

October in 4th Grade

Reading

We are off to a great start. Learning about Natural disasters have captured student attention. We will have a speaker this month to learn how to track Hurricanes. Join us October 22, 2024 at 9 to learn about a natural disaster that happened right here in Minnesota.

Math

During October we are working on solving larger multiplication problems. The first step is solving X10 and x100 problems. Please keep working on math facts at home:)

Writing

We are working daily on the structures of writing. We are practicing and reviewing letter formation as well as writing in complete sentences.

Science/ Social Studies

We will focus on reading, constructing and interpreting many different kinds of maps.

Important Information/Dates

Donations wanted: Classroom **healthy** snacks: goldfish, Mott's fruit snacks, or pretzels

Conferences:

Tuesday, October 15th 3pm - 7pm

Wednesday, Oct. 16th 7am - 3pm
