ART & DRAMA

6-11 YO / CAMP IN FRENCH

These workshops offer a unique opportunity to explore different tools of artistic expression around a common theme.

The aim is to discover new ways of expressing oneself, to share one's vision of the world where every gesture and every work of art tells a unique story. We'll be tackling a range of artistic and theatrical techniques, with an emphasis on experimentation and freedom of expression.

If you enjoy drawing, painting, sculpting, acting, storytelling or simply sharing your experiences, this workshop is for you! Join us for a creative adventure where imagination and self-expression are at the heart of our approach.
