Your name will be called under the appropriate agenda item or Public Comment section of the agenda. Presentations from the public are limited to two (2) minutes regarding any item that is within the Council's subject matter jurisdiction. The Council shall limit the total time for public input on each item to 20 minutes. Please note that Government Code Section 54954.2(a) limits the ability of Council Members to respond to public comments. In addition, the Council may not take action on any item which is not on this agenda except as authorized by Government Code 54954.2.

Prepared by Mailee Lee, LGA College and Career Counselor

Recommended Motion:

The council is requested to review and approve the course name change for two courses:

Conceptual Physics CP
Chemistry in the Community CP

Rationale:

The Science Department and the Counseling Team are asking to change the course names from Conceptual Physics CP to Physics in the Universe and Chemistry in the Community CP to Chemistry of the Earth.
