

A Message from Principal Simon Addison

Principal's Update - Fortnightly Highlights

I am excited to share this latest newsletter with you, packed with fantastic news from the last two weeks! We've had the privilege of being visited by BBC Bitesize, giving our students a unique opportunity to engage with educational content. We also had trips to Portsmouth University, which were a great success, along with many other inspiring events and activities.

Don't forget to get your tickets for the upcoming Beauty and the Beast performance and the THA Christmas Takeover - two events you won't want to miss! I would also like to take this opportunity to remind parents and carers that the Academy will close early on the last day of this term (Friday 20th December) with students being dismissed by 12.30pm. Term 3 will start on Monday 6th January with students expected at the usual time of 8.35am.

Thank you for your continued support, and I hope you enjoy reading all about the exciting things happening at the Academy.

Best wishes,

Simon Addison

Anti Bullying Assemblies

Peer Mentors engage school with anti-bullying presentations

As part of our anti-bullying week campaign, our peer mentoring team have been leading assemblies on bullying, teaching students from every year group about the effects of bullying, and how you can stand in and help out when you see a bullying incident, instead of being a bystander. A big congratulations to our Peer Mentors for leading such an engaging assembly in front of their peers.

Anti Bullying

BBC BITESIZE CAREERS ROADSHOW

BBC Bitesize visit inspires our students with exciting careers and pathways

Yesterday the team from BBC Bitesize arrived to deliver an assembly as part of the careers roadshow. We were blown away! Presenter James Threlfal hosted a panel of local businesses with Polly Coxeter who works at the BBC, Stacey Pretty, a marketing director and Alice White, a graphic designer. During the panel, they spoke about their careers, entry to industry through apprenticeships and degrees and all the soft skills employers want. The students in years 7, 8, 9 and 10 were all fully engaged asking some great questions and really enjoying this great opportunity for careers education offered by a globally recognised organisation. Many thanks to all of the team.

A Message From Mrs Man, Senior Attendance Lead

Hello THA families,

I'd like to take a moment to celebrate the incredible hard work, dedication, and resilience our students have shown so far throughout this school year! It's truly inspiring to witness the progress and commitment they bring to school every day. Students should feel proud of their efforts to attend regularly and participate with enthusiasm, helping to make our school community stronger and more connected.

A special shout-out goes to our students in the Voyager provision! Your progress has been fantastic, and the improvements you've made are a testament to your perseverance and dedication. Mrs Mann, Miss Burgess, and Mr Dan-Finch are so proud of you, and we hope you enjoyed your well-deserved party bags! Congratulations as well to all the tutor groups who achieved the highest attendance this week—we definitely have some competition brewing! Your efforts are a powerful reminder of how important it is to show up and work together. And to our 100% attendance winners of this week's draw—well done! We hope you enjoy your goodie bags. Keep up the amazing work, and know that your commitment to being present truly makes a difference.

But we know there is still work to be done. If you have any questions or concerns about your child's attendance, please don't hesitate to reach out to the Attendance Team. We're here to support you in every way we can and to ensure every student has the best opportunity to thrive at THA.

Keep reaching for excellence, THA students, and remember, each day you show up brings you one step closer to your goals. We're so proud of all of you!

