## Forty-four District 200 seniors named Illinois State Scholars

Woodstock Community Unit School District 200 is pleased to announce that 44 students from Woodstock and Woodstock North high schools' Class of 2025 were designated as Illinois State Scholars.

The [Illinois Student Assistance Commission](#) (ISAC), the state's college access and financial aid agency, confers this important recognition of academic achievement to exceptional Illinois high school students annually. This year, more than 16,500 honorees join the other outstanding students who have been honored since the designation was first introduced in 1958.

The State Scholar formula calculation uses a combination of the ACT/SAT test scores, class rank or the unweighted GPA, and class size. Illinois State Scholars generally rank among the top 10 percent of the state's graduating seniors.

"These students should be very proud of the hard work they've put in throughout their academic career in District 200. The knowledge they've gained and the habits they've developed will serve them well in the future," District 200 Superintendent Mike Moan said.

Each State Scholar designee receives a congratulatory letter from ISAC and can download an official Illinois State Scholar badge to display on their online profiles and social media platforms, as well as share with their high school counselors, colleges.
