To the accountability department at Northwest ISD:

It was our pleasure to review and assess math assessments for grades 3-8. After a rigorous review of each item on each assessment for content validity, we can assure 100% content alignment between each assessment item and the Texas Essential Knowledge and Skills (TEKS). We applaud Northwest ISD for their diligence in improving their assessments, as well as their own knowledge base.

Sincerely,

A handwritten signature in black ink that reads 'Thomas M. Van Soelen'. The signature is written in a cursive style with a large, prominent 'T' and 'V'.
