- 4.8.8 If the public employer is held liable, the exclusive representative shall indemnify the employer and held the employer harmless from all liability arising from the act, omission or injury that occurred during the period of time release leave.

Article 5 – Work Week

- 5.1 **Workweek:** A full-time work schedule shall consist of forty (40) hours within the designated workweek, worked on the basis of five (5) eight (8) hour days or four (4) ten (10) hour days. To the extent consistent with the operational needs and requirements of the District, such workdays shall normally be consecutive as scheduled by the District. To the extent consistent with the operational needs and requirements of the District, the District will schedule work on a Monday-through-Friday basis. The District reserves the sole discretion over operational needs and requirements.

In accordance with ORS 279.340, (overtime) the District will compensate employees at the rate of time and one-half (1-1/2) for all hours worked in excess of forty (40) hours per week.

- 5.2 **Rest Periods:** Those employees who work four (4) or more hours per day will receive a paid fifteen (15) minute break during each four (4) hour period. Additionally, breaks of fifteen (15) minutes will be provided at least at the minimum hourly increments required by state and federal law and as detailed on the Meal and Rest Break Periods chart in Article 5.4.

Oregon law requires an employer-paid rest period of not less than ten (10) minutes for every segment of four (4) hours or major part thereof two (2) hours and one (1) minute through four (4) hours worked in one work period. This time must be taken in addition to and separately from required meal periods. The law requires employees to take all required breaks in the middle of each four (4) hour (or major part thereof) work segment. It is prohibited for an employer to allow employees to add the rest period to a meal period or to deduct rest periods from the beginning or end of the employee's work shift.

- 5.3 **Meal Period.** Employees shall receive an unpaid uninterrupted meal period of one-half (1/2) hour in accordance with Oregon Revised Statutes and Oregon Bureau of Labor and Industries (BOLI) requirements. Such time shall be scheduled by the employee's immediate supervisor as near as possible to the halfway point of the individual's work day.

Ordinarily, employees are required to be relieved of all duties during the meal period. Under exceptional circumstances that only occur rarely and temporarily, however, the law allows an employee to perform duties during the meal period. When an employee must work all or part of their meal period, as directed by their immediate supervisor, the employer must pay the employee for the whole meal period.

5.4 **Oregon BOLI Minimum Requirements for Meal and Rest Break Periods Based on Length of Work Period.**

Length of work period	Number of paid rest breaks required 15 minutes by CBA	Number of unpaid uninterrupted meal breaks required 30 minutes minimum
2 hours or less	0	0
2 hours 1 minute – 5 hours 59 minutes	1	0
6 hours	1	1
6 hours 1 minute – 10 hours	2	1

The Oregon BOLI requirements for rest and meal period breaks may be modified by the terms of a collective bargaining agreement if the terms of the agreement specifically prescribe rules concerning rest and meal periods as long as the minimum times are met.

5.5 **In-service Day(s).** The District shall provide a minimum of one (1) in-service day for classified at the beginning of the school year, and opportunities for additional professional learning during the school year.

5.6 **Transporting Students.** Classified employees who are assigned the duty of driving/transporting students will be provided written guidelines and any required on-going training; necessary emergency student health/medical and contact information; a properly equipped district vehicle; District-provided auto insurance coverage for the driver and the District vehicle; and any other items needed to provide for the safe transportation of students. District vehicles with working cameras will be in use for student transportation.

5.7 **Work Schedules.** Upon hire employees shall be provided with a written schedule which shall be updated to keep current. The schedule will contain: work shift start and end times, designated paid rest and unpaid uninterrupted meal breaks, and a fifteen (15) minute period of time when the employee shall check their work email.

5.8 **Surveillance Video Equipment**

The District has surveillance video equipment at all sites for purposes of monitoring school safety and security. When issues of school safety or security require that video footage needs to be viewed, school administrative staff will be responsible for reviewing that footage.

a) Information derived from electronic surveillance will not be used for purposes of staff supervision and/or evaluation and does not exist for such purposes.

