Good luck as you move on to great things. The Eaton SAY Soccer board would like to ask you to look back on one moment where playing recreational soccer with SAY had a positive influence in your life. That moment was the direct affect of parents/ businesses/ volunteers donating some portion of their time, talent or money to provide you with the ability to play. If you would care to share that experience with the club please feel free to attach another short page but more importantly, carry that moment with you into your future and if/when you can pass on a similar experience to the youth of America, please do so. Thank you for playing and helping EATON SAY SOCCER.
