept in a secured area to wait until they can test. If they leave this area they will not be allowed to test. They are not to have contact with anyone until after the sample is given.
- I. Students will be asked to hold out their hands and a sanitizer will be put on their hands or they will be instructed to wash their hands with water. The bathroom personnel will add a dye to the toilet.
- J. Students will be asked to urinate directly in to the collection cup given to them by the lab personnel. The lab technician will stand outside the stall and listen for normal sounds of urination.
- K. Any and all adulterations of the specimen will be detected and considered the same as a test refusal or 1st time infraction. (The lab checks every sample for adulteration, such as additives you drink or add to urine to change the sample.) We will treat adulterations and diluted samples as first time offenses. They are not called positive but will have the same consequences. A retest will be required within twenty-four (24) hours.
- L. Any suspicion of tampering with the sample will be brought to the tester's attention. The sample will be screened or sent to the lab for immediate confirmation of tampering.
- M. The sample must be taken in one attempt and be at least thirty (30) ml in size. The student must hand the cup to the lab technician.
- N. Students are not to flush the toilets or urinals. In the event that a student flushes the toilet he or she will be required to give a new sample immediately or the sample will be invalid.
- O. With the student watching, the lab technician will recap the sample and hand it to the student who must then return it to the intake technician. In the event that the student does not hand the cup directly to the intake technician, the sample is invalid and a new sample must be taken. If the student leaves the collection area or has contact with anyone, the sample will be invalid and the student will have to give another sample.
- P. This collection procedure is subject to change because of procedural requirements by the testing agency. The Crestview School Board reserves the right to change the collection procedure to coincide with the testing guidelines set forth by the testing agency.

When using rapid screens, all non-negative screens will be sent out with a chain of custody to a certified laboratory for confirmation. A Certified Medical Review Officer will verify the positive test.

Any student who tests positive will have to be tested weekly for the term of a five (5) week program with drug counseling at the expense of the student and/or the parent. Testing will be done by the Board approved drug testing agency.

RESULTS OF A POSITIVE TEST

Any positive urine drug test results will be made known to the building principal, who in turn will notify the parents/guardians/custodians of the student.

IF A POSITIVE TEST OCCURS FOR STUDENT ATHLETES:

- A. **The First Violation** - For the first positive result the student athlete will be given the option of:
 1. The student will have to make an appointment with a certified chemical dependency counselor (or at an agency certified by the Ohio Department of Health or the Ohio Department of Alcohol and Drug Addiction Services) for a chemical dependency assessment and then follow the recommendations of the counselor. The parent/guardian/custodian is responsible for all expenses and for providing the Athletic Director with documentation that the athlete completed all recommendations of the counselor. The athlete will be denied participation in ten percent (10%) of the season. The parent/guardian/custodian and student will meet with the Athletic Director, the coach, and the building principal to determine reinstatement. The student may be required at parent/guardian/custodian expense, to submit to weekly or random testing for the remainder of the current athletic season.
 2. Denial of participation in interscholastic athletics for the remainder of the current season and for that year.
- B. **The Second Violation** - The student is denied participation in twenty-five percent (25%) of the remainder of the current season, and needs to provide documentation for continued attendance at a certified chemical dependency counselor.
- C. **The Third Violation** - The student is permanently denied participation in athletics in Crestview Schools. The student is denied participation in athletics in Crestview Schools for one calendar year from the date of positive testing, and are required to provide documentation for continued attendance at a certified chemical dependency counselor. Students may earn their way back to play. However, with treatment, weekly and a commitment to bi weekly tests for the remainder of the year, and by performing twenty-five (25) hours of community service the student can earn back some time. If he or she remains drug free, he or she may return to play with treatment, testing, missing fifty percent (50%) and community service.

