

# DIGITAL ACCOUNTS FOR STUDENTS

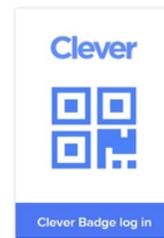

HANOVER TOWNSHIP PUBLIC SCHOOLS

Students in Kindergarten through Grade 5 will use **Clever** to access all of their digital accounts. Clever is a single sign-on platform compatible with a laptop, desktop, or Chromebook. We recommend using the latest version of Google Chrome for an optimized experience.

## Signing in with a District-Issued Chromebook

### Grades K-2

Turn on the Chromebook and select, NEXT.  
Hold your child's Clever badge to the camera to sign in.  
(Clever badges are distributed by your child's teacher).

### Grades 3-5

Turn on the Chromebook and select,  
Sign in with a different account.  
Enter your child's Google username and password.  
(Given by your child's teacher).

*Grade 3 students will begin the school year using a Clever badge.*

## Signing in with a Personal Device

Use the latest version of Google Chrome for an optimized experience.  
Make sure that no other members of the household are signed into Chrome.  
In order to use the single sign-on feature, install the Clever extension  
onto your browser. Otherwise, use the following QR code : →
