

Missouri School Report Card

Missouri School Improvement Program - Annual Performance Report for 2023

ESSA Accountability Plan for 2024

Beginning in 2020, the Report Card calculates based on a fixed dataset derived from the current school year to produce a static report; therefore, it may not match other reports on the MCDS Portal. The Report Card is intended to represent a fixed period of time, while all other reports are periodically updated to display current data.

Due to issues with the baseline salary grant data, some SY 2023 faculty data may have been revised.
