Mather Workshop Descriptions & QR Codes Thursdays

TK-1st Discovery Time Join Mrs. Morck on Thursdays 9:30-11:30 to discover and explore our classroom and community through literature, music, games, art, circle time and STEM activities.

2nd - 3rd It's a Wonderful Life Come join Mrs. O'Rourke on Thursdays 9:30-11:00 to learn about what makes humans happy and calm. Is it being with animals, watching funny videos, counting our gratitudes, listening to music, engaging in outside activities, doing yoga, or just getting to socialize and work in teams? You will discover mindfulness techniques and which one works for you.

2nd-3rd Voyagers Take a voyage with Mrs. Cataldo where we will explore different places around the world through STEAM based activities, literature, crafts, games, science and art. Thursdays 12:00-2:00.

4th-5th Explorers Join Mrs. Stafford and Mrs. Hennessy on Thursdays 9:30-10:30 and 12:00-2:00 to explore engaging science concepts with hands-on activities! Students will work collaboratively and use the scientific method to think like a scientist.

4th-5th PE with Mrs. Ban One hour of fun physical activity with Mrs. Ban that will include working on personal goals, playing cooperative games, practicing how to be a team player, and learning about the importance of staying active and healthy.

6th-8th Workshops

Modeled after the "Elective Wheel" found at many middle schools, "Something with Salter" will consist of whatever sparks Mrs. Salter's interest that week. Thursdays 9:30-11:30.

Adventure Club with Mrs. Oh & Mrs. Brainard Become a part of the 6-8 learning team! Each week students will participate in a mixed bag of activities including middle school science topics and labs including STEM/engineering, explore a variety of Art mediums, and touch on Social Emotional Learning. Community service projects will be a part of the mix. Thursdays 9:30-11:30.

The Wheel Small groups of students will rotate through the wheel in 4 week intervals. Join Mrs. Salter, Mrs. Oh, Mrs. Brainard, and special guests for an hour of exploration and learning about life smarts, ukulele, craft club, and so much more! Thursdays 1:00-2:00.

PE with Mrs. Ban One hour of fun physical activity with Mrs. Ban that will include working on personal goals, playing cooperative games, practicing how to be a team player, and learning about the importance of staying active and healthy. Thursdays 12-1:00.

Monday Workshop Descriptions & QR Codes

1st-2nd Animal Adventures

Join Mrs. Cataldo and other 1st-2nd grade students on Mondays 12:00-1:55.

We will learn all about animals through STEAM based activities, literature, crafts, games, science and art.

TK-Kindergarten Playful Pioneers Join Mrs. Morck and other TK-K students on Mondays from 12:00-1:00. We will do Circle Time (ZooPhonics) and Learning Center Activities around fun and engaging monthly themes. Parents are encouraged to stay for the playgroup in the multipurpose after class from 1-1:55 (parents are responsible for their students during this time).