IF A POSITIVE TEST OCCURS FOR STUDENT DRIVERS:

- A. **The First Violation** - For the first positive result the student will be given the option of:
 1. The student will have to make an appointment with a certified chemical dependency counselor (or at an agency certified by the Ohio Department of Health or the Ohio Department of Alcohol and Drug Addiction Services) for a chemical dependency assessment and then follow the recommendations of the counselor. The parent/guardian/custodian is responsible for all expenses and for providing the Athletic Director with documentation that the athlete completed all recommendations of the counselor. The student will be denied driving privileges for three (3) months.

2. Denial of driving privileges for the remainder of the year.
 - B. **The Second Violation** - The student is denied driving privileges for one (1) calendar year from the date of the notification of the violation.
 - C. **The Third Violation** - The student is permanently denied driving privileges to Crestview Schools.

VIOLATIONS ARE ACCUMULATIVE

Violations are accumulative throughout the students secondary (9-12) school career.

SELF REFERRALS

An athlete may give a once a year self referral, which may be done only twice in four (4) years. Self-referral can only happen before a test is done. Counseling and additional testing are required and no punitive action is taken, if the referral occurs before the first violation. If the self referral occurs after the first violation the student will suffer the next level of punitive action in addition to counseling and additional testing.

ADULT STUDENTS: Crestview School District recognizes the rights of adult students (ages 18-22) according to ORC 3109.01. Adult students will be informed of their rights and responsibilities on their 18th birthday.

EIGHTEEN YEAR OLD STATUS: In compliance with the Ohio Revised Code, Section 3109.01, the Crestview School District has established the following regulations for the adult students (18-22):

1. Students who reside in our district and are 18 to 22 years of age are not required to pay tuition, and they are also not required to attend school. Any student who becomes 22 must pay the tuition rate established by the Board of Education.
2. Students between 18 and 22 have the right to a free public education and may attend Crestview School District if they reside in the district. These students must adhere to all rules and regulations as established by the school regarding attendance, conduct, and classroom work.
3. It is assumed that returning students are coming to school to pursue an education. Therefore, they are expected to have regular attendance, good behavior, and do passing work in all of their classes.
4. The school will not tolerate loitering in the halls, in the restrooms, on the grounds or refusal to follow directions of school personnel.
5. Failure to follow any of these guidelines may result in expulsion.
6. All eighteen-year-old students will be asked to sign a contract with the principal.

ABSENCE AND TARDINESS: Ohio School Law lists illness and death in the family as legal excuses for being absent from school. The school may require doctor's certification for extended personal illness of more than 3 days. Unusual reasons for absence such as family trips, college visitations, etc. should be cleared in advance with the principal.

According to Ohio State Law, "NEEDED AT HOME" is not an excusable absence unless the set of circumstances deems it to be judged as a sufficient cause by school authorities.

COLLEGE VISITATION: Seniors/Juniors will be permitted three days only for college visitation. These 3 days will not be counted against their days absent. The senior/junior must have made arrangements through the guidance counselor prior to the day of the college visitation and have a written permission slip from their

parents. Seniors/Juniors must bring a note signed by a representative of the college or it will be counted as an unexcused absence.

ATTENDANCE CHECKS: Attendance is checked first period and at the beginning of each class period.

1. Students not in 1st period are recorded absent. Students who arrive after the tardy bell are recorded tardy.
2. A bell rings at the beginning and close of each period. Students are expected to be in the room in their seats and ready for work when the bell rings. Students will remain in the room until the dismissal bell rings. This applies to study hall, gym, chorus, and band as well as classroom subjects.

EXCUSES FOR ABSENCES: Students are required to present a written excuse to the office within 2 days of returning to school. This excuse is to be dated and signed by your parent or guardian and state your reason for being absent and the number of days missed. If excuses are **NOT** turned in to the office within **TWO DAYS OF RETURNING** school absence will be **unexcused**.

EXCUSES FOR EARLY DISMISSAL: Students are required to present a written note to the office the morning they are to be dismissed early. Students who do not have written early dismissal notes are not to leave the building without notifying the administrator or secretary. Students need to bring back to school a written note (signed by parent/guardian) or a doctor's excused (signed by the physician) when returning to school or absence will be **unexcused**. No student will be released to a person other than a custodial parent or guardian without a written permission note signed by the custodial parent or guardian. The adult must sign out the student in the office.

