Do you have a child transitioning to middle school or high school and have questions on what that will look like? Please join your Olentangy Schools Parent Mentors, Fran Gardner and Anne Pistone for an informal question and answer session. Feel free to just join us either virtually or in-person to ask your questions or to see what other questions are asked and information is shared.

Transitions are unavoidable and scary.

Set your student up for success.

Communication is key!

There are no silly questions.