Best wishes,

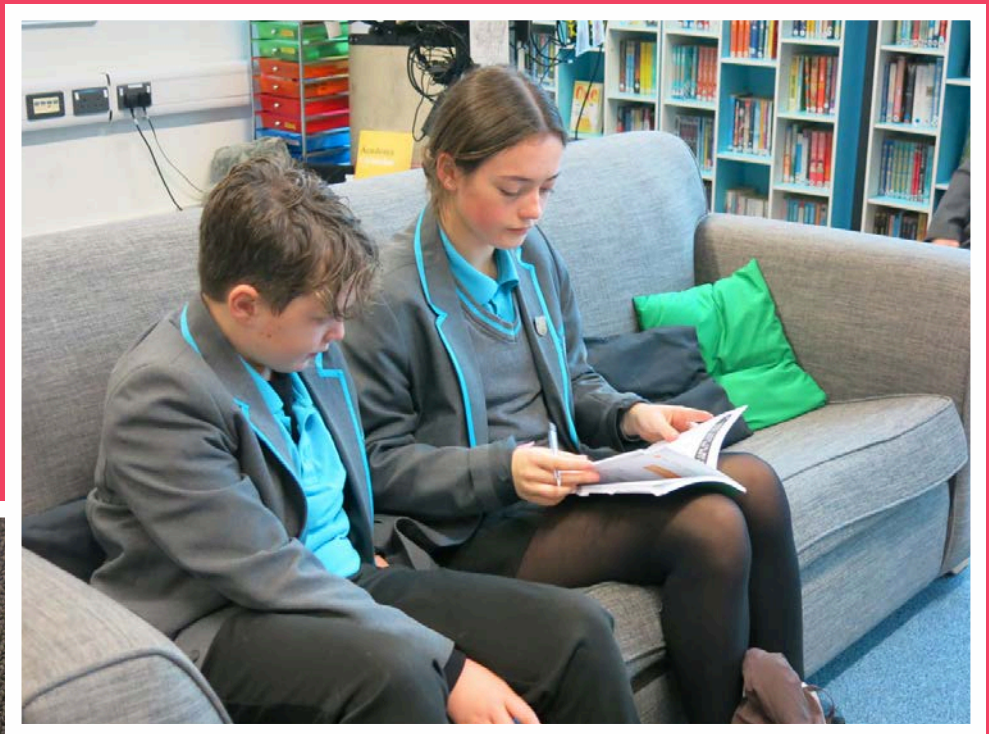

Mrs. Mann

Senior Attendance Lead

Franklin Scholars Update

Our Franklin Scholars programme has continued this term, with our Y10 mentors beginning to put their training into practice alongside their Y7 mentees, who they have now been paired up with. They have been meeting weekly to read the novel *Wonder* by R.J. Palacio and chat about how their weeks have gone, with the mentors offering advice and a listening ear to our Y7 students.

Library News

National Interschool Quiz Team Nearly Make Final!

Congratulations to our students Amalia Anderson Grove, Lillyrose Marshall, Aimee Stevens and Amelie Isenburg Daw who recently took part in a National interschool quiz against 400 other secondary school across the country.

Lots of reading and general knowledge swotting took place and the live quiz was extremely fast paced and quite terrifying just for Ms Crane who was supporting! They did extremely well working together to give answers in a very fast time frame and were only 9 points away overall from making the final after answering over 75 questions.

Would you have got these questions right? They did!

What is the weight of an average western male gorilla in kg?

'Salarium' the word ancient Roman soldiers would have used for their wages originates from which Latin word?

Giant Sloth Finds New Home in Library

This week a new face has been sat in the library. A giant sloth, as yet unnamed, has been rescued from the wilds of Ore and bought to the Hastings Academy Library, where they now live.

The giant sloth does not have a name yet, and students are being allowed to 'guess the name of the sloth' for 50p a go. Miss Crane has a list of 70 possible names for the sloth.

Annual Christmas Card Competition Winners

Competition was hot (or should we say frosty!) for this year's academy Christmas card competition.

We had gorgeous digital designs, like the one below by Amelie Y8, interactive designs, like one by Mia Y8, complete with an opening/closing door.

But one stood out as the winner, and that was the lovely design by Lottie from Y8 which you can see above. Her drawing included a Christmas tree, a cheeky Grinch climbing through the window, presents, hot cocoa, and everything cosy and Christmassy. Well done Lottie!

**THIS DECEMBER WE WILL
BE COLLECTING FOR:**

**TINS, DRIED FOODS, SANITARY ITEMS,

WEDNESDAY EVENING FITNESS CLASS

For Students

3:15pm

Free of charge!

Every Wednesday at 3.15pm we have coached classes which are totally free of charge for our students. Whether your child is already sporty and looking to better their performance, or not yet active and looking to start out, coach Rhys will be able to tailor the class to their needs.

For Grown-ups

5:15pm

£4 per session

Our coach also runs an adult's class from 5:15pm after his youth sessions. These are also designed to help build your fitness through circuit training.

BLAZER SWAP

COMING SOON

If you have any blazers to donate ahead of the blazer swap at the end of term, this would be greatly appreciated! At the end of term pupils will be invited to swap their ill fitting blazers with ones which fit, but to start the event off it always helps to have some surplus blazers.

What Parents & Educators Need to Know about AI VIRTUAL FRIENDS

Artificial intelligence has seen significant development over the recent months, with companies releasing new AI-based software or adding an AI element to existing apps (such as Snapchat). One form of AI that has become especially popular has been the 'AI friend' or chatbot. There are now numerous 'virtual friend' apps available, with other successful platforms likely to adopt it soon.

WHAT ARE THE RISKS?

CONTENT AND ACCOUNTABILITY

AI chatbots may not always recognise when content is age inappropriate or harmful and should be filtered out. As a result, there's a possibility that children could be exposed to offensive language or explicit material while conversing with their virtual friend. The companies producing such AI solutions are also unlikely to take responsibility for any content that their algorithms generate.

REDUCED SOCIAL CONTACT

An excessive reliance on chatbots for social interaction could potentially cause a child to begin reducing the amount of face-to-face communication they have, leading to social isolation. If young people become dependent on chatbots to provide companionship, it could possibly hinder the development of their real-life social skills.

