FFA NEWSLETTER

Chippewa Falls Soils Contest

On October 31st the soils team went on a long trip up the Chippewa Falls to compete in another soils contest! While it was a long drive and a cold and rainy day the soils team had great success! The senior team placed 1st overall in the whole competition and a few individuals did extremely good as-well! Jaci Kammes placed 2nd overall, Alyvia Ruegsegger placed 3rd overall, and Keira Brunner placed 5th overall!

Food for America

On Thursday, November 4th we put on our Food for America for the elementary students! We had many station including dairy cattle, beef cattle, goats, chickens, rabbits, FFA information, dairy products, Atv/tractor safety, and more! We had a great time and hope that all of the kids learned more about agriculture and where their food comes from!

Halloween Saftey

On Wednesday, October 30th the FFA officer team along with the sheriff visited each elementary classroom to inform the students about the importance of safety while trick-or-treating! The officers and sheriff explained what to do as well as what not do while trick-or-treating! They also played a few Halloween themed games with the kids and at the end each kid received little treat bags to kick off their Halloween! We are glad everyone had a happy and safe Halloween!

Thank You

A heartfelt thank you to everyone who made our Fall Book Fair a success! Your enthusiasm and support created an excitement for reading that will be passed on to our students. 📖❤️ We sold approximately \$4,000 worth of books. The profit will be used to give students a coupon to spend at the Spring Book Fair. Together, we're fostering a love for reading and learning.

As always,

Happy Reading from Mrs. McCauley—District Librarian

Four students from Mr. Behlke's Entrepreneurship class attended Mini Business World at CESA 3 on Wednesday, October 23. Students were assigned to groups of students from other area schools and had to create an item to "sell" to a group of "sharks (teachers)." Trevin La Dow was part of the team that had the best presentation. Other students who attended were Jackson Berget, Jordan Baker, and Isaac Cheatham. The activity helped students with communication, networking, and other skills that are important in their post-high school endeavors.

National Hand Washing Awareness Week

December 2nd-8th

About Handwashing

Key points

- Many diseases and conditions are spread by not washing hands with soap and clean, running water.
- Handwashing with soap is one of the best ways to stay healthy.
- If soap and water are not readily available, use a hand sanitizer with at least 60% alcohol to clean your hands.

Why it's important

Washing hands can keep you healthy and prevent the spread of respiratory and diarrheal infections. Germs can spread from person to person or from surfaces to people when you:

- Touch your eyes, nose, and mouth with unwashed hands
- Prepare or eat food and drinks with unwashed hands
- Touch surfaces or objects that have germs on them
- Blow your nose, cough, or sneeze into hands and then touch other people's hands or common objects

Key times to wash hands

You can help yourself and your loved ones stay healthy by washing your hands often, especially during these key times when you are likely to get and spread germs:

- Before, during, and after preparing food
- Before and after eating food
- Before and after caring for someone at home who is sick with vomiting or diarrhea
- Before and after treating a cut or wound
- After using the toilet
- After changing diapers or cleaning up a child who has used the toilet
- After blowing your nose, coughing, or sneezing
- After touching an animal, animal feed, or animal waste
- After handling pet food or pet treats
- After touching garbage

How it works

Washing your hands is easy, and it's one of the most effective ways to prevent the spread of germs. Follow these five steps every time.

1. **Wet** your hands with clean, running water (warm or cold), turn off the tap, and apply soap.
2. **Lather** your hands by rubbing them together with the soap. Lather the backs of your hands, between your fingers, and under your nails.
3. **Scrub** your hands **for at least 20 seconds**. Need a timer? Hum the “Happy Birthday” song from beginning to end twice.
4. **Rinse** your hands well under clean, running water.
5. **Dry** your hands using a clean towel or an air dryer.

Use hand sanitizer when you can't use soap and water

Washing hands with soap and water is the best way to get rid of germs in most situations. If soap and water are not readily available, you can use an alcohol-based hand sanitizer that contains at least 60% alcohol. You can tell if the sanitizer contains at least 60% alcohol by looking at the product label.

Anyone interested in purchasing a yearbook for the 2024-2025 school year should have their student bring a check to Mr. Behlke for \$55.00

6th grader Annalise Frei constructed an Egyptian obelisk out of clay for Social Studies class. The Egyptians used obelisks to mark important buildings and temples around their empire.

Elementary and Middle School Yearbooks are on sale now, Elementary are \$11.00 and Middle School are \$15.00. Please send Cash or Check made payable to Black Hawk Schools if you would like to order a 2024-2025 Yearbook.

On November 1st, Mr Brian Kenney, owner of Team Extreme was at Black Hawk, to work with all staff on team building. He had all the staff work together on a puzzle challenge. Staff had to work together, be supportive of each other, and listen as some wanted to give directions to help complete the task. He talked with staff about challenges in teaching and how having self-care options to maintain a healthy person. Brian also worked individually with the elementary staff and the MS/HS staff. The time was fun-filled and full of laughs. It was a time to release some stress and regroup.

Dear Family and Friends:

We are excited to inform you that we are participating in an incredible program that allows us to earn **FREE** classroom equipment and supplies!

