Witty

Are there any special (but not too private) circumstances that you went through in high school or in your life that influenced or affected you (academically, personally, or socially)? If so, explain the circumstance, how it affected/influence you, and how you overcame it**.**

List any hobbies that you have. Be specific. Also, add how long you have been doing these hobbies.

What are your goals for the future? What do you hope to accomplish while you are in college or your post-secondary choice? What do you plan/ hope to accomplish after you have completed college or your post-secondary choice? **EXPLAIN.**

List the school activities that you have participated in AND explain your role/ duties in this activity. (Examples: specific club/s, Leadership, Yearbook, Academic Decathlon, specific athletic/s, SRLA, CSF, HEART, Link Crew, Senior Board, academy, academy club, service learning, etc.)

Which 2-3 of the above school activities were most important to you? Why?

List any activities and/or volunteer services that you completed outside of school during your high school years. What did you do to contribute? How did these activities influence and/or shape you?

Write one paragraph, in *5-8 sentences*, describing yourself as a student and person from a teacher, counselor, or mentor's point of view. In other words, if you were them, what would they say about you as a student and as a person in high school**?**

- If you run out of room on these sheets, simply use your own sheet of paper.
- **This must then be typed. Refer to your portfolio timeline for the due date.**
- Make 2 copies for the teacher, counselor, or administrator you ask to write your letter of recommendation.
- *12 point readable font style, MLA format, double-space between sections*
