# From the Desk of the Superintendent

As we approach the end of the calendar year, I want to take a moment to celebrate the accomplishments we've achieved together so far. Our theme of **INVEST** continues to inspire and guide our actions, and December brings a unique opportunity to reflect on the meaningful investments we've made in our students, staff, and community. This month, we'll be focused on celebrating our successes, closing out the semester on a strong note, and preparing for the exciting opportunities ahead in the new year.

## **Investing in Our Students**

December is an important academic month as students wrap up projects, assignments, and assessments before winter break. The dedication they've shown this semester has been impressive, and it's clear that their hard work is paying off. Our teachers are doing a fantastic job supporting students, ensuring that they feel prepared and confident as they complete their coursework. I want to remind students to reach out if they need additional help or resources—our staff is here to make sure every student has what they need to succeed.

This month, I am encouraging our students to take pride in their accomplishments and reflect on the progress they've made since the beginning of the year. As they set new goals for the coming semester, it's a great time to recognize their resilience, growth, and the positive impact they're having in their classrooms and beyond.

## **Investing in Each Other**

The spirit of giving and kindness is very much alive in our district. Our staff has worked diligently to create a positive learning environment, and it's been heartening to see teachers and support staff collaborate to ensure that all students feel valued and supported.

As we approach winter break, it's also a priority for us to recognize the hard work of our staff. I want to extend my heartfelt gratitude to each of them for their commitment to our students and for fostering an environment where both academic and personal growth are possible. We hope everyone takes time during the break to rest, recharge, and reconnect with loved ones.

## **Investing in Our Community**

We continue to find ways to give back to our community. Recently, The Elementary School at Platte Center prepared and planned its annual Veteran's Day Program, Shell Creek Students took time to distribute cards to our local Veterans, and Lakeview conducted a successful blood drive. All three of these events/programs are a great example of investing in our community and the wonderful people who make up Lakeview.

December is a time when we see the full impact of our district's connection to the community. From holiday donation drives to volunteer projects, our students and families have been incredibly generous in their efforts to support those in need. The response to our drives has been outstanding, and I am deeply appreciative of everyone who contributed.

## **Investing in Ourselves**

As the holiday season approaches, it's an ideal time to focus on self-care and well-being. December can be busy, and I encourage everyone to prioritize rest, relaxation, and time spent with family and friends. Taking care of ourselves—whether through setting aside time for hobbies, practicing mindfulness, or simply enjoying some quiet time—ensures that we return from winter break ready to continue investing in our shared goals.

Wishing you all a joyful holiday season and a happy new year!

Sincerely,

Jason Cline  
Superintendent  
Lakeview Community Schools

## SHELL CREEK STUDENTS PARTICIPATE IN KIDS HEART CHALLENGE!!!!!!

On November 6-12, 2024 Shell Creek Elementary students, grades 1st -6th participated in the annual Kids Heart Challenge, also known as Jump Rope for Heart. This program is sponsored by the American Heart Association in schools throughout the nation. Each year the American Heart Association asks each school nationwide to participate in this program to help fight heart disease and stroke.

American Heart Association®

**KIDS**  
**HEART**  
**CHALLENGE™**

The students at Shell Creek Elementary have shown a great interest in this program and worked hard to raise funds to help in the fight against heart disease and stroke. This year Shell Creek Elementary had **293** students participate, with **61** of those students turning in money donations for the American Heart Association. This year Shell Creek Elementary raised **\$2735.34** to help fund research and programs in and around our community fighting heart disease and stroke.

I would also like to recognize this year's top money raiser at Shell Creek Elementary. Normally it is a pretty close race when it comes to determining the top money raiser and this year was close again. **Ryleigh Spitz, a 4th grader in Mrs. DeBower's** class turned in the most money with **\$498.19**. Ryleigh will receive a recognition certificate from the American Heart Association for her hard work and efforts to promote healthy lifestyles. **Congratulations to Ryleigh!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!**

As this year's Kids Heart Challenge coordinator, I would like to thank all of the students for their hard work and efforts. It's a total school effort and these students showed a lot of excitement and enthusiasm about participating in this year's Kids Heart Challenge. I would also like to thank all the teachers and parents for all your help in getting the money back to me so quickly. By doing this I was able to get the money sent off to the American Heart Association as soon as possible so the student's additional prizes (Jump Rope, T-Shirts, Playground Balls) can be received to reward their efforts. I look forward to next year's Kids Heart Challenge and teaching the students to be physically fit and healthy for a lifetime.

Sincerely,

Chris Thoms

# Veterans Day at Platte Center Elementary

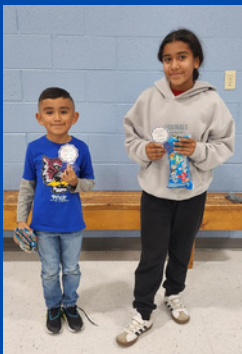

The Veterans Day Program at Platte Center Elementary School was a heartfelt tribute to those who have served in the armed forces. On Monday, November 11, the school community was honored to welcome 19 veterans, with six of these distinguished guests receiving the prestigious Quilt of Valor—a symbol of gratitude and recognition for their service. The event featured an inspiring speech by Tylor Szatko, an alum of Platte Center Elementary and a graduate of Lakeview Jr/Sr High, whose familial ties to the school remain strong through his grandmother, Mary Szatko, the school's cherished cook. The program included stirring performances by students, with the 4th-6th graders performing "Remember Flanders Fields" and selected 6th graders, Vicente Rojo Aguilar, Bree Paesl, Kylie Palensky, and Serenity Ellis, delivering special readings. Meanwhile, the younger students from K-3rd grades sang a heartfelt rendition of "God Bless America." The solemn mood was further enriched by the poignant notes of "Taps," played by Lakeview district choir teacher, Mrs. Christy Cash, making the event a memorable occasion of respect and remembrance.

"Rooted in Love"

November has been a month full of Blessings! We celebrated our Fall Festival with fun costumes and games to play at school. Our school attended the STEM Science program at Ag Park in Columbus. We hosted a Veteran's Day Brunch. We also had a Food Drive for our local Rescue Mission in Columbus. Our Middle and Big Room took a trip to Lincoln for the UNL Life Skills Program. Let's see what adventures December brings as we prepare our hearts and our homes for the coming of our Christ Child.

## Christ Lutheran Happenings

This month our middle and lower grades enjoyed a wonderful field trip to the 4-H STEM Field Day and Insane Science Day. We learned much about unique animals, how to engineer and design our ideas to solve problems, how to code and program, and how to work together to accomplish a goal!

Our upper grades also led us in a wonderful mock election process, where we were registered to vote, held primaries within our two parties, listened to a debate between the two main candidates, and then finally cast our votes! We were deciding on the best book character to represent our school. The winner was: The Cat in the Hat!

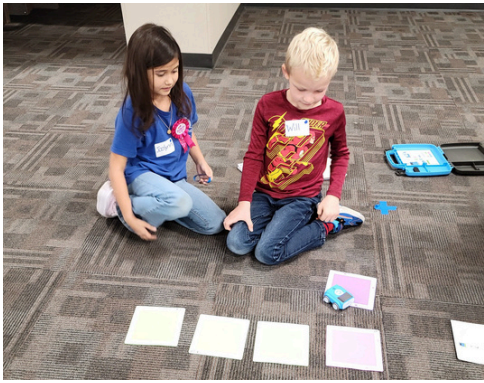

We are now busy preparing for our Children's Christmas Service, which will be held on Sunday, December 22nd at 5PM. We hope to see you there!