Here's How You Can Help!

- Shop at Hartzell's IGA from September 2024 -April 2025
- Shave your receipts and send them to school with your child
- Your receipts will earn us points for free classroom equipment donated by the store!

Please submit your receipts to school by **April 2025** in an envelope marked

Attention Mrs. Pickett. Thank you!

Parent's Club

The Parent's Club meets in the upper commons at 6:00 pm on the 1st Thursday of the month (we do NOT meet every month), our 2024-2025 meeting schedule is as follows:

February 6

April 3

April 30

(The end of year meeting has been changed due to Spring concerts on May 1)

****subject to change****

A few things you can do to support the Parent's Club throughout the year:

- Scan your boxtops.. if you haven't downloaded the APP, please do so, it's a super easy way to help!
- The scrip program, grab some gift cards for birthdays, weddings, showers, or just for yourself, it's a great opportunity to support the Parent's Club (keep a lookout, these sheets will be coming home in your child's backpack)!
- Keep an eye out for future fundraisers and activities! A great way to do this is to follow our Facebook page (Black Hawk Parent's Club)

FUNDRAISING NEWS:

Thank you to everyone who participated in the Fall Fundraiser! We had a bit of a hiccup with the delivery showing up almost 2 hours later than planned, but we made it work, and we are so Thankful for all of your patience! This is always a big one for us, and we appreciate the support!!

We hope you all have a very MERRY CHRISTMAS!!

As always, thank you for your support! We cannot do our part in providing the things we do for our faculty and students if not for your support!

Recycling and Other Dumpsters

(Dumpsters are located next to Riechers Meats)

As always the staff and Board thank everyone who has donated to the metal/aluminum can drive. The funds have proven to be beneficial to the staff and students of the school district. The district greatly appreciates the efforts of Powers Auction Service in providing this opportunity.

A couple of notes that we would like to make:

- Please do not place items with Freon/coolant in the recycling dumpster
- Please do not place TV's or Computer/Related technology in the dumpster
- Please do not place trash in the recycling dumpster
- The other dumpsters (serviced by Faherty) are for school uses only

We do appreciate the donations. Improper use of the dumpsters costs the district and may result in a net loss.

Sincerely,
Willy Chambers

SCHOOL DISTRICT OF BLACK HAWK

REGULAR MEETING

OCTOBER 9, 2024

The meeting was called to order at 6:00 pm by President Dee Paulson in the upper commons. The following members were present Dee Paulson, Val Dunlavey, Clayton Ruegsegger, Cali Schliem, Jim Baumgartner, Mindy Stauffacher, and Jason Figi also present was Administration of Willy Chambers, Cory Milz, Tammy Zimmerman and 3 Guest.

Motion by Baumgartner and seconded by Dunlavey to consent to agenda which includes financial report, September minutes, and posting of agenda. The motion carried on a voice vote.

Administration report:

Chambers: Thank you to Kody Grove, Ron Vick, RJ Paulson, and the Forreston School District for arranging the use of the component from the Forreston Turf Tank to paint our field. See the attached picture.

Thank you to Ms. Wolff for all of her work in supporting our students in the homecoming activities.

Thank you to Mr. Erickson for the effort he has been putting into the AD work to make things flow better for the students and community in our athletic events.

I was extremely impressed with the choice the football program made in supporting Matt Hagen.

I will be checking into the status of the wrestling co-op with Darlington.

Jim Seffrood and Noah Steinman have indicated verbally that they would like to continue in their coaching roles. Once we receive the paperwork we will place it on the agenda for Board consideration.

Milz: Thank you to Parent's Club, B.H. Booster Club, B.H. H.S. Student Council and Mrs. Wolff for making Homecoming 2024 a fun event. Thanks to Jason Herbst and the Jerry Scott for a wonderful fireworks show. Thank you to the community members who donated money towards the cost of the fireworks show. Long term plan for financing continued tradition - we will see. We understand district funds aren't available for this.

Thank you to Gratiot, South Wayne, Cadiz, Woodford fire departments for hosting our elementary students last week during Fire Safety week.

October 2nd - Custodian Appreciation Day. We thank R.J., Jack, and Matt for the work they do for our district. R.J. during the school day is quick to help out when needs arise, which is greatly appreciated. R.J. and Jack were selected as our September Employees of The Month for all of their hard work assisting teachers getting their rooms set up and furniture, etc. moved around.

Want to thank Mr. Tim Wolf and The Vault for assisting with our Employee of The Month Recognitions. We give a \$50 gift certificate this year with half of the amount coming from my principal's budget and Tim donating the other half.

4K and 5k classes went on their annual field trip to attend the Vesperman Pumpkin Patch farm field trip in Lancaster.

Ms. Nehs and FFA students attended the World Dairy Expo on October 1.

Mr. Burke and Mr. O'brien took their social studies and U.S. History classes to Aztalan State Park on October 2 to compare and experience ancient Mississippian culture that they have read about to what the state archaeologist (former) talked to them about at the park.