UNEXCUSED ABSENCE TARDINESS/TRUANCY: The district will be following tenants of Ohio HB 410. Specifics will be available online as they are released for students whose absence is ruled unexcused or truant.

CLASSROOM MAKE-UP WORK: School work missed during an excused absence may be made up and credit given. Time allowed for make-up work will be days absent plus one day. Student assignments can be found on the teacher's Google classroom. Teachers may require assignments be due on a specific date and time if the student has been notified in advance.

PROCEDURES: [THE FOLLOWING PROCEDURES WILL ELIMINATE QUESTIONS, CONFUSION, AND PROBLEMS:](#)

1. WHAT TO DO WHEN:

A. You are absent:

1. Call the Education Connection at 482-5618 or your child's building to report your child's absence.
2. You may also use the School Pass App to report your child off school.
3. When you are absent, your name will appear on the daily absence list to notify teachers of your absence from their classes
4. Upon your return, present a written excuse TO THE OFFICE, dated and signed by your parent or guardian, stating your reason for being absent. The number of days missed must be specified on the excuse. This excuse is to be submitted prior to FIRST PERIOD on the day you return to school. Notes **MUST** be received within 48 hours of your child returning to school in order for the absence to be marked excused.

B. You are tardy:

1. Present your written excuse for tardiness to the office as soon as you arrive at school.
2. Sign in electronically in the school office upon arrival.

C. Early Dismissal:

1. Bring a dated written request from your parent or guardian to the office before the morning announcements.
2. Sign out electronically in the school office prior to leaving.

D. Sick at School:

1. Inform the classroom teacher of illness
2. Report immediately to the school office where you will be given further instructions.
3. **DO NOT LEAVE THE BUILDING OR CONTACT PARENTS** without permission from the administrator, school nurse or secretary.

TARDY TO SCHOOL/CLASS: Students arriving tardy to school are to report to the office to sign in electronically.

Students arriving after 7:30 a.m. (MS/HS), 8:45am (ES) will be marked as tardy or late, depending on the time of arrival. Students arriving to school on late buses will not be marked tardy.

Since schools provide transportation, if a student elects to drive, he/she must follow the Student Code of Conduct related to driving as outlined in this Student Handbook.

LEAVING SCHOOL: When a student attends Crestview School District during the regular school day, the school administration takes the responsibility for the health and safety of that student. If a student becomes sick during the school day, the student must report to the office. Parents will be called.

If you have an early dismissal for a doctor's or dentist's appointment, you must bring the note to the school office before first period. Your name will appear on the early dismissal list. Before leaving you must sign out electronically in the school office. No student is to leave school for any reason without permission of an administrator. If you leave school without permission you are considered truant and discipline will be issued to students.

SKIP DAYS: Because our school district administration does not condone truancy, there is no such thing as a SKIP DAY. All students are expected to be in school every day until the last day set by the Crestview Board of Education. Organizing and participating in a SKIP DAY will be grounds for an automatic ten (10) day suspension, and individuals will not be eligible to participate in Senior Awards Assembly, Graduation or applicable events.

TRUANCY, UNEXCUSED TARDINESS, AND UNEXCUSED ABSENCES: Truancy is declared when a student is absent from school or any portion thereof without both school authorization and parent consent. Excuses from school must meet the State and Board of Education conditions as outlined under "Absences" in the student handbook and the Ohio Revised Code.

ANY ABSENCE FOR WHICH A STUDENT FAILS TO PRESENT AN EXCUSE WILL BE COUNTED AS UNEXCUSED. (ORC Section 3321.04) All false excuses are considered to be unexcused, as are all known trancies.

The district will be following tenants of Ohio HB 410.

