

# CLASS NEWS

1st Grade

December

## WHAT WE'RE LEARNING

### Literacy:

We will be reading multiple texts about the Gingerbread Man and then comparing and contrasting the different versions.

### Math:

The focus will be on solving addition and subtraction story problems to 12, finding unknown numbers in equations, adding and subtracting to 20, counting and writing numbers to 120 and subtracting 2-digit numbers that are multiples of 10.

## REMINDERS

There is no school on Friday, December 13th for Staff Professional Development.

Winter break starts on December 23rd. We come back to school on January 6th.

## JUST A NOTE

The new specialists rotation will be starting on December 2nd.

## EVENTS

### PUMPKIN SHOWCASE

On Friday, **December 6th**, 1st grade will be having our Project Based Learning showcase! All first graders have been learning about the life cycle of a pumpkin. All families are invited to attend between **9 and 10 am. Please join us** in our classroom to see what your students have been working on!
