

OPTIONS CONNECTED TO ALL PATHWAYS At Emerald Campus

For students interested in a well-rounded education and/or unique preparation for future endeavors.

To prepare for a post-high school career, students can choose one of these options for an interdisciplinary mix of classes or to dive into unique academic and career interests.

Emerald Campus Spotlight options:

- **Dublin Co-Op Academy (1 semester, 1 period) - Grade 12**
- **Early College Academy (1 year, 2 periods) - Grades 11 and 12**
- **IB Diploma (All day, 2 years) - Grades 11 and 12**
- **Young Professionals Academy (1 semester, 2 periods) - Grades 11 and 12**

The **Dublin Co-Op Academy** program offers a semester-long opportunity for students to gain hands-on professional experience in a cooperative education setting. The **Dublin Leadership Academy** focuses on honing leadership skills through workshops and practical experiences. For those seeking an early start on college, the **Early College Academy** spans a year, allowing students to take foundational college-level courses. The globally recognized **IB Diploma program** provides a rigorous and comprehensive curriculum emphasizing critical thinking and a global perspective. Lastly, the **Young Professionals Academy** is tailored to prepare students for specific careers through internships and practical skills development.