MEDICATIONS: By Ohio law and district policy, NO medications (prescription, over the counter and/or herbal) are to be administered by school personnel WITHOUT PROPER AUTHORIZATION. Proper authorization includes a written doctor, Physician's Assistant, or Nurse Practitioner's order. Whenever possible, students are encouraged to not take any medication(s) at school unless absolutely necessary. If a student needs to take medicine at school during the school day, the parent/guardian should contact the School Nurse or

building office to obtain the "Administration of Medication" form. Students are legally only allowed to self-carry asthma inhalers and EpiPens with the proper documentation. All other medications must remain in the clinic. A new medication order must be submitted **each** school year. Parent/guardian and medical prescriber's signature is required before medication will be administered to a student. The medication must be in its original container and the dose on the prescription label must match the licensed prescriber's order. Medications will not be administered at school if there are any unanswered questions or incomplete documentation. Students may only bring emergency medications (asthma inhaler, insulin, EpiPen, and Diastat) to school. **ALL OTHER MEDICATIONS MUST BE BROUGHT TO SCHOOL BY AN ADULT.** Unauthorized medications brought to school by a student will be confiscated and will need to be picked up by an authorized adult. Any student carrying medication in school other than a legally prescribed asthma inhaler or EpiPen will have the medication confiscated. The parent/guardian will be contacted and the student may be subject to disciplinary action.

SCHOOL DANCES AND ACTIVITIES:

1. School advisors have complete authority and total responsibility over all individuals attending the activity. This includes the building, grounds, and parking area.
2. Appropriate school attire will be worn.
3. Once entering the building, a student must remain in the building. Upon leaving the building, a student may not return and must leave the school property.
4. Displays of affection will not be permitted at the activity, in the halls, or on school property.
5. Any student or adult having consumed or having possession of any alcoholic beverages will not be admitted, and will be turned over to the local law enforcement officer present.
6. Smoking is not permitted on school property.
7. Students must stay in the immediate area of the facility opened for the dance or activity. They must not enter other areas of the building.
8. Unless otherwise stated, school dances and other school activities are for current students or recent graduates of Crestview or a local high school only. Middle school students are not permitted to attend high school dances.
9. Violation of the above regulations will mean removal from the activity. Suspension or expulsion may result depending on the severity of the offense.
10. Students must attend school a minimum of 6 periods on the day of or day prior to the dance and or activity.

STUDENT CODE OF CONDUCT: House Bill 421 requires every Board of Education to adopt a student code on or before September 1, 1976, covering suspension, expulsion, and removal and the types of misconduct for which a student may be suspended, expelled, removed or administered corporal punishment. A copy of the code must be posted in a central location and made available to students upon request. No pupil may be suspended, expelled, or removed except in accordance with this code.

Our Student Code of Conduct has been established for the welfare of the entire student body. At Crestview School District we believe very strongly in the concept of self-discipline. Our philosophy is that without effective discipline, there is little or no opportunity for a learning situation. We define discipline as control to the point where an atmosphere of learning is established and maintained.

We believe each student has a responsibility to his fellow students and teachers that he or she will exercise self-control to avoid interfering with the educational opportunity within his classroom group and within the school in general. We further believe each student has the right to participate in a learning experience in an orderly and controlled classroom, and he can expect to enjoy this right without disruption by any other class member.

Rules are made in schools, as they are in society, to maintain order. If a student violates any rule, that student must assume the responsibility for his actions. Discipline will be administered to the student as necessitated by the nature and seriousness of the offense. Students who repeatedly fail to follow rules and regulations as listed in the student discipline code will be considered as “unruly” and cited into court under the “unruly child” section of the law. In order for discipline to be effective, it is essential that teachers, parents, students, and administrators work together.

Following is a list of possible disciplinary actions which may be placed in effect against any student who does not comply with the board approved student discipline code:

- a. Conference with administrator or designee.
- b. Detention
- c. Emergency removal from class or school
- d. External Suspension (1 – 10 days), parent conference, and written notification
- e. Internal Suspension
- f. Court action
- g. Expulsion (up to 80 days with loss of credit), parent conference and written notification
- h. Restitution for stolen or damaged (personal or school) property
- i. Loss of privileges (i.e., driving car, bus transportation, extra-curricular activities, etc.)
- j. Confiscation of objectionable materials.

