

Welcome to K-Kids

K-Kids is a service club for students in elementary school. It's led by kids just like you. Each club determines their own community service projects and how they will help others.

K-Kids will teach you many useful skills. You'll learn the best ways to lead, participate and celebrate projects. You'll learn how to get along with others, even when you disagree, and how to motivate members to bring out their best. You'll make friends while you make things better.