- b) This agreement does not preclude the District from investigating a claim of potential employee misconduct if such an investigation is prompted by a review of the electronic surveillance for another bona fide school safety or security need, and possible misconduct is discovered. In such instances, the bargaining unit member and their OSEA representative (if applicable) shall be provided a copy of the video footage at the onset of the investigation.
- c) Association members shall be informed of the location and purpose of such equipment by their school administrator. A centralized school map of camera locations shall be available for viewing upon request.
- d) Except as otherwise provided by this Agreement, employees shall remain entitled to all of the benefits and rights provided by the collective bargaining agreement between the parties.
- e) Any disputes regarding an alleged violation or the interpretation or application of this agreement shall be resolved pursuant to the grievance procedure in the collective bargaining agreement between the parties.

Article 6 – Reduction in Force and Recall

- 6.1 **Seniority:** Seniority shall be defined as the employee’s total length of continuous service with the District within the employee’s assigned range and column.

For the purpose of computing seniority, all authorized paid or unpaid leave of six (6) months or less shall be considered as time worked. Employees who are laid off as a result of a reduction in positions and who are subsequently reinstated shall retain their full seniority except for the period of layoff.

- 6.2 **Reduction in Force/Layoff:** In conducting a layoff under this section, the District will first determine the programs(s) or area(s) scheduled for reduction or elimination. When considering a reduction in force, the District shall notify the affected classified employees and the Association within five (5) working days following the decision by the School Board. If the layoff is to occur in the same year as the Board's decision, the District will give the Association and affected classified employees at least thirty (30) calendar days notice. Employees shall be given written notice of layoff (by mail or hand delivery) and by verbal contact (by phone call or private meeting) so that every effort is made to contact employees when layoffs occur, regardless of the time of year.

Bargaining unit employees within the affected job title shall be laid off on the basis of the employee's seniority (See 6.1) within the District. The employee with the least District seniority shall be the first laid off. However, the District reserves the right to layoff out of order seniority if retention of special job skills is required.

- 6.3 **Bumping Rights:** When layoffs occur, the District shall provide for bumping rights of more senior employees. More senior employees shall bump the least senior employee in the (a) same job title and with the same annual hours of employment, (b) the same job title and with lower annual hours of employment. More than one less-senior employee may be bumped for an aggregate of annual hours to allow for senior employees to maintain as many of their annual hours of employment as possible.

- 6.3.1 If there are no positions within the same job title for which the employee is eligible to bump (because, for example, the employee has the least district seniority within the job title or there are no other such positions in the District), the employee shall be eligible to bump (a) the least senior employee in a job title in the same classification, with the same or lower maximum rate of pay and the same annual hours of employment if the employee can demonstrate that they are qualified to perform the work of the job title that is proposed to bump, (b) the least senior employee in a job title, in the same classification, with the same or lower maximum rate of pay and lower annual hours of employment. (Any employee who can meet the minimum qualifications specified in the most recent position opening announcement for the job in question shall be considered qualified.)

6.3.2 An employee affected because of a reduction in force shall also be eligible to bump into (a) a position formerly held within the District if (b) the employee has greater seniority within the specific job title and remains qualified.

Employees may bump into positions that provide less than one hundred percent (100%) of the annual total compensation (including insurance benefits) earned at the time of layoff if there are no other jobs with greater total compensation available, however, by doing so, the employee does not forfeit their right to recall into a position with greater total compensation (up to their total at the time of layoff) if forces increase during the recall period.

