Subject: Reported Bullying Incidents – Fall 2022

In compliance with Ohio Revised Code, the District is required to provide semi-annual written summaries of reported incidents of bullying or harassment to the president of the Board of Education and to post the summaries on the district web site to the extent permitted by the Family Educational Rights and Privacy Act (FERPA) 1974.

Incidents may be reported online, using the links posted on the District's web site, or may be reported directly to staff.

Principals investigate all reported incidents and determine if these are substantiated or unsubstantiated as defined in Board of Education Policy JFCF. Principals record results of all investigations in PowerSchool (student information system), including if the incidents were substantiated or unsubstantiated. Incidents that involve disciplinary action are reported to the state's Education Management Information System (EMIS).

Reported incidents for Fall Semester (July-December) 2022 include the following:

Building	Total Number Reported Incidents*	Unsubstantiated	Substantiated
Cassingham	7	4	3
Maryland	3	3	0
Montrose	2	1	1
Middle School	3	1	2
High School	4	2	2

** Principals may receive multiple reports for this same incident. Each report is considered through the investigation process but is not recorded as a separate incident.*