Discipline will be administered according to the seriousness of the specific situation and/or according to the number of repeated offenses committed by the student.

EMERGENCY CLASS REMOVAL: Removal from class for disciplinary action is a serious matter. Administrators may remove a student from class for the remainder of the current school day or period if that student’s continued presence represents a disruption to the class. Students dismissed are to report immediately to the principal’s office with an appropriate explanation by the teacher to follow. Each dismissal from class will be judged independently. Disciplinary action may range from detention to expulsion.

SUSPENSION/EXPULSION: Suspension, or expulsion of students for insubordination, misconduct, violation of the Student Conduct Code, behavior detrimental to the best interests of the school, the use of profane or obscene language, immorality, etc. may be determined by the Superintendent of Schools or the administrator. School officials will notify students and parents by letter of intended suspension, expulsion and other serious disciplinary action. A conference with parents, student, and administrator will be arranged when necessary before a student is suspended or expelled. If the pupil’s presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, he/she may be removed without notice or hearing requirements. Students receiving suspension or expulsion may request a hearing before the local superintendent.

Students suspended from school are also suspended from all extracurricular activities until the morning of their first day returning to school from suspension. This includes weekend activities if the return day is a Monday.

Students who received external suspensions are expected to make up their school work and receive full credit.. School work is due upon return to school and students must be prepared to resume class expectations upon return.

STUDENT RIGHTS AND RESPONSIBILITIES: Students attend Crestview Local School District under the direction of Ohio State law and with full benefits of constitutional protection for their rights as citizens. Students therefore can act, speak or behave as young citizens within a large scope of options. This code of conduct, in conformity with O.R.C. 3313.661, specifies this school’s expectation. Students have a right to expect reasonable behavior from other students.

VIOLATION OF THE STUDENT CONDUCT CODE: A violation of any of the following rules while on the school grounds or at any school activity off school grounds will result in disciplinary action, including detention, suspension, expulsion, and the denial to participate in extracurricular activities.

DETENTION: Detention periods will be assigned as a penalty for truancy, tardiness, discipline problems, or violation of the Student Conduct Code. A student will be referred for detention by school personnel. Detentions will be held in a classroom with a staff member based on each building’s calendar. Parents will be notified of a pending detention to arrange for transportation of the student. If a student is absent from school the day of an assigned detention, the detention will be made up on the next scheduled detention day. If the student has an unexcused absence from the assigned detention he/she will be assigned an alternate discipline. Students assigned to detention are expected to bring assignments to work on during this time. Students who repeatedly receive detention will be subject to suspension.

SEARCH AND SEIZURE: Administrators may search a student or his/her property (including vehicles, purses, backpacks, gym bags, etc.) with or without the student’s consent, whenever they reasonably suspect that a search will lead to the discovery of evidence of a violation of law or school rules. The extent of the search will be governed by the seriousness of the alleged infraction and the student’s age. Student lockers are the property of the District and students have no reasonable expectation of privacy in their contents or in the contents of any other District property including desks, containers or computers. School authorities may conduct random searches of lockers and their contents at any time without announcement. Unannounced and random canine searches may also be conducted. Additionally, students have NO reasonable expectation of privacy in their actions in public areas including but not limited to, common areas, hallways, cafeterias, classrooms and gymnasiums. The District may use video cameras in such areas and on all school vehicles transporting students to and from regular and extracurricular activities. Anything that is found in the course of a search may be used as evidence of a violation of school rules or the law, and may be taken, held or turned over to the police. The School reserves the right not to return items that have been confiscated.

PBIS

Crestview Local Schools is committed to reinforcing the positive behaviors students exhibit. At each building, there will be a

committee to implement rewards & acknowledgement for students who are showing appropriate behaviors during the school day.