6.4 **Recall:** When forces again increase, employees shall be returned in the inverse order in which they were laid off. District seniority shall be used to determine the order of return to work within a job classification consistent with the employee's ability to perform the job. Any employee who can meet the minimum qualifications specified in the most recent position opening announcement for the job in question shall be considered qualified to perform the job. Job classifications are set forth in Appendix B and include:

Classification 1: Maintenance/Custodial
Classification 2: Clerical/Other

An employee shall also be eligible for recall into a position formerly held within the District outside of their most recent classification if the employee remains qualified. In such case, the employee's seniority within the former position shall be used to determine order of return.

Recall rights expire sixteen (16) months after the date of layoff. The District shall have the responsibility to contact the employee for a sixteen (16) month period following a reduction in force. The employee shall have the responsibility of notifying the District during this sixteen (16) month period of a change in address.

Employees shall not be required to accept positions that provide less than one hundred percent (100%) of the annual total compensation (including insurance benefits) earned at the time of layoff. Should an employee accept a position with the District in a lower salary range or shorter hours, the employee shall retain all rights to be recalled in a higher range and hours, up to the level earning at the time of layoff.

The District shall simultaneously send a copy of the rehire offer and responses to the Association.

Part-time employees shall not be required to accept a position with greater hours.

Full-time employees whose positions have been eliminated may bump into one or more part-time jobs within a job classification if no other full-time jobs are available.

Article 7 – Job Postings, Transfers, and Job Shares

- 7.1 **Job Postings:** At least five (5) calendar days prior to the closing of any job posting, regular and temporary/seasonal position vacancies including job descriptions shall be posted on the District’s website, on OSEA bulletin boards at each work site, and copies shall be sent to the Association president and secretary.

Current employees may apply for a job posting by completing the simple application process in TalentEd. Employees that meet the minimum qualifications of the position shall be offered an interview.

- 7.2 **Transfers:** When a regular job vacancy occurs which the District intends to fill by transfer, a notice shall be posted within thirty (30) calendar days of the vacancy.

At least five (5) calendar days prior to the closing of a transfer vacancy, the District shall make available to the Association by posting the transfer vacancy notice and job description on the District website, on OSEA bulletin boards at each work site, and copies sent to the Association president and secretary.

Current employees may apply for a transfer by completing the internal application process.

Employees shall be notified by the Superintendent of approval/denial of the transfer within ten (10) working days after the closing of the position.

- 7.3 **Job Share:** Education programs must be the primary consideration in determining whether a job is to be shared. Job Share assignments shall be filled only by staff who have jointly agreed to work together.

7.3.1 Job sharing shall refer to two (2) qualified employees sharing one (1) position. The responsibility for determining whether or not a position is to be shared shall rest with the building principal and be authorized by the Superintendent.

7.3.2 Individuals wishing to job share shall jointly submit a plan to the Superintendent by April 1, counter-signed by the building principal signify their acceptance of the request. Job sharing may be granted annually upon mutual agreement of the two (2) employees, and with the approval of the building principal and the Superintendent. A new plan must be submitted each year. The plan submitted will identify the responsibilities of each of the job share participants.

7.3.3 Job share plans shall also identify primary and secondary jobholder status for each employee. Primary jobholder refers to the employee who held the full position prior to the job share agreement. Secondary jobholder refers to the employee brought in to the job through the job share agreement. When two (2) individuals apply for a position which neither hold, with the intent to job share,

primary and secondary jobholder status must be determined by the job sharers.

The primary jobholder retains the right to discontinue the job share at the annual expiration of the agreement and to have their hours restored. If the primary jobholder elects to discontinue the job share agreement at its expiration, the secondary jobholder may exercise their rights under Article 6 - Reduction in Force and Recall. A displaced job sharer may not bump into another job share arrangement.

If either employee resigns or otherwise terminates employment, the other employee must assume the duties of that position. An employee seeking to job share their position will be entitled to participate in the process of recruiting, interviewing, and selecting job share candidates.

- 7.3.4 Compensation shall be prorated to reflect the fraction of the position being shared. Each employee is entitled to a step increase in accordance with the Agreement. The two (2) participants may divide insurance and all other benefits (including early retirement, paid leaves, and holidays) so that the cost to the District will not exceed the normal benefits for one (1) full-time employee (subject to insurance carrier limitations).

