## Two-Way Bilingual Immersion Program Orientation 2025-2026 School Year

The Two-Way Bilingual Immersion Program (TWBI) offers students the unique and exciting opportunity to learn to read, write, and communicate naturally in two languages, Spanish and English. This orientation will provide parents the opportunity to obtain more information on the Two-Way Bilingual Immersion Program. Attending an orientation is required for any new families interested in enrolling in San Jose Unified School District's TK-5 TWBI program.

Interested families should register for one of the following sessions. Know that families who have siblings currently enrolled in the program do not have to attend any of these orientation sessions but should contact their school sites for sibling orientation information.
