Elementary Volunteer Release Form

I have offered my services as a volunteer to help the school district in the following areas:

Classroom Fieldtrip School Function

I agree to abide by all relevant board policies and administrative guidelines while on duty for the district. I understand that I am not covered by the districts health insurance policy, nor am I eligible for workers compensation. Should I become ill or suffer an accident while doing volunteer work for the district, I agree that I shall be responsible for any and all hospital and medical charges that may accrue.

I understand that, as a volunteer, I am not in any manner considered an employee of the district or entitled to any benefits provided to employees. I further release the Board of Education from any and all liability for any damages, whatever their nature, which may result as a consequence of my volunteer services. While I am volunteering in the district, information that I read, hear, or see regarding a student is considered confidential and cannot be discussed with other parents or members in the community. I also understand that I may not smoke or vape while on school grounds or while volunteering for the district.

For the protection of the children in the school, the district is required, by law, to inquire of its staff and volunteers whether or not they have ever been convicted of a crime. Completion of this form indicates that you have never been convicted of any of the following offenses: *aggravated murder, murder, voluntary manslaughter, involuntary manslaughter, felonious assault, aggravated assault, assault, aggravated menacing, abuse or neglect of a child, kidnapping, abduction, child stealing, criminal child enticement, rape, sexual battery, corruption of a minor, gross sexual imposition, importuning, voyeurism, Public indecency, felonious sexual penetration, compelling prostitution, promoting prostitution, procuring prostitution, disseminating matter harmful to juveniles, pandering obscenity involving a minor, pandering sexually-oriented matter involving a minor, illegal use of a minor in nudity-oriented material or performance, endangering children, contributing to the delinquency of children, carrying concealed weapons, improperly discharging a firearm at or into a school or house, corrupting another with drugs, placing harmful objects in or adulterating food or confection.*

The district reserves the right to exclude any individual, regardless of reason, from volunteering at district events and in district classrooms. Individuals with prior felony convictions are automatically denied. Depending on the level of interaction with students, the district will complete either an online criminal records search, or we may require volunteers to be fingerprinted prior to volunteering.