RULES:

1. **DISRUPTION OF SCHOOL:** A student shall not use violence, force, coercion or threats to cause material disruption or obstruction to the normal school day, including all curricular and extracurricular activities. Students shall not advocate or encourage others to cause disruption of the educational program or to violate school rules. The following list is not intended to be exhaustive but rather to give examples of various types of violations of this rule—they include, no pagers, bomb threats, the setting off of fire alarms, strikes, walkouts, the use of smoke or stink bombs, fireworks, the impeding of free traffic to or within the school, no cell phone usage, no personal listening devices, no headphones etc.

DISCIPLINARY ACTION: May result in removal of the school computer, detention, expulsion or report to authorities depending on the severity of the offense.

CELL PHONES: Since Crestview Local School District is a one-to-one initiative for all grades K-12, it is unnecessary for a student to need a cell phone for technology use in the classroom. Students should not have a cell phone on them during class, as this leads to loss of instructional time by distraction, and displaces

attention meant for learning. Students can leave their phones silenced or off in a locked locker, or phone pockets (grades 9-12) will be in each classroom for students to place their phones in a pocket, silenced or off, and retrieve at the end of class. Students who don't place their phones in a locker or the classroom pockets, and are caught during school hours with their phones will have their phone taken to the office and the student can pick it up at the end of the day for the first offense. Each offense after the first, will require a parent to come into the office during regular school hours to retrieve the phone. Disciplinary action will be taken on a case by case review. For grades 9-12, students will be permitted to use their cell phones during their lunch period.

8. **DAMAGE OF PROPERTY:** A student shall not cause or attempt to cause damage to school property or private property on school premises or under school control or during a school activity, function or event on the school grounds. Pupils should take care of all school property. Desks should be kept free from pencil marks and scratches. Students involved in damage to school property, through arson or any means, will be held responsible for the cost and/or labor necessary to repair the damage. Disciplinary action will be taken against all offenders. The following list is not intended to be exhaustive but rather to give examples of various types of damage covered by this code: trees, landscaping, fences, athletic facilities, desks, computers, books, lighting fixtures, heating fixtures, instructional materials, school buses, etc.

DISCIPLINARY ACTION: May range from detention to expulsion depending on the severity of the offense.

9. **THEFT/TRESPASSING:** A student shall not cause or attempt to take into possession the public property or equipment of the school district or the personal property of any other person, on school property, or at any school sponsored activity. COUNTERFEIT DRUGS AND RELATED TOOLS OR

“LOOK-ALIKE” DRUGS: Two categories of drug products contribute to the look-alike drug problem: true look-alike and over-the-counter (OTC) stimulants and depressants.

True look-alike drugs are products that mimic prescription stimulants and depressants (in size, color, shape, or marking), such as amphetamines, methaqualone (Quaaludes), or cocaine. Those look-alikes promoted as “uppers” for their amphetamine like properties generally contain one or more of the following non-prescription stimulants: Caffeine, phenylpropanolamine (PPA) or ephedrine. Look-alike products marked as tranquilizers or “downers” usually contain only antihistamines.

The look-alike drug problem also involves OTC stimulants and depressants that do not require prescriptions because they are not registered under the Controlled Substance Act. Most of these

psychoactive substances are marketed as diet aids, “pep” pills, or sleep aids. They are not manufactured to deceive the public and do not look like controlled substances. However, these products contain the same ingredients (PPA, caffeine) in various combinations, as do the true look-alikes.

DISTRIBUTION: Manufacturers of look-alike drugs promote the products via online ads, through college newspapers, handbills at truck stops, unsolicited literature from mail order firms, or through storefront operations often located near high schools or college campuses. Distributors promote the drugs as “100 percent legal” or “legal stimulants” and have even offered free samples through the mail. In some cases, the products are advertised by the street names for amphetamines and barbiturates (e.g., Black Beauties, Yellow Jackets, Speed and White Crosses); and because of the physical appearance, the buyer may be led to believe that he or she is purchasing a controlled substance.

