Student Parking Rules and Regulations

Students must abide by the following rules and regulations for the entire school year. Violation of any of these rules may result in the vehicle being towed, the loss of parking privileges on Duluth's campus, or a fine depending on the violation and whether or not it is a repeat offense. Fines will increase with each ticket for the same type of offense. **If the parking permit is revoked for any reason, the parking fee will not be refunded.**

All students must meet the following criteria in order to have an opportunity to park on campus:

- 1.) Pass 5 out of six classes the prior semester and not fail more than one class after receiving a parking permit.
 - 2.) Pay in full any outstanding fines owed prior to applying for a parking pass.
 - 3.) Students enrolled in a school sanctioned work program (CBE, DECA, this does not include Maxwell High School)
 - 4.) Students who have a Driver's Education Certificate will receive priority.
1. Parking decals must be permanently attached to the windshield top corner on the driver's side beginning with the first day of school.
 2. Students cannot park in faculty-designated areas at any time **including after school hours.**
 3. Students are not allowed to back in or pull through a space. Students are to park in their assigned space only. Parking in areas not assigned could result in the vehicle being towed.
 4. Students are **NOT** to put signs in the window if they are driving a different vehicle. They must see the parking supervisor upon entering the lot and receive permission.
 5. Horn blowing, tire squealing, fast starts, loud mufflers, and excessive noise are not allowed on campus at any time including before and after school hours. Violation of this rule may lead to parking pass being revoked.
 6. Students must obey the **10 miles per hour** speed limit on school property. Pedestrians and school buses **always** have the right-of-way.
 7. Students must leave their vehicle and the parking lot immediately upon arriving at school. Students may not reenter the parking lot during the day without written permission from an administrator or a checkout pass from the Attendance Office. Vehicles may not be used as lockers.
 8. Illegal substances such as alcohol, tobacco products, lighters, matches, drugs, drug paraphernalia, weapons, gang symbols/literature, etc., may not be in any vehicle on school property. This includes glove compartments, consoles, trunks, and all other areas of the vehicle. **The school administration has the right to search all areas of your vehicle when on school property.**
 9. Cutting across parking spaces or driving the wrong way in the lanes is not permissible when entering or exiting the parking lot. All driving must be in the driving lanes between the parking spaces.
 10. Students cannot give, sell, or transfer their parking decals to another student. If this is done, parking privileges will be immediately revoked.
 11. Students parking improperly, in the faculty parking areas, in the bus lanes, in visitor designated spaces, in restricted or reserved zones, or on curves, or in non-registered vehicles will be fined, may have their parking permit revoked, and/or have their vehicle towed at the student's expense without prior notification.
 12. If student changes vehicle during school year, the assigned decal is to be removed from the old vehicle and returned to Mr. Hall/Mrs. Val-Leis' office, located in the bottom 100 building with updated documentation and proof of payment (\$5) on replacement vehicle before a new decal issued.
 13. Parking privileges may be revoked at the end of the first semester based on student failures, attendance, and discipline. This will be determined at the administrators' discretion.
 14. **All students are expected to be in class promptly by 7:15 AM each day. Chronic tardiness to 1st period will result in the following consequences:**
 - 5th Tardy to 1st Period: loss of parking privileges for 10 school days.
 - 10th Tardy to 1st Period: loss of parking privileges for one month.
 - 15th Tardy to 1st Period: loss of parking privileges for the duration of the semester.
 15. **Parking privileges may be revoked at the end of the semester when a student has 8 unexcused check-ins.**
 16. Parking citations will be issued for infractions of any rule. Fines must be paid by the end of the semester in which the parking citations were issued. Failure to pay will result in loss of parking privileges.
 17. All students that park on Duluth's campus are required to have liability and personal injury insurance on the registered vehicle throughout the entire school year. In cases of accidents occurring on campus, it is up to the individuals involved to settle damages. **The school is not responsible for any damages, loss, or theft to any vehicle or its contents while on campus.**
 18. No Duluth High School student is allowed to park on the Coleman Middle School Campus.
 19. Students that purchase parking will be added to remind for the purpose of easier communication about parking, Remind is a communication platform that reaches students and families where they are.

Duluth High School provides a parking attendant for the purpose of enforcing the above rules and regulations. The parking attendant is not a security guard and is not employed to prevent or stop crimes in the parking lot or on campus. Students parking or driving on campus should take all necessary precautions to prevent loss to their vehicle and its contents by keeping the vehicle locked at all times, not giving the keys to anyone else, not leaving valuable items inside the vehicle while on campus and obeying all the above regulations.
