

Link Crew Newsletter

November 2024

This month was full to the brim of fun activities for the freshmen! We had tailgate as well as Friendsgiving and plenty of fun games to play during connection days!

Thank you!

Everyone in Link crew would like thank everyone who donated to our blast

December events

In December LC will be hosting Coco & Crafts

Thank You

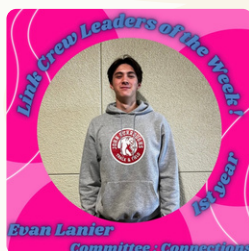

Everyone in Link crew would like to give a big thanks to everyone who donated to our blast so far to help us better help the freshmen! We couldn't do this without your help!

Connection Days

Connection days happen every Thursday and are when the leaders get to come in and see their freshmen! Connections committee work hard to make fun games and activities to play with the freshmen.

Tailgate

Although Tailgate was in October, not November, we thought it went so well we should cover it anyway! On Halloween we had a wonderfully spooky Beetlejuice themed tailgate! We had lots of fun activities for the freshmen like pie in the face, where they were able to pie their link crew leader, games like uno, Janga and cornhole, a photo booth, goodie bags, and bracelet making, as well as free food for the freshmen.

Friendsgiving

Just like Tailgate, Friendsgiving was a huge success. Like previous years, all leaders bring food and treats for their freshmen groups. This year we also had a thankful tree, where freshmen and leaders got to write what they were thankful for on a leaf shaped paper and put in on a fake tree. We even had one of our wonderful leaders, Pearl, dress up in a blowup turkey costume to help spread the thanksgiving cheer!

December Events

In December LC will be hosting Coco & Crafts where freshmen can come in and get free hot coco, join leaders in Christmas crafts or get help for finals.