DANGERS OF LOOK-ALIKES: The health effects of look-alikes and other OTC stimulants and depressants are the developmental danger they pose for young people. Easy availability, for maturing adolescents, of legal highs increases the likelihood of developing a pattern of use of drugs as a shortcut to pleasure and as a substitute for satisfaction derived from realistic achievement. In terms of physical effects, well-documented reports show severe hypertension and cerebral hemorrhages, resulting in death, associated with the abuse of the ingredients of look-alike drugs. Central nervous system and circulatory system reactions to caffeine include insomnia, restlessness, and excitement as well as hypertension and tachycardia. The administration of ephedrine may cause reactions similar to those experienced from amphetamine use, including anxiety, restlessness, weakness, throbbing headache, respiratory difficulty and palpitations. Potentially life-threatening effects are hypertension and cardiac arrhythmias. The toxic effects of PPA are similar to those of ephedrine.

Individuals who purchase look-alikes on the “street” may unknowingly obtain real amphetamines and take quantities sufficient to result in overdose. Conversely, individuals who have been abusing amphetamines may underestimate the potency of look-alike drugs and take an excessive quantity, seeking the unexpected “kick” with a resultant toxic reaction.

RELATED PENALTIES: Whoever violates, no person shall knowingly possess any counterfeit controlled substance, is guilty of possession of counterfeit controlled substances, a misdemeanor of the first degree. SICK CHILDREN...send or stay home?

GUIDELINES FOR PARENTS

Students must be current with all immunizations required by law. Deciding when a child is too sick to go to school can be a difficult decision for parents to make. When trying to decide, use the guidelines below and seek advice from your healthcare provider.

DO NOT GO TO SCHOOL---If your child has any of the following symptoms, they should probably not go to school:

-CHICKEN POX (Varicella): Chicken pox blisters appear in crops and are infectious until ALL blisters are dried and crusted over (usually 7-10 days after start of rash.) Keep child at home until no longer contagious.

-COLDS: A runny nose is not necessarily cause to keep your child home. Keep them home with a runny nose AND a fever, bad cough, headache or nausea, or if the child is too tired or too uncomfortable to function at school.

-DIARRHEA: Keep child home for persistent watery stools especially if the child looks or acts ill. Persistent diarrhea, especially

if accompanied by fever and cramps should be evaluated by your healthcare provider.

-EARS: Drainage from an ear and/or ear pain should be evaluated by your healthcare provider. Untreated ear infections can cause temporary and/or permanent hearing loss.

-EYES: Thick mucus, pus, or clear liquid draining from the eye may be contagious. One or both eyes may also appear extremely red and feel irritated, itchy, or painful. The eyelid may also be swollen and the eye may be sensitive to light. Return to school when the drainage and symptoms have cleared. You may need to get a prescription for eye drops from your healthcare provider.

-FEVER: A child must be fever free for **24 HOURS** before returning to school. Stay home for a temperature of 100.5 degrees Fahrenheit or higher within the last 24 hours.

-LICE: Please notify the school nurse if your child has head lice. For a noted infestation of lice and nits (eggs,) your child may not return to school until they have been treated.

-NASAL DISCHARGE and/or CHRONIC COUGH: These conditions may be contagious and require treatment. Your child should be evaluated especially if accompanied by fever and a large amount of mucous drainage.

-RASH: Any skin rash of unknown cause may be contagious and require medical treatment, especially with fever and itching. Consult with your care provider. You may be asked to present a medical excuse from your physician that the rash is not contagious or no longer contagious.

-SORE THROAT: A sore throat, especially with fever and swollen neck glands may be contagious. If infected, please notify the school nurse. Return date should be discussed with the school nurse.

-VOMITING: An ill child who is vomiting should remain home for 12-24 hours after the episode and until the child has tolerated at least two normal meals. If related to a head injury, a vomiting child should be seen by the student's physician or in an emergency room. Please report the head injury to the school nurse.

MEDICAL EXCUSE FOR PHYSICAL EDUCATION CLASS:

Students who are excused from Physical Education classes for Dr. approved medical reasons must present notification from the Dr. with the dates for missing the physical education class. A notification from the Dr. must contain the return to class medical release date.