Teachers are preparing for fall parent-teacher conferences on the evening of October 17 and morning of October 18. Thank you to Mrs. Wills for preparing a scheduling document for elementary parents.

Middle school students will be holding a Fall Dance on Thursday, October 31 at 1 p.m. Thank you to Parent's Club for helping support the dance for our middle school students. Additionally, elementary classes will be holding Parent's Club Halloween parties on October 31.

Ms. Crotty has scheduled Brian Kenney on Tues., October 15 to work with our elementary students on teamwork, positive cooperation, and social skill building.

Our juniors are scheduled to take the Pre-ACT on Wed., October 16.

Professional collaboration early release time on Friday, October 11 will have teachers focusing on team student learning objectives. The purpose of these SLO's is to collaborate on common instructional strategies and assessments to bring about student growth in academic achievement in either literacy or mathematics. We will also be looking at target groups of students who are not categorized as proficient on state standardized tests and discuss strategies to move them into proficiency.

AD Erickson: Fall seasons are concluding and we are getting close to post-season. I've asked coaches to be certain that all scores are updated with WIAA so that post-season seeding will be appropriate.

Middle School basketball started for girls. Kaylee Meyers is coaching and has about 13 girls. That number may vary in the coming days and includes 6th graders. She did a great job of organizing and recruiting young ladies.

Boys MS starts next week. Looks like 14-16 boys.

Thanks to Mr. Milz who has been willing to allow us the ability to have two time frames for practice at Gratiot. Overlapping seasons did not effect that last year.

I've moved the staging area for officials into the conference room of the office to allow them to utilize the shower if they want.

I have some concerns about a second set of ticket takers for winter-season contests. If we utilize the "stair entrance" on the west side, we'll need another table and overseer there.

Hudl issues continue.

Channel 27 will be down tomorrow to do a feature on our girl's flag football group.

I've reached out to Darlington to begin the talks of the wrestling coop renewal. We would like to continue but if that is not mutual, we'd like to look so that it can happen with another school in the area.

I have had a request from a couple of students to look into Cross Country. I will discuss that further with them and just do some looking to see what that might look like.

Board of Education Report - It was requested that we review Policy # 0166 at next regular meeting.

Public comment was called for: NONE

Board of Education Report: NONE

Fire Alarm Charge Change - Went over the fire alarm charge as the original change was a \$22,000 added expense. The actual change order cost is not known yet. But the District has no option but to pay for it per Chambers.

Operational Referendum- Talked about going with a reoccurring or non-reoccurring. Talk about how it would work. Several Districts are going to an operational Referendum in November in the State. Will be a discussion item in November.

Prom: Location and other arrangements but it was talked about how many miles away it was. The venue in Davis lets students do what they want as far as venue and is all set up. Concern with that it is far away and concern with travel option of finding something in District no action just discussion.

Baseball and Softball Coops - The Village is working on improving the ball fields. Powers will be assisting in helping using the money that has been raised through fundraising. The Board talked about how we need to make sure that we stay at the 50/50 games and practices for the Spring 2025 season.

Open enrollments - More open enrollment out than in. The differential has increased with more students going out. There has been a vast array of why they have left. Some kids go to private make friends and make friends and stay with them. Some families known that they live in District and will never attend school here due to child care and other issues easier to take to Monroe where work is. The District has lost some due to starting at Black Hawk and then moving to a neighboring District to finish school.

Motion by Dunlavey and seconded by Figi to approve revisions to the following policies 0164, 0174.1, 21231, 2340, 3120.08, 3431, 4120.04, 4162, 4431, 5200, 5430, 5460, 5505, 5610, 5610.03, 6423, 7540.05, 7544, 8500, 8510, 8531, 8540, 8550, 8660, 9210. (These were discussed at September Policy Committee meeting) The motion carried on a voice vote.

Motion by Figi seconded by Baumgartner to approve Annual Meeting Agenda for October 23, 2024 as presented. The motion carried on a voice vote.

Motion by Dunlavey seconded by Baumgartner approved using Fund 80 for Expenses for 4K program if funding is lost 4K would revert back to 1/2 day if /Fund 80 funds are not allowed to run the program 2024-25 school year. The motion carried on a voice vote.

Motion by Baumgartner and seconded by Dunlavey to approve using Fund 80 Funds for Expenses in running the Middle School Sports for 2024-25 if funding is lost program would be dropped. The motion carried on a voice vote.

Motion by Baumgartner seconded by Schliem to approve Dani Curran as Volunteer Cheerleading. The motion carried on a voice vote.

Motion by Baumgartner seconded by Ruegsegger to approve purchasing a bus at \$123,000 on a 3-year lease to own. The motion carried on a voice vote.

Administrative Report – None.

Board of Education Report – Paulson read part of Fund 80 guidelines to make sure that we are doing this Fund 80 correct as Fund 80 really states for services that the community uses but we are using it for District Middle School Sports. Chambers stated that Monticello and Juda are using Fund 80 the same way. The Fab Lab Grant really is a Community use of money and should be open to the public as that what that Grant was intended for. Chambers noted that some staff are trained in using the lab but not all a plan is to have all staff trained and open it up to community.
