Meeting was called to order at 4:30PM

Agenda:

1. Introductions
2. Student SHAC Representative
 - Valente Hernandez introduced himself as the student SHAC representative. Valente is a junior at Salado High School. He is the President of the Health Occupations Students of America and involved in Health Science classes. He hopes to pursue a job in the medical field.
3. Epi-Pen Update
 - Epi-pens have now been delivered to all campuses. Special thanks to Dr. Drigalla for providing these orders. The Epi-pens will help provide emergency intervention for students who may not realize they have life threatening allergies.
4. Salado High School Health Science Program
 - Health science teacher Tina Vargas shared an overview of the health science program, including options for student certification and career investigation. Ms. Vargas also asked the committee to consider potential community connections that could offer enriching opportunities for health science and HOSA students.
5. Campus Updates
 - Free COVID rapid tests have been ordered for all campuses. These tests will be available for students, staff, and community members who might need a free testing option. Once the tests have arrived, the school community will be advised on how to request a test.
6. The next meeting is February 15. Members are encouraged to send suggested agenda items to beth.aycock@saladoisd.org or Julia.serna@saladoisd.org.

Meeting adjourned at 5:00 pm