Retirement will be in compliance with the legal requirements and contractual terms. Unemployment insurance and workers' compensation shall be provided.

Article 8 – Personnel Records

- 8.1 There shall be one (1) personnel file kept in a central location for each employee. The employee shall have the opportunity to sign all adverse materials prior to being placed in the personnel file; the signature only indicates that the employee has seen the material and does not indicate agreement. Any material added to the file that has or could have a negative impact upon employment shall be shown to the employee prior to its placement within the file. The employee shall have the right to attach a written rebuttal to any material placed in the personnel file.

No evaluation document, disciplinary document, complaint or any other document that reflects critically upon an employee's performance will be placed into the employee's personnel file without a copy being furnished to the affected employee and the employee shall be given the opportunity to sign the document. Should an employee refuse to sign, the supervisor shall indicate on the document that the employee refused to sign and sign and date the document themselves.

- 8.2 Any employee and their designee may examine their personnel file at any time. A designee must have approval from the employee to view the material.
- 8.3 After a minimum of five (5) years from the date of occurrence, an employee may request that the District remove disciplinary items that have been placed in their personnel file. Items that will not be removed include sexual misconduct or harassment, misuse of District resources, theft, and any performance-related issues that have been repeated during the most recent ten (10) years. Items shall be removed by agreement of the employee and the Superintendent.

Article 9 — Severability of Provisions

- 9.1 In the event any words or sections of this Agreement are declared to be invalid by any court of competent jurisdiction, by ruling by the Employment Relations Board (ERB), by statute or constitutional amendment or by inability of the employer or the employees to perform to the terms of the Agreement, then upon request by either party the invalid words or sections of this Agreement shall be reopened for negotiations. Renegotiation of the Agreement is pursuant to ORS 243.698.

An OSEA Field Representative will work directly with any classified employee who brings forward a labor law violation complaint.

10.3 Grievance Purpose

10.3.1 The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances which may from time to time arise. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

10.3.2 Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss that matter informally with any appropriate member of the administration, and having the grievance adjusted without intervention of the employee organization, provided the adjustment is not inconsistent with the terms of the Agreement and the employee's organization has been given the opportunity to be present at such adjustments.

10.4 **Grievance Procedures**

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered a maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

Year-End Grievances:

In the event that a grievance is filed by an employee working less than twelve (12) months at such time that it cannot be processed through the steps in this procedure by the end of the work year of the grievant, by mutual agreement of the District and the Association, time limits set forth herein may be modified.

10.4.1 **Level One - Informal Conversation:** An employee with a grievance shall first discuss it with their principal or immediate supervisor, either directly or through a representative with the objective of resolving the matter informally. Said grievance is to be initiated within twenty (20) working days of the occurrence of the grievance or first knowledge thereof. Failure to file a grievance within this time frame shall prevent the further prosecution of the grievance.

10.4.2 **Level Two - Superintendent:** If the grievance is not satisfied with the disposition of their grievance at Level One, or if no decision has been rendered within ten (10) working days after presentation of the grievance, they may, within ten (10) working days, file the grievance in writing with the Superintendent. The written grievance statement at Level Two shall contain an explanation of the grievance, the specific provisions of the Agreement that have been violated, and the requested remedy.

Within ten (10) working days of receipt of the written grievance by the Superintendent, the Superintendent or their designee shall meet with the aggrieved in an effort to resolve it.

10.4.3 **Level Three - Arbitration:** If the Superintendent's decision is not satisfactory, or if no decision has been rendered within ten (10) working days after the meeting, the grievance may, within ten (10) working days of the Superintendent's decision, be referred to binding arbitration.

When a timely request has been made for arbitration, the parties to this Agreement or their designated representatives shall attempt to select an impartial arbitrator.
