Program of Study Planning
<ul style="list-style-type: none"> To complete this Program of Study, a student must double down on English and Science credits their 10th grade year to make room for Navarro courses in the 11th and 12th grade. A student must be positive that this Program of Study is what they wish to complete because of the differences in their English and Science courses taken and time devoted in their 11th and 12th grade years. Students in this particular Program of Study will have no room for extracurricular activities, unless they speak individually with teachers, but those classes will not appear on their schedule.