LACK OF SENSITIVITY

Chatbot software isn't always sophisticated enough to pick up on subtle emotional cues or recognise signs of distress in children, as most humans would. It might therefore fail to respond appropriately. AI misinterpreting what it's being told or replying insensitively to a young user who's already struggling could potentially impact a child's emotional wellbeing or exacerbate any existing emotional issues.

UNINTENTIONAL BIAS

AI companions are only as reliable as the information they've been programmed with. The algorithms they use, therefore, may unintentionally promote bias, stereotypes or discriminatory behaviour. As many chatbots originate from the USA or UK, for instance, they can display a distinctly western-centric worldview. This could lead to children developing skewed attitudes and behaviours if they interact with the AI consistently.

COGNITIVE LIMITATIONS

Although many are now undeniably advanced, AI-powered chatbots still have limitations in terms of understanding complex concepts, context and nuance. Depending heavily on chatbots to help with learning or solving problems may stunt the development of a child's own powers of critical thinking, their creativity and their ability to engage in open-ended discussions with other people.

PRIVACY CONCERNS

Chatbots typically collect data about users, including personal information and conversations. This is ostensibly to improve their performance as they gradually learn about our behaviour – but many experts warn that there may be significant risks associated with how this information is stored and used (for instance, the possibility of potential breaches or misuse by third parties).

Advice for Parents & Carers

CHAT ABOUT CHATBOTS

If a child is already expressing an interest in AI apps, then a relaxed, natural chat should help you to discover which ones they're aware of and how they're using them (or are planning to). Discuss these options with children and perhaps do your own research to ensure that you think they're suitable. Once you're totally happy, you could sit and explore the range of AI chatbots together.

CREATE A SAFE ENVIRONMENT

If a child is keen to engage with AI chatbots, encourage them to do so in a safe environment: ideally in a shared space, so you can easily keep an eye and ear on their progress. Set up appropriate content filtering measures in advance – and gently remind them that you'll be close by and ready to help with any questions or concerns that may arise.

FIND A BALANCE

Work alongside children to establish the right balance in terms of how they might use AI-powered chatbots – and when it's appropriate. It's important to make sure that children still get plenty of opportunities to learn to solve problems for themselves, as well as building their interpersonal skills through face-to-face conversations with friends, family members and teachers.

TAKE CONTROL

As with any form of app or game, when it comes to AI chatbots we'd strongly recommend that you consider employing parental controls (either on the device being used or within the software itself) to manage which apps children can download and interact with. This is particularly important for younger children, who may be more at risk of being upset or frightened by inappropriate content.

RECOGNISE THE RISKS

It's unlikely that most children will have even considered the potential risks attached to having a virtual companion. So it's probably wise to explain some of the possible hazards and challenges of AI chatbots to them. Emphasise that AI isn't a real person (however much it might sound like one) and may occasionally tell them something inaccurate or skewed by bias.

Meet Our Expert

A Certified Information Systems Security Professional (CISSP), Gary Henderson is the Director of IT at a large boarding school in the UK, having previously taught in schools and colleges in Britain and the Middle East. With a particular interest in digital citizenship and cyber security, he believes it is essential that we become more aware of the risks around technology, as well as the benefits.

A large, stylized red handprint graphic is centered at the bottom of the page. The handprint is filled with a vibrant red color and has a slightly distressed, ink-like texture. It is positioned behind the 'STOP BULLYING!' text, which is written in white with a red outline. The background of the entire page is a gradient from light blue at the top to light green at the bottom.

**STOP
BULLYING!**

Tell us about your extra-curricular successes!

We absolutely love hearing about all the great things our students get up to out of school, from sports superstars or musical magicians to selfless charity work we want to hear about it all. If your child has done something amazing outside of school, and if they don't mind us celebrating it, please let us know and we can showcase their achievements here in the school newsletter.

Email Miss Mitchell to tell her all about it:

i.mitchell@thehastingsacademy.org.uk

Oliver!

We wish to extend our warmest congratulations to 4 of our talented students who have just finished a run of 'Oliver!' at the White Rock Theatre with the Hastleons (a local amateur dramatic society). 'Food, Glorious Food' - followed by Applause, Glorious Applause for well-deserved standing ovations at each performance. Daniel, Robyn, Myles and Toby had 'to pick a pocket or two' but at the end of the day they'd 'do anything' for Fagin as they delivered their well-rehearsed lines on stage. All we can say is that we are very much hoping that they will 'be back soon' on stage with more stunning performances. We are sure that we don't need to worry about 'who will buy' tickets to come and support them! 'Consider yourself' in for many more stunning performances from these budding performers!
(No apologies for the outrageous song-dropping!)
Mrs C. Pepper

Hastings Music Festival

A huge well done to all our students who have taken part in this years Hastings Music Festival. It has been great to hear how well our students have done in a number of classes. We are looking forward to celebrating all your future achievements in the Performing Arts, thank you for all your hard work.
